

A movie poster for the Netflix film '60 Minuten'. The central figure is a muscular man, Emilio Sakray, shown from the chest up. He has short, curly hair and is looking off to the side with a serious expression. His chest and shoulders are covered in various tattoos, including a large butterfly on his left chest and a Greek key pattern on his right shoulder. The background is a dimly lit, industrial-looking space with a staircase visible on the left. The lighting is dramatic, with warm tones on the man's skin and cooler tones in the background.

Daniel,2009-12-03 Harry Reasoner was one of the most trusted and well liked journalists of the golden age of network television news Whether anchoring the evening newscast on CBS in the 1960s or on ABC in the 1970s providing in depth reporting on 60 Minutes or hosting numerous special programs covering civil rights struggles the Vietnam War and Watergate Reasoner had that almost mystical quality it seems to take for good television reporting exuding this atmosphere of truth and believability in the words of Walter Cronkite Yet his reassuring manner and urbane often witty on air persona masked a man who was far more complex and contradictory Though gifted with the intelligence and drive to rise to the top of his profession Reasoner was regarded by many colleagues as lazy and self indulgent a man who never achieved his full potential despite his many accomplishments *Harry Reasoner A Life in the News* covers the entire sweep of this enigmatic journalist's life and career Douglass K Daniel opens with Reasoner's Depression era Midwestern upbringing and follows him through his early work in newspapers and radio before he joined CBS in 1956 Focusing on Reasoner's thirty five year tenure in television news Daniel presents fascinating behind the scenes accounts of Reasoner's key role in founding the top rated newsmagazine 60 Minutes He also explores Reasoner's highly publicized move to ABC in 1970 where he anchored the nightly newscast first with Howard K Smith and later with Barbara Walters a disastrous pairing from which Reasoner's career never fully recovered Based on scores of interviews and unpublished letters memos and other primary sources this first biography of the man once rated second in credibility only to Walter Cronkite illuminates an entire era in broadcast journalism as well as many of the unique personalities from Andy Rooney to Mike Wallace who made that era distinctive **While America Watches** Jeffrey Shandler,2000-09-21 The Holocaust holds a unique place in American public culture and as Jeffrey Shandler argues in *While America Watches* it is television more than any other medium that has brought the Holocaust into our homes our hearts and our minds Much has been written about Holocaust film and literature and yet the medium that brings the subject to most people television has been largely neglected Now Shandler provides the first account of how television has familiarized the American people with the Holocaust He starts with wartime newsreels of liberated concentration camps showing how they set the moral tone for viewing scenes of genocide and then moves to television to explain how the Holocaust and the Holocaust survivor have gained stature as moral symbols in American culture From early teleplays to coverage of the Eichmann trial and the Holocaust miniseries as well as documentaries popular series such as *All in the Family* and *Star Trek* and news reports of recent interethnic violence in Bosnia Shandler offers an enlightening tour of television history Shandler also examines the
