Pretty Little Things to Fill Up the Void Simon Logan, 2007-11-01 In a city of chemical warehouses and entropic factories viral DJ s and anarchist skatepunks share the streets with nihilistic video game junkies and makeshift revolutionaries whilst pirate broadcasters battle against one another and renegade paramedics hijack the dead and dying for profit *Pretty Little Things to Fill Up the Void* is the story of four characters and their constantly intertwining lives as they search for meaning and purpose in a place that seems to deny either Elisabeth Afterlife a renegade documentarist haunted by the ghost of a bloody girl Catalina Rodriguez a fiery teenager and thrill seeker and the artists lovers Camille and Auguste And alongside all of them there is the mysterious Shiva lurking in her complex of workshops and moving devious chemical hands that will soon encompass all of the characters in an explosive point of singularity **Sexing the Look in Popular Visual Culture** Kathy Justice Gentile, 2020-05-15 With dramatic advances in media technology the practice of sexing or erotically enhancing images has become an increasingly widespread phenomenon The eroticized look as both noun and verb the thing or image that draws our look and the look that we bestow on images that elicit our visual physiological and emotional attention is the focus of the essays in this volume Every day whether we are out in the world or in the workplace or in the privacy of our homes we enter visual fields that heighten and distort reality distortions that often emphasize sexuality and erotic promise The contributors for this collection look at the sexualization of visual culture from a range of disciplinary perspectives including literature film studies history philosophy art history and media studies with gender and sexuality studies providing the encompassing critical framework that binds these essays into a coherent analytical project The essays in this collection offer new theoretical conceptions of perception and representation as well as rigorous reconsiderations of the polarized feminist debates over pornographic images Essays on literature and film range from an interrogation of Baudrillard s theory of

seduction that posits femininity as a strategy of illusion and subversion to Bridget Jones's challenge to the prevailing disciplinary regime that prescribes rigid standards for feminine beauty to a reevaluation of the subversive potential of sexy female robots Other contributors consider the history of nudist images in US periodicals the proliferation of eroticized images of girls in new digital technologies gentlemanly masculinity in men's fashion in late Victorian England and a rape prevention campaign's unintentional reinforcement of persistent heterosexist misconceptions about rape

A Record of the Metropolitan Fair in Aid of the United States Sanitary Commission Held at New York in April 1864 J. S. F. (and S. (E.)), 1867 **Box Nine New Edition** Jack O'Connell, 2025-01-02 A stunningly original nightmare novel about the impact of a new synthetic drug Lingo on the depressed New England factory town of Quinsigamond where it was secretly developed Besides offering a potent high Lingo also delivers a shot to the brain cells governing linguistic comprehension and verbal skill Until murderous rages and babbling insanity take over this mind expanding feature makes the drug dangerously seductive to the unusually literate cops scientists and dope dealers competing to find its distribution source Written in the cranked up style of Lingo Box Nine shows a noir vision of a city that has become a virtual war zone between warring multi ethnic drug cartels The narrative shifts from one head case to another but never loses sight of Det Lenore Thomas an undercover officer addicted to speed rough sex heavy metal and the feel of her 357 Magnum A dark disturbing book that speaks with a fine fury about the yearning for forbidden knowledge and the language to articulate the mysteries it unlocks *A Record of the Metropolitan Fair in Aid of the U. S. Sanitary Commission, Held at New York in April 1864*, 1867
