Slavery J. B. Duff, Larry A. Greene, 1975-05 **Slavery, Its Origin and Legacy** John B. Duff, Larry A. Greene, 1975
Collection of essays by historians on the topic of slavery **Program of the ... Annual Meeting of the American Historical Association** American Historical Association, American Historical Association. Annual Meeting, 1974 Some programs include also the programs of societies meeting concurrently with the association **Program of the Annual Meeting - American Historical Association** American Historical Association, 1971 Some programs include also the programs of societies meeting concurrently with the association **American History and Culture** , 1975 *Slavery and Slaving in World History: 1900-1991* Joseph Calder Miller, 1999 This bibliography of 20th century literature focuses on slavery and slave trading from ancient times through the 19th century compiling listings from all Western European languages It contains over 10 000 entries The principal sections organize works by political geographical frameworks of the enslavers Subject keyword and author indexes provide immediate detailed access to the material **The Long American Revolution and Its Legacy** Lester D. Langley, 2019-10-01 This book brings together Lester D Langley s personal and professional link to the long American Revolution in a narrative that spans more than 150 years and places the Revolution in multiple contexts from the local to the transatlantic and hemispheric and from racial and gendered to political social economic and cultural perspectives It offers a reminder that we are an old republic but a young nation and shows how an awareness of that dynamic is critical to understanding our current political cultural and social malaise The United States of America is still a work in progress A descendant on his father s side from a long line of Kentuckians Langley grew up torn between a father who embodied the idea of the Revolution s poor white male driven by economic self interest and racial prejudices and a devoted and pious mother who saw life and history as a morality play The author s intellectual and professional encounter with the American Revolution came in the 1960s as a young historian specializing in U S foreign relations and Latin American history an era when the U S encounter with the revolution in Cuba and with the civil rights movement at home served as a reminder of the lasting and troublesome legacy of a long American Revolution In a sweeping account that incorporates both the traditional iconic literature on the Revolution and more recent works in U S Canadian Latin American Caribbean and Atlantic world history Langley addresses fundamental questions about the Revolution s meaning continuing relevance and far reaching legacy *Program of the ... Annual Meeting of the American Historical Association* American Historical Association. Meeting, American Historical Association, 1973 Some programs include also the programs of societies meeting concurrently with the association *El-Hi Textbooks in Print* , 1984 **Library of Congress Catalogs** Library of Congress, 1977 *American Book Publishing Record* , 1975 *UNTOLD HISTORY* Bernadine E. Ahonkhai, ED. D, 2025-01-06 *UNTOLD HISTORY* illustrates how African history is intertwined with and foundational to American history The book begins this narrative in the fourteenth century when European seafarers discovered the coastal

regions of Africa describes the meeting of the three worlds aEUR Europe Africa and the New World later known as America and details the increasing interactions of the three worlds after the 1450s The author dispels some of the misconceptions about pre colonial Africa by presenting the history and culture of the African continent from a distinctively African lens As such this book chronicles some prominent African empires and kingdoms Africa European bilateral trade relations the trans Atlantic Slave trade and contemporary Africans in the United States The book highlights stories of contemporary Africans residing in the United States and documents the contributions of early and contemporary Africans to the history economic development culture and prominence of the United States of America It concludes with a snapshot of contemporary Africa The book provides a framework for understanding the history of Africa prior to the arrival of European merchants on its shores African civilizations cultures legacy and contributions to American Educators can use the book to supplement their course on American History World History African American History in pre collegiate or collegiate settings This book can help educators to reimagine the teaching and learning of the United States history by centering on important narratives in Africa and with Africans in the American diaspora The book is organized chronologically and can help the reader to understand the past as it relates to the present world To facilitate teaching each chapter opens with a quotation that introduces the content of the chapter and ends with study discussion questions that educators can use or adapt as appropriate for instruction and to ensure full comprehensive understanding of the content presented
