Leif Hetland, ***Slaying the Giant*** Dr. B. Sky, 2021-03-16 The agency employs many dedicated employees modeling the institution's core values of integrity commitment advocacy and respect Other employees wear the values on their coat pockets but fail to incorporate the admirable values into their hearts Unfortunately these other employees often occupy positions of power and deflect fatalistic publicity onto unsuspecting innocent targets scapegoats I became a scapegoat during the nation's opioid epidemic Following the shocking realization that the facility's executives blamed me for undesirable media and political inquiries I knew I couldn't support the institution The condemnation finger pointing and retaliatory

scrutiny became insurmountable Worst of all the crippling falsified accusations and distressing attention left me defenseless to protect patients and the community I became a whistleblower disclosing unsafe opioid practices within the institution and beyond As I reflect I became a whistleblower long ago As the hospital s opioid safety expert I partnered with other clinicians and continuously educated executives about the existence of an opioid epidemic Patients and people in the community experienced unintentional overdose and death because of unsafe prescribing and lack of monitoring by the agency Our safety group educated leaders of the hospital the community and politicians about our concerns Few executive leaders and politicians listened Some listened but didn t like what they heard and intentionally chose to ignore cries for change This true story uncovers the things they disreputable leaders politicians and media personnel like to hide about scandalous maneuvers by people in positions of power to deflect blame onto others when they face unsolicited investigations which would end careers and reflect poorly on the agency Slaying the Giant Uncovering the Things They Like to Hide outlines the tedious process of preparing for court my testimony testimonies by others my attorneys brilliant performances and the aftermath of a whistleblowing process that took years to unfold [The Spiritual Warfare Answer Book](#) Dr. David Jeremiah,2016-06-14 Do you have questions about spiritual warfare Spiritual warfare is an important part of faith and it s wonderful to know that you re not alone in your struggle Trusted pastor and bestselling author Dr David Jeremiah brings clarity to the complex topic of spiritual warfare in The Spiritual Warfare Answer Book From his years of teaching on this subject Pastor Jeremiah has selected answers to your pertinent questions concerning victory in the spiritual realm The Bible says God will ultimately be victorious and win the spiritual war But it also says He has given every Christian promises and power to win our daily spiritual battles The Spiritual Warfare Answer Book includes 86 questions with answers such as How does Satan imitate God How powerful is Satan Are demons real What protection does the shield of faith provide How can I defend myself against a hostile world How do I put on Christ What does it mean to be a prayer warrior Make sure you are equipped for the spiritual battle that is ahead of you The Spiritual Warfare Answer Book prepares you to put on the armor of God that is outlined by the apostle Paul in Ephesians chapter 6 so you are equipped with the insight and wisdom you need to win the daily spiritual battles in your life [Slaying the Giant of Fear](#) Krissy Nelson,2020-08-04 Fear is a giant that shouts at us from the battle lines of our lives a giant adorned in seemingly impenetrable armor But God has given us supernatural weapons that even fear cannot outrun Sharing stories from her own life and others author and speaker Krissy Nelson uncovers a powerful truth As children of God we are made to live fearlessly Concealed within the familiar story of David and Goliath are three supernatural weapons David used to slay the giant of fear These weapons are hidden in plain sight for us to discover and also to learn to use because what God gave David he also gives us Nelson dives into Scripture and explores how to position yourself to see fear for what it is a giant that dares defy the army of the living God It is time to run boldly toward freedom You are equipped for battle and you are not alone God will fight for you **Living with Confidence in a Chaotic World** Dr. David
