relationships It s for couples who are homosexual or heterosexual and for readers who fall anywhere along the gender continuum As Boyd struggles to understand the nature of marriage passion and love she shares her confusion and anger providing a fascinating observation of the ways in which relationships are gendered and how we cope or don t with the emotional and sexual pressures that gender roles can bring to our marriages and relationships Dragons, Serpents, and Slayers in the Classical and Early Christian Worlds Daniel Ogden,2013-04-08 Dragons Serpents and Slayers in the Classical and Early Christian Worlds offers a comprehensive and easily accessible collection of dragon myths from Greek Roman and early Christian sources **Your Money, Your Marriage** Cherie Lowe,Brian Lowe,2018-09-25 God s vision for your marriage is far more than mediocre and money and sex are two of the most common tension points But it doesn t have to be this way In Your Money Your Marriage Brian and Cherie Lowe offer straight talk and power principles for getting your finances back on track so you can get back to your romance Take it from them the Lowes worked off 127 000 in debt in just four years and emerged not only financially free but better together Join Cherie personal finance blogger at Queen of Free and Brian family law attorney who s seen it all when it comes to marital money struggles in this journey to help you and your spouse go from different books to the same page Through candid and hilarious stories fresh ideas and practices and a few winks along the way Brian and Cherie reveal the secrets to financial foreplay able to help every couple thrive together in finance and romance alike You ll learn how to Develop passionate patience with each other toward a shared financial goal Identify unhealthy financial habits Save smart on date nights Sort through misaligned expectations as a couple Beat the comparison game Cultivate a stronger relationship on a budget of zero dollars Couples share much more than a bank account or even a bedroom they share a sacred union Imagine what your marriage could be if you could put cash conflict behind you Your Money Your Marriage is an invitation to find out and to thrive together Broken Heart on Hold Linda Rooks,2013-03-22 A woman who is separated needs a friend to walk beside her on her difficult journey Broken Heart on Hold is that friend one that will uplift encourage and hold her up while offering practical insights and pointing her to God It is a book of hope Because it is written by a woman who has gone through the trauma of a separation and the eventual healing of her own marriage the reader will know she is not alone This collection of honest heartfelt messages reaches down into the valleys of a woman s loneliness travels with her through her mental labyrinths and sheds light in the dark tunnels where answers seem nonexistent It provides the emotional and spiritual strength to help a woman sort through her confusion While winding her way through the maze of her emotions she will realize there is hope as she hangs on to God and trusts him for the outcome Broken Heart on Hold is a book she will return to again and again The Folktale Stith Thompson,1977 As interest in folklore increases the folktale acquires greater significance for students and teachers of literature The material is massive and scattered thus few students or teachers have accessibility to other than small segments or singular tales or material they find buried in archives Stith Thompson has divided his book into four sections which permit both the novice and

the teacher to examine oral tradition and its manifestation in folklore The introductory section discusses the nature and forms of the folktale A comprehensive second part traces the folktale geographically from Ireland to India giving culturally diverse examples of the forms presented in the first part The examples are followed by the analysis of several themes in such tales from North American Indian cultures The concluding section treats theories of the folktale the collection and classification of folk narrative and then analyzes the living folklore process This work will appeal to students of the sociology of literature professors of comparative literature and general readers interested in folklore Dragon Martin

How did Iran remain distinctively Iranian in the centuries which followed the Arab Conquest How did it retain its cultural distinctiveness after the displacement of Zoroastrianism state religion of the Persian empire by Islam This latest volume in

The Idea of Iran series traces that critical moment in Iranian history which followed the transformation of ancient traditions during the country's conversion and initial Islamic period. Distinguished contributors who include the late Oleg Grabar, Roy Mottahedeh, Alan Williams, and Said Amir Arjomand discuss from a variety of literary, artistic, religious, and cultural perspectives the years around the end of the first millennium CE when the political strength of the Abbasid Caliphate was on the wane and when the eastern lands of the Islamic empire began to take on a fresh Persianate or Perso-Islamic character. One of the paradoxes of this era is that the establishment throughout the eastern Islamic territories of new Turkish dynasties coincided with the genesis and spread into Central and South Asia of vibrant new Persian language and literatures. Exploring the nature of this paradox, separate chapters engage with ideas of kingship, authority, and identity and their fascinating expression through the written word, architecture, and the visual arts. *Glimpses into Other Worlds* Kristy

Shanahan, 2025-04-18 *Glimpses into Other Worlds* will take you on a personal journey through other times and dimensions. It is mostly nonfiction but also stretches the imagination to consider other possibilities and controversies. It is filled with spectacular images from NASA of our universe and other fantastic artwork. You will begin in our universe in the past and consider what some of the ancients thought about the heavens and gods from the heavens through their oral traditions, myths, legends, holy books, and history. From there you will read recent information on UFOs, now UAPs, and some recent well-known UFO incident reports. The words of the witnesses to these events give clear and compelling testimony and impact our limited knowledge of our universe. Then we will examine some of the scientific and technological wonders of what science tells us about our universe. From there you will consider other dimensions from differing perspectives. You will look at ancient oral traditions, myths, legends, and historical beliefs about other dimensions, other worlds, realms. You will learn what scientists currently theorize about other dimensions. Finally, you consider the inner dimension or realm. You will learn about recent prophets, psychics, and scientific attempts to use their skills. Then you will seek the ancient wisdom of classic metaphysics, Hindu metaphysics, and the spirituality of diverse cultures. You will consider recent scientific support for connections between the consciousness of your mind and the entire universe through quantum physics. And this will return you to our universe again, hopefully with new insights into life. As T. S. Eliot said so well: We shall not cease from exploration. And the end of all our exploring will be to arrive where we started. And know the place for the first time. 1. Enjoy your explorations. 1. Eliot, T. S. from *Little Gidding*. Four Quartets.
