Sledge Hammerunder The Gun:

Dirty Harry's America Joe Street, 2018-03-01 Street provides a crucial critical and cultural service by not only studying Eastwood's individual films in sharp detail but also by providing a close and serious analysis of the cultural and historic times of the films. Sam B. Girgus, author of *Clint Eastwood's America*, by far the most comprehensive sustained and detailed discussion of the Dirty Harry phenomenon. A thorough and engaging account of how a fictitious renegade cop became an enduring icon of the angry conservative backlash that sought to halt 1960s liberalism in its tracks. Nick Heffernan, author of *Culture Environment and Ecopolitics*. Clint Eastwood's Dirty Harry became the prototype for a new kind of movie cop: an antihero in pursuit of his own vision of justice. The Dirty Harry series helped cement Eastwood and his character Harry Callahan as central figures in 1970s and 1980s Hollywood cinema. In *Dirty Harry's America*, Joe Street argues that the movies shed critical light on the culture and politics of the post-1960s era and locates San Francisco as the symbolic cultural battleground of the time. Across the entire series, conservative anger and moral outrage confront elitist liberalism and moral relativism. Paying particular attention to the films' representation of crime, family, and community, sexuality, and race, Street maintains that through referencing real events and political struggles, the films themselves became active participants in the culture wars. Unapologetic carrier of right and might, Harry Callahan becomes America's Ur conservative, unbending, moral incorruptible, and most important, always right. Long after the series, Callahan's legacy remains strong in American political discourse, cinema, and pop culture, and he continues to shape Eastwood's later political and cinematic career. Single Season Sitcoms of the 1980s Bob Leszczak, 2016-05-16 As the cable TV industry exploded in the 1980s, offering viewers dozens of channels, an unprecedented number of series were produced. For every successful sitcom, *The Golden Girls*, *Family Ties*, *Newhart*, there were flops such as *Take Five* with George Segal, *Annie McGuire* with Mary Tyler Moore, *One Big Family* with Danny Thomas, and *Life with Lucy* starring Lucille Ball, proving that a big name does not a hit show make. Other short-lived series were springboards for future stars like *Day by Day*, *Julia*, *Louis Dreyfus*, *The Duck Factory*, *Jim Carrey*, *Raising Miranda*, *Bryan Cranston*, and *Square Pegs*, *Sarah Jessica Parker*. This book unearths many single-season sitcoms of the 80s, providing behind-the-scenes stories from cast members, guest stars, writers, producers, and directors. **Video Source Book** Gale Group, 1999-10-28 A guide to programs currently available on video in the areas of movies, entertainment, general interest, education, sports, recreation, fine arts, health, science, business, industry, children, juvenile, how-to, instruction.

Bowker's Complete Video Directory 1996 R. R. Bowker Publishing, 1996 *The Video Source Book* David J. WEINER, 1990 **Field Gun Jack Versus The Boers** Tony Bridgland, 1997-09-05 War broke out in 1899 between the British and South African settlers of Dutch descent, the Boers or Afrikaners, as they are usually called today. Despite previous clashes, the British seriously underestimated their opponents. Although dressed in battered civilian clothes and made up entirely of volunteers, Boer troops were all mounted on horses and had very up-to-date German rifles. An even more

unpleasant surprise than the mounted riflemen were the Boer artillery units. They were the only Boer troops to wear uniforms, were organized on a full time basis and were equipped with excellent German field pieces. The British artillery soon found itself out gunned and out ranged. Some British officers however were capable of adapting to the new conditions in South Africa. Royal Naval vessels anchored off the Cape had powerful long range cannons. It was decided to try bringing these guns ashore and mounting them on improvised carriages for field use. Naval infantry brigades had served in some previous campaigns and proved capable of accompanying the army as gun crews. Their straw hats and naval leggings identifiable in many wartime photographs. Although they were depicted in many wartime drawings and photographs, no serious study of the naval artillery has ever been done. Tony Bridgland has spent many years researching the topic and has produced a study of the technical problems involved in this unique operation as well as a colourful narrative of naval personnel pressed into hazardous service far from the sea.

A treatise on Ordnance and Armor ... With an appendix, referring to gun cotton, hooped guns, etc Alexander Lyman HOLLEY, 1865

The Unchained: Powerful Life Stories of Former Slaves Aphra Behn, Thomas Clarkson, Daniel Drayton, Louis Hughes, Austin Steward, Ida B.
