Slocum 053 Slocum And The Law

Richard Bailey

Slocum 053 Slocum And The Law:

Winning the West with Words James Joseph Buss, 2012-09-13 Indian Removal was a process both physical and symbolic accomplished not only at gunpoint but also through language In the Midwest white settlers came to speak and write of Indians in the past tense even though they were still present *Winning the West with Words* explores the ways nineteenth century Anglo Americans used language rhetoric and narrative to claim cultural ownership of the region that comprises present day Ohio Indiana and Illinois Historian James Joseph Buss borrows from literary studies geography and anthropology to examine images of stalwart pioneers and vanished Indians used by American settlers in portraying an empty landscape in which they established farms towns and civilized governments He demonstrates how this now familiar narrative came to replace a more complicated history of cooperation adaptation and violence between peoples of different cultures Buss scrutinizes a wide range of sources travel journals captivity narratives treaty council ceremonies settler petitions artistic representations newspaper editorials late nineteenth century county histories and public celebrations such as regional fairs and centennial pageants and parades to show how white Americans used language metaphor and imagery to accomplish the symbolic removal of Native peoples from the region south of the Great Lakes Ultimately he concludes that the popular image of the white yeoman pioneer was employed to support powerful narratives about westward expansion American democracy and unlimited national progress Buss probes beneath this narrative of conquest to show the ways Indians far from being passive participated in shaping historical memory and often used Anglo Americans own words to subvert removal attempts By grounding his study in place rather than focusing on a single group of people Buss goes beyond the conventional uses of history giving readers a new understanding not just of the history of the Midwest but of the power of creation narratives

The Law of Contracts William Herbert Page, 1905 *The Whole Story* John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences **Genealogical and Family History of the Wyoming and Lackawanna Valleys, Pennsylvania** Horace Edwin Hayden, Alfred Hand, John Woolf Jordan, 1906 Martindale's American Law Directory , 1900 *Idaho Laws and Decisions, Annotated and Digested* Weldon Brinton Heyburn, 1900 **Yankee Warhorse** Mary Bobbitt Townsend, 2010-03-24 A German born Union officer in the American Civil War Maj Gen Peter Osterhaus served from the first clash in the western theater until the final surrender of the war Osterhaus made a name for himself within the army as an energetic and resourceful commander who led his men from the front He was one of the last surviving Union major general and military governor of Mississippi in the early days of Reconstruction This first full length study of the officer documents how despite his meteoric military career his accomplishments were underreported even in his own day and often misrepresented in the historical record Mary Bobbitt Townsend corrects previous errors about his life and offers new insights into his contributions to major turning points in the war at Vicksburg Chattanooga and Atlanta as well as other battles Townsend draws on battle reports not found in the Official

Records on personal papers and on other nonpublished material to examine Osterhaus's part in the major battles in the West as well as in minor engagements. She tells how he came into his own in the Vicksburg campaign and proved himself through skill with artillery expertise in intelligence gathering and taking the lead in hostile territory blazing the trail down the west side of the river for the entire Union army and then covering Grant's back for a month during the siege at Chattanooga. Osterhaus helped Joe Hooker strategize the rout at Lookout Mountain at Atlanta; he led the Fifteenth Corps, the largest of the four corps making Sherman's March to the Sea. Townsend also documents his contributions in the battles of Wilson's Creek, Pea Ridge, Arkansas Post, Port Gibson, Ringgold Gap, and Resaca and shows that he played a crucial role in Canby's Mobile Bay operations at the end of the war. In addition to reporting Osterhaus's wartime experiences, Townsend describes his experiences as a leader in the 1848-1849 Rebellion in his native Germany, his frustration during his term as Mississippi's governor and his stint as U.S. consul to France during the Franco-Prussian War. Osterhaus stood out from other volunteer officers in his understanding of tactics and logistics, even though his careful field preparation led to criticism by historians that he was unduly cautious in battle. Yankee Warhorse sets the record straight on this important Civil War general as it opens a new window on the war in the West.

Mrs. Russell Sage Ruth Crocker, 2006-11-01 This is the biography of a ruling class woman who created a new identity for herself in Gilded Age and Progressive Era America. A wife who derived her social standing from her robber baron husband, Olivia Sage managed to fashion an image of benevolence that made possible her public career. In her husband's shadow for 37 years, she took on the Victorian mantle of active reforming womanhood. When Russell Sage died in 1906, he left her a vast fortune. An advocate for the rights of women and the responsibilities of wealth for moral reform and material betterment, she took the money and put it to her own uses. Spending replaced volunteer work, suffrage bazaars, and fundraising. Fates gave way to large donations to favorite causes. As a widow, Olivia Sage moved in public with authority. She used her wealth to fund a wide spectrum of progressive reforms that had a lasting impact on American life, including her most significant philanthropy, the Russell Sage Foundation.

Hubbell's Legal Directory for Lawyers and Businessmen ..., 1896

Legal Executions in New England Daniel Allen Hearn, 2015-08-13 Between 1623 and 1960, the date of the last execution, as of 1999, Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont legally put to death more than 700 men and women for a wide variety of capital crimes ranging from army desertion to murder. This is a companion volume to *Legal Executions in New York State* and *Legal Executions in New Jersey*, both published by McFarland. It is comprised of chronologically arranged biographical entries for the executed persons. Each entry gives personal data on the executed person, including age, ethnicity, and gender, as well as a detailed account of the crime for which he or she was sentenced to death and information on the place and method of execution. Fully indexed.
