Harris, 2023-12-17 The Church of the Living God is the only organization in this world that will transcend to the next world and throughout all eternity Everything else in this world will vanish away but God's Church will last for all eternity now and forever God has structured the Church and everyone must know what that structure is The information in this book has been divinely inspired by the Holy Spirit because Scripture is used to answer Scripture It is based on what God says with Scriptures that make it plain The information in this timeless book will change a Church a ministry and also change a Believer's personal walk with the Lord It is group worthy as well as individual worthy of study because God has His Blueprint for His Church and it is all hidden in Scriptures and being able to interpret the language of the Author which is the Holy Spirit will lead us in the wealth of Spiritual prosperity The Holy Spirit is the Designer of God's Blueprint for His Church and He wants us all to understand His way because no prophecy of the Scriptures is of private interpretation He wants us to know how we are individually and collectively designed and knowing this will transform us into His glorious Church This book will help you recognize your place in the Body of Christ His Church as He works on us individually and collectively Till we all come in the unity of the faith and of the knowledge of the Son of God unto a perfect man unto the measure of the stature of the fulness of Christ Ephesians 4:13 This book is profitable for individual Church and group studies It will help you see the spiritual construction from beginning to end from start to finish and we will stand in awe of this great Architect the designer of our souls God our Father and the Lord Jesus Christ **The Gospeller**, 1870

Northfield Echoes, 1895 *Scriptural Baptism* Uuras Saarnivaara, 2003-05-30 As a theological student in Finland Dr Saarnivaara became interested in the question of Scriptural baptism Which baptism he wondered had the most authority the one a person received in infancy or the one received as an adult after a conscious conversion Should he as one who had been baptized in infancy be baptized again after his conversion in order to be a Christian in the Biblical sense or was the baptism he received as a child valid In seeking an answer he studied the Bible and the copious literature on both sides of the question Now in this book cast in dialog form Dr Saarnivaara offers the result of his study examining the question exhaustively from both sides Some of the questions which are thoroughly discussed are Was infant baptism practiced in the time of Christ and the Apostles Did Christ want His Church to practice infant baptism or baptism after conscious conversion Does the New Testament teach baptism as a means of grace or as an act of obedience and confession of faith What does the Bible teach as

the relationship between baptism and regeneration What was the practice and teaching of the post Apostolic and the Ancient Church What was the original method of baptism immersion or pouring or sprinkling In developing his theme Dr Saarnivaara has set forth the pros and cons of this age old and still acute problem with admirable exactitude and lucidity It is easy for the layperson to comprehend but it is not superficial reading From the thousands who regard religious problems like baptism worthy of thoughtful consideration and study however Dr Saarnivaara s book should receive keen attention **Epistola**

Jacobi Joseph Bickersteth Mayor,1913 **Victory Over the Sinful Nature** Bruce C. Salisbury,2022-04-19 Victory over the Sinful Nature This reality can be our hope and encouragement for living with a winning strategy in our lives if we repent and accept God s grace and forgiveness in our hearts As individuals now in the past and in the future we are involved in a spiritual battle between good and evil Satan and his band of soldiers are our enemy Jesus is our Redeemer who fights for us and who loves us unconditionally As we battle daily against temptations and enticements from Satan and his cohorts to commit sins through the truth of God s Word we can have victory in our lives We do not have to be deceived or led astray Understanding the sinful nature and the works of the flesh will help to prevent us from being confused or deceived and will enable us to defeat our enemies spiritually Victory is winning a battle struggle or contest It is being successful in defeating an enemy We can have victory good judgment and understanding of God s Word and will for us The purpose of this book is to help those who read it to understand what the works of the flesh and the temptations that we face daily are and to recognize the difference between the sinful nature and the spiritual warfare we face There is clarification of how the sinful nature operates in a person s life The works of the flesh can prevent us from entering God s kingdom When we look at God s Word we realize and understand that as Christians we are not under the law and with the Holy Spirit we will not gratify the sinful nature The information here is geared to everyone who has an open mind and heart to the Lord and his amazing grace **A MISSIONARY LOOKS AT 12 STEPS TO OVERCOME ADDICTION AND SIN** Richard Lehman,2023-02-28 A Christian based 12 step process helps us to overcome addiction by attaching to the faithful love of the Savior enabling healthy relationships with other people And so a missionary Richard Lehman looks at the 12 step process and prayerfully applies the wisdom of the scriptures to it And in doing so he has also found this process helpful in providing insights into how to work with different individuals to bring them to Christ Richard spends much time training hundreds of other ministers And in addition to helping those addicted this 12 step process has become a key resource for training gospel workers who help those that are addicted Experience has proved that everyone wrestles with deep hurts of some kind There is a deep empty hole in the heart of the soul and it must be filled somehow How we fill that hole or comfort ourselves within that empty space will determine what sin we become addicted to It is sin someone else s or ours that ultimately first creates a void in the heart of the individual Unfaithfulness is the sin of betrayal Someone trusted another with their heart and then that same person broke their heart It happens to children in their relationship with their parents or relatives or trusted others It happens often within many

marriage relationships And it happens within everyone s life at some point by how their own sin betrays the faithful love of the Savior And so people go through life hiding the pain of betrayal Instead of seeking for healing through a loving Savior they resort to other things And in doing so they become addicted to some substance some sin or both And they often don t know where to start to find a way out This book seeks to help them not only start down the right path but to also find complete healing through the love of our Lord Jesus Christ So throughout this 12 step process you will see that the book is addressed to two audiences at the same time Those who need help over addictions and those that are trying to help them And there is an important reason for this Because people who need help to overcome addictions need to completely trust those that are working with them And so if you are using this process to help them these people also want transparency and understanding as to what they are being asked to do and why There can be no hidden agendas in helping people Jesus came so that relationships can be healed He also sent the comforter of the Holy Spirit so that every pain that sinful mankind could bring against us could still be comforted and healed in this life If ye love me keep my commandments And I will pray the Father and he shall give you another Comforter that he may abide with you for ever Even the Spirit of truth whom the world cannot receive because it seeth him not neither knoweth him but ye know him for he dwelleth with you and shall be in you I will not leave you comfortless I will come to you John 14 15 18 **Berrian Bible Commentary** I. Ray Berrian,2017-07-07

What makes this commentary so helpful and valuable to you is that under the guidance of the Holy Spirit I am willing to amplify the exact meaning of each verse without shrouding the intent of Jesus s penmen My intent is to leave you with few questions after reading my exegesis of Holy Scripture On main points I offer multiple texts in both the New and Old Testaments *The Life of Samuel Johnson, LL.D.* James Boswell,1884 **The life of Samuel Johnson ... together with The journal of a tour to the Hebrides.
