Sir Winston The War Years

DP Hallahan

Sir Winston The War Years:

Sir Winston Churchill, 2005 Features highlights of major speeches given by the British prime minister Sir Winston Churchill **Information Division** British Information Services, 1965 *Britain, Palestine and Empire: The Mandate Years* Rory Miller, 2016-04-15 In 1948 Britain withdrew from Palestine bringing to an end its 30 years of rule in the territory What followed has been well documented and is perhaps one of the most intractable problems of the post imperial age However the long standing connection between Britain and Palestine before May 1948 is also a fascinating story This volume takes a fresh look at the years of the British mandate for Palestine its politics economics and culture Contributors address themes such as religion mandatory administration economic development policy and counter insurgency violence art and culture and decolonization This book will be valuable to scholars of the British mandate but also more broadly to those interested in imperial history and the history of the West's involvement in the Middle East *Congressional Record* United States. Congress, 1973 **Working with Winston** Cita Stelzer, 2019-05-14 An original and insightful look at Winston Churchill through the eyes of those who knew him best the women who worked with him throughout his life All politicians adopt a public persona that they believe contributes to electoral success Though they might reflect the character of the politician they reveal only a part of the man What we know less about are the characteristics that Winston Churchill revealed when he was out of the public eye Much has been written about Churchill and of the important world leaders politicians high ranking military personnel with whom he interacted But Churchill also required a vast staff to maintain the intense pace at which he worked When Churchill strode the world stage the secretarial and support staff positions were inevitably filled by women Though extraordinarily talented and valuable to Churchill and his work these women remain unheralded He was not an easy employer He was intimidating with never ending demands who would impose his relentless and demanding schedules on those around him And yet these women were devoted to him though there were times in his political career in which he was decidedly unpopular Many reflect upon their years working for him as the best years of their lives Intelligent and hard working these women were far from sycophants Just as Churchill was no ordinary Prime Minister these women were not ordinary secretaries Indeed in today's terms their titles would be much grander as their work encompassed ultra secret documents and decrypting and reading enemy codes A treasure trove of insight and research *Working with Winston* reveals the man behind the statesman and as well as brings long overdue recognition to the hidden army that like Churchill was never off duty **The Curious World of Wine** Richard Vine, 2012-11-06 *The Curious World of Wine* is a fascinating miscellany about the colorful characters celebrated places and quirky events surrounding wine making Recounting wine tales that are by turns amusing surprising and occasionally a bit naughty wine expert Richard Vine reveals little known facts such as The oldest vineyard still producing grapes is thought to be in Maribor Slovenia where vines up to four hundred years old remain fruitful Plonk a term used to insult any modestly priced wine got its name from the French words for white wine vin

blanc pronounced vawn blawnk which was corrupted to plawnk or plonk Thomas Jefferson was so eager to plant native French vines at his Monticello mansion that he nearly went bankrupt fruitlessly hiring experts to defeat a condition that caused European vines to mysteriously die in North American soil Touching wineglasses as a toast was originally a deft move to exchange a splash of wine into each other's cup to ensure that neither party was being poisoned The Curious World of Wine will keep any wine fan entertained and enlightened from the most erudite connoisseur to Two Buck Chuck devotees

The Memoirs of Field Marshal Montgomery Viscount Montgomery of Alamein, 2006-03-19 In his own words the victor of El Alamein tells his life story in a book that's an absolute joy to read and may be described as a tour de force Belfast News Letter First published in 1958 Montgomery's memoirs cover the full span of his career first as a regimental officer in the Royal Warwickshire Regiment and then as a Staff Officer His choice of the Warwickshires was due to his lack of money He saw service in India before impressing with his courage tactical skill and staff ability in the Great War Despite his tactless uncompromising manner his career flourished between the wars but it was during the retreat to Dunkirk that his true brilliance as a commander revealed itself The rest is history but in this autobiography we can hear Monty telling his side of the story of the great North African Campaign followed by the even more momentous battles against the enemy and sadly the Allies as he strove for victory in North West Europe His interpretation of the great campaign is of huge importance and reveals the deep differences that existed between him and Eisenhower and other leading figures His career ended in disappointment and frustration being temperamentally unsuited to Whitehall and the political machinations of NATO

CBC Times Canadian Broadcasting Corporation, 1963-07-05 **Wisconsin Library Bulletin**, 1953 World War II Spencer C. Tucker, 2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individual's campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war's direction and outcome Readers will understand the motivations behind Japan's decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war's outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the

conflict The lengthy documents volume represents a valuable repository of additional information for student research
