Sisters And Prophets:

Sisters and Prophets Mary Lou Sleeve, 1993 Throughout the 12 portraits and stories of Sisters and Prophets Mary Lou Sleeve weaves brilliant intensely personal stories which remind us that these women are related to us they are family they are our own The author's striking art rendered in Hard Edge form uses vivid colors and stark simplicity to create bold images that tell stories of faith **Dangerous Sisters of the Hebrew Bible** Amy Kalmanofsky, 2014 Fathers sons and mothers take center stage in the Bible's grand narratives Amy Kalmanofsky observes Sisters and sisterhood receive less attention in scholarship but she argues play an important role in narratives revealing anxieties related to desire agency and solidarity among women playing out and playing against their roles in a patrilineal society Most often she shows sisters are destabilizing figures in narratives about family crisis where property patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society **Sermons on Passages from the Prophets** John Mason Neale, 1877

Ethical Prophets along the Way Rufus Burrow, 2019-12-27 The Hebrew prophets of ancient Israel strove to convey God's point of view to the people and the powers at a time when injustice deceit malfeasance and crushing the poor and the oppressed was prominent much like today The prophets spoke courageously and emphatically about God's profound and unrelenting concern and compassion for human beings Much influenced by the theology of prophecy developed by Rabbi Abraham Joshua Heschel this book discusses the nature meaning and relevance of ethical prophecy at a time when democracy in the United States of America and elsewhere is under vicious assault from the religious and secular right and authoritarian politicians who openly flirt with and support murderous dictators sexism homophobia racial bigotry anti-Semitism and hatred of Muslims both in word and practice An examination of the contributions of eight powerful

personalities from the period of American slavery through the post civil rights era Angelina Grimk Ida B Wells Abraham J Heschel James Baldwin Malcolm X Martin Luther King Jr scar Romero and Alice Walker offers a recipe for addressing this state of affairs

Woman as Prophet in the Home and the World R. Mary Hayden Lemmons, 2016-09-15 This first ever interdisciplinary study of woman as prophet shows that in these troubling times ordinary women especially Christian women need to function as prophets by proclaiming in word and deed the indispensability of lovingly seeking the welfare of others More specifically social science shows that the person centered love prophesied by women prophets is able to meet interpersonal challenges within the home and world while philosophy and theology establish that women are able to excel as prophets due to the virtuous dispositions inculcated by femininity the choice to be caring a God centered spirituality and a pro life humanitarian personalist feminism that welcomes male collaborators Facilitating the ability of Christian women to prophesy love are Baptismal graces Thomistic virtues and a much needed prophetic Marian ecclesiology based on what John Paul II calls the prophetism of femininity These interdisciplinary

findings provide an essential resource for educators and students of humanity the theology of women and evangelization These findings emerge first from an investigation into the cognitive and ontological underpinnings of what John Paul II called the feminine genius A second set of findings emerges from exploring the prophetic dimensions of the feminine genius secular feminism s need to adopt the insights of Christianity and the ability of femininity s prophetism to recast both femininity and feminism as Marian prophecies A third set of findings arises from analyzing the spirituality of women prophets within the Christian tradition by considering the conditions necessary for prophesying explicating requisite Thomistic virtues and delving into the spirituality of Hildegard Catherine of Siena Julian of Norwich and Teresa of Avila A fourth set of findings arises from innovative studies of polarization secularization lust romantic love the conditions whereby mothers with careers can flourish and the ability of nuns to combat racism in a small Midwestern town Overall these interdisciplinary investigations explicate the theology of women and show that women who prophesy love either in the order of grace or nature can help heal lives families and culture

Queer Nuns Melissa M. Wilcox, 2018-05-22 An engaging look into the Sisters of Perpetual Indulgence queer activists devoted to social justice The Sisters of Perpetual Indulgence make up an unlikely order of nuns Self described as twenty first century queer nuns the Sisters began in 1979 when three bored gay men donned retired Roman Catholic nuns habits and went for a stroll through San Francisco s gay Castro district The stunned and delighted responses they received prompted these already seasoned activists to consider whether the habits might have some use in social justice work and within a year they had constituted the new order Today with more than 83 houses on four different continents the Sisters offer health outreach support and at times protest on behalf of queer communities In *Queer Nuns* Melissa M Wilcox offers new insights into the role the Sisters play across queer culture and the religious landscape The Sisters both spoof nuns and argue quite seriously that they are nuns adopting an innovative approach the author refers to as serious parody Like any performance serious parody can either challenge or reinforce existing power dynamics and it often accomplishes both simultaneously The book demonstrates that through the use of this strategy the Sisters are able to offer an effective flexible and noteworthy approach to community based activism Serious parody ultimately has broader applications beyond its use by the Sisters Wilcox argues that serious parody offers potential uses and challenges in the efforts of activist groups to work within communities that are opposed and oppressed by culturally significant traditions and organizations as is the case with queer communities and the Roman Catholic Church This book opens the door to a new world of religion and social activism one which could be adapted to a range of political movements individual inclinations and community settings

The Greatest of All the Prophets Russell R. Standish, Colin D. Standish, 2004 **Feminist Companion to the Latter Prophets** Athalya Brenner, 2004-12-07 *On Reading Prophetic Texts* Dijkstra, Bob Prof. Dr. Becking, 2021-09-06 The articles in this volume have been written in memory of the feminist biblical scholar Fokkelen van Dijk Hemmes who died at the early age of 50 The authors endeavour to continue and advance the dialogue with her by evaluating and interacting with

her scholarly legacy Their concern is with various aspects of her work on the Hebrew Bible and they respond in particular to the feminist hermeneutics she developed for reading biblical texts Several articles test her method in application to specific prophetic texts Other contributions focus on aspects of the role of women in the cults of Ancient Israel A third group of essays confronts Fokkelien van Dijk Hemmes approach with more traditional ways of biblical interpretation This book is an important contribution to the ongoing debate on feminist insights into aspects of the literature culture and religion of Ancient Israel *The Living Church* ,1993-07 *Shakespeare's Dialectic of Hope* Hugh Grady,2022-05-19 Shakespeare was fascinated by power throughout his career but also understood its dangers and limits Utopian visions were his solution

Phanuel Daughter of a Prophet Karen Minott,2019-08-05 For many weeks after the accident the evening remained in Phanuel s mind the surprise the shock the blood and the loss Her mind was seized by the very smell and feel of the day and would replay it in an unending loop the unexpected jolt the warm breath of the people thrown against her their perspiring bodies blocking her exit the swarming wailing confused crowd outside and the bloody slaughterhouse feel She was so very grateful but had many questions Why had the Lord chosen her that day to live and not the deacon or the unfortunate others Phanuel Daughter of a Prophet chronicles the amazing life of Phanuel Marrett a Jamaican missionary teacher prophetess and evangelist In a biography that reads more like fiction with its dramatic action and surprising twists we follow Phanuel from her early days as a humble farmer s daughter through her dynamic life as a servant of the Lord **A Thousand Souls: A Young Man's Improbable Journey Begins With a Prophets's Promise** Lee Nelson,2023-07-10 This novel based on Lee Nelson s actual LDS mission to Germany is a pleasing uplifting journey of self discovery The plot twists and heart touching scenes rival any of those found in the author s Storm Testament series Elder Spencer W Kimball laid his warm strong hands on my head and in a raspy voice proceeded to set me apart as a missionary He blessed me that I would be protected from harm that I would enjoy good health and that if I kept the commandments and remained faithful I would be instrumental in bringing a thousand souls to the truth That promise weighed heavily on young Lee Nelson as he began his mission to Germany in the 1960s but also served as a motivator for him in accomplishing the work of the Lord The powerful message will serve as motivation for young readers to serve missions themselves *An Exposition of the Prophet Ezekiel* William Greenhill,1837 **Soul of the Qur'an-Volume 1 , Interpreting the Prophets** James Luther Mays,Paul J.
