

A movie poster for the film 'Sisters in Arms'. The top half features a close-up of two Black women in military uniforms. The woman on the left is in profile, looking down, while the woman on the right looks forward with a determined expression. They are wearing olive green berets and collared uniforms with green buttons. The background is a blue sky with several military aircraft flying. The bottom half of the poster is a large, aged, yellowish-brown envelope with a red and white striped flap. The title 'Sisters in Arms' is written in a large, red, cursive font across the envelope. A circular postmark with the word 'PARIS' is visible on the right side of the envelope, and some faint, illegible text is on the left.

Wright, Christina R. Pinkston, 2022-01-28 Building on various feminist theories of ethos the authors in this collection explore how North American Catholic women from various periods

racism ethnicities sexualities and classes have used elements of the group's positionality to make change. The women considered in the book range from the earliest Catholic sisters who arrived in the United States to women who held the Church hierarchy accountable for the sexual abuse scandals. The book analyzes women such as those in an African American order who developed an ethos that would resist racism. Chapters also consider better known Catholic women such as Dolores Huerta, Mary Daly, and Joan Chittister.

Sisters in Arms Erica Ruppert, 2021-07-23

Michelle de la Fortuna's research brought her back to the lonely Massachusetts coast and to the house of the reclusive Sisters of Providence. For more than sixty years, the Sisters have stood watch here, first against the terrible pandemic that devastated their town and then against a more insidious threat from the depths of the sea. Drawn into the mystery by the last remaining member of the Sisterhood, Michelle begins to unravel the connections between the legends, the Sisters, and her own family history. Generational horror with a great Occult Seventies feel. Erica Ruppert weaves the sea myth and isolation into a novella rich with creepy atmosphere and deft characterization. Recommended.

Scott R. Jones, author of *Stonefish* and *Shout Kill Revel Repeat*

At its core, this is a story about family lore, ghosts, and the old haunting absence caused by an untimely death. The narrative from there is adorned with a woman out to solve the mystery of her own ancestry, a town hollowed out by a pandemic in the early 1900s, and monsters from the sea. Ruppert manages to give readers a story that, while similar to all the trappings of *Innsmouth*, feels new and distinct. *Sisters in Arms* is a reminder of how long death sits with the living, how the past always seems to catch up when we suspect it the least, and of how powerless we are against it.
