**Art, Psychotherapy, and Psychosis** Katherine Killick,Joy Schaverien,1997 Fresh perspectives on the unique role of art therapy in the treatment of psychosis Using clinical material and many examples of clients work experienced practitioners describe working with patients in a variety of settings **Dogfella** James Guiliani,Charlie Stella,2025-05-01 How did a former mob enforcer become a compassionate advocate for animals in need of loving homes How did his hardened heart open up to the plight of abused and abandoned pets James Head Guiliani was an unlikely candidate to become a passionate animal rescuer Raised in a religious family in a blue collar neighborhood James became involved in street gangs at a young age By his mid twenties he d become a 6 2 250 pound enforcer for the Gambino crime family during the reign of infamous mob boss John Gotti But after years of worsening alcohol and drug use and a stretch in the Riverhead Correctional Facility James finally hit bottom It was then that he met Lena Perrelli who helped turn his life around providing the love and support he d rejected in the past And when the couple rescued an abandoned and abused shih tzu the second phase of James s salvation began Lovingly named Bruno the small dog opened the former enforcer s hardened heart and James discovered a new purpose in life as a devoted animal rescuer Dogfella tells how this onetime altar boy from Queens became a gang member a mob confidante an addict and convicted felon and how he found redemption by dedicating his life to animals Alongside his personal journey James shares stories from his rescue missions with Keno s Animal Rescue Shelter in Brooklyn

saving pit bulls from a dogfighting ring driving through six foot snowdrifts to reach 200 cats stranded in a blizzard taking in homeless ducks from Staten Island and many more Sometimes scary sometimes funny and often poignant James s story shows how the love of an animal can bring even the most hopeless cases a new purpose and a path to redemption

Actor-Musicianship Jeremy Harrison,2016-02-25 Actor musicianship is a permanent feature of the musical theatre landscape Actor musician shows can be seen from Bradford to Broadway from village halls to international arena tours However with the exception of a couple of academic papers there has been nothing written about this fascinating area of theatre practice Jeremy Harrison s book addresses this deficit operating as both a record of the development of the actor musician movement and as a practical guide for students educators performers and practitioners It explores the history of actor musicianship examining its origins as well as investigating and offering guidance on how this specialist form of music theatre is created It in turn acts as a means of defining an art form that has to date been left to lurk in the shadows of musical theatre a subset with its own distinctive culture of performer maker and audience but as yet no formal recognition as a specialism in its own right The actor musician show is multifarious and as such this book targets those interested in mainstream commercial work as well as alternative and avant garde theatre practice The book draws together expertise from a range of disciplines with contributions from many of the leading figures in this field including performers directors teachers MDs producers and writers It also features a foreword by theatre director John Doyle *Japanese Culture Through*

*Videogames* Rachael Hutchinson,2019-05-28 Examining a wide range of Japanese videogames including arcade fighting games PC based strategy games and console JRPGs this book assesses their cultural significance and shows how gameplay and context can be analyzed together to understand videogames as a dynamic mode of artistic expression Well known titles such as Final Fantasy Metal Gear Solid Street Fighter and Katamari Damacy are evaluated in detail showing how ideology and critique are conveyed through game narrative and character design as well as user interface cabinet art and peripherals This book also considers how Japan has been packaged for domestic and overseas consumers and how Japanese designers have used the medium to express ideas about home and nation nuclear energy war and historical memory social breakdown and bioethics Placing each title in its historical context Hutchinson ultimately shows that videogames are a relatively recent but significant site where cultural identity is played out in modern Japan Comparing Japanese videogames with their American counterparts as well as other media forms such as film manga and anime *Japanese Culture Through Videogames* will be useful to students and scholars of Japanese culture and society as well as Game Studies Media Studies and Japanese Studies more generally

**Routledge Handbook of the Arab Spring** Larbi Sadiki,2014-12-17 The self immolation of Mohammed Bouazizi in Tunisia in December 2010 heralded the arrival of the Arab Spring a startling yet not unprecedented era of profound social and political upheaval The meme of the Arab Spring is characterised by bottom up change or the lack thereof and its effects are still unfurling today The Routledge Handbook of the Arab Spring seeks to provide a departure

point for ongoing discussion of a fluid phenomenon on a plethora of topics including Contexts and contests of democratisation The sweep of the Arab Spring Egypt Women and the Arab Spring Agents of change and the technology of protest Impact of the Arab Spring in the wider Middle East and further afield Collating a wide array of viewpoints specialisms biases and degrees of proximity and distance from events that shook the Arab world to its core the Handbook is written with the reader in mind to provide students practitioners diplomats policy makers and lay readers with contextualization and knowledge and to set the stage for further discussion of the Arab Spring *Urban Artscapes* Manila Castoro,Carolina Vasilikou,2018-07-10 In recent years artists architects activists and curators as well as corporations and local governments have addressed the urban space They challenge its use and destination and dispute current notions of space legality trade and artistry Emerging art practices challenge old ideas about where art belongs what forms it can take and what political discourses it fosters Selected from papers presented at the 2013 Artscapes conference in Canterbury this collection of new essays explores the dynamic relationship between art and the city Contributors discuss the everyday artistic use of public space around the world from sculpture to graffiti to street photography *All the Yellow Suns* Malavika Kannan,2023-07-11 When a queer Indian American teenager is swept into a life of art romance and resistance she must make up her own mind when it comes to identity activism and love in this story perfect for fans of Aristotle and Dante Discover the Secrets of the Universe Sixteen year old Maya Krishnan is fiercely protective of her friends immigrant community and single mother but she knows better than to rock the boat in her conservative Florida suburb Her classmate Juneau Zale is the polar opposite she s a wealthy white heartbreaker who won t think twice before capsizing that boat When Juneau invites Maya to join the Pugilists a secret society of artists vandals and mischief makers who fight for justice at their school Maya descends into the world of change making and resistance Soon she and Juneau forge a friendship that inspires Maya to confront the challenges in her own life But as their relationship grows romantic painful and twisted Maya begins to suspect that there s a whole different person beneath Juneau s painted on facade Now Maya must learn to speak her truth in this mysterious mixed up world even if it results in heartbreak Between emotional threads of first love and identity comes a powerful exploration of the crusade for social change within a divided community **The Best 371 Colleges** Princeton Review (Firm),2009-07-28 Selects 371 of the best schools based on student feedback and provides information on tuition financial aid housing admission requirements and other statistics **Prizing Children's Literature** Kenneth Kidd,Joseph Thomas Jr.,2016-11-10 Children s book awards have mushroomed since the early twentieth century and especially since the 1960s when literary prizing became a favored strategy for both commercial promotion and canon making There are over 300 awards for English language titles alone but despite the profound impact of children s book awards scholars have paid relatively little attention to them This book is the first scholarly volume devoted to the analysis of Anglophone children s book awards in historical and cultural context With attention to both political and aesthetic concerns the book offers original and diverse scholarship on

prizing practices and their consequences in Australia Canada and especially the United States Contributors offer both case studies of particular awards and analysis of broader trends in literary evaluation and elevation drawing on theoretical work on canonization and cultural capital Sections interrogate the complex and often unconscious ideological work of prizing the ongoing tension between formalist awards and so called identity based awards all the more urgent in light of the We Need Diverse Books campaign the ever morphing forms and parameters of prizing and scholarly practices of prizing Among the many awards discussed are the Pura Belpr Medal the Inky Awards the Canada Governor General Literary Award the Printz Award the Best Animated Feature Oscar the Phoenix Award and the John Newbery Medal giving due attention to prizes for fiction as well as for non fiction poetry and film This volume will interest scholars in literary and cultural studies social history book history sociology education library and information science and anyone concerned with children s literature

**Exodus from the Door of No Return** Roy G. Phillips Phd,2008-10-13 After sixty years Dr Roy G Phillips retired founding campus president at Miami Dade College Homestead Campus returned to his native home in rural Webster Parish outside of Minden Louisiana It took him almost forty years to fulfill a dream a journey that began as a conversation with renowned author Alex Haley culminated with the collection of fascinating stories and then finished in a poignant book that tells the story of his ancestors in their trajectory from Africa to America When he retired in December 2001 Phillips turned to writing piecing together years worth of research The final product Exodus from the Door of No Return Journey of an American Family AuthorHouse was published in September 2006 and revised in October 2008 Phillips family saga mirrors the lives of what arguably could be the tale of most African Americans In the book family is the glue that binds Phillips ancestors from Slavery to Reconstruction Jim Crow Segregation the World Wars the Great Migration of black families out of the South the tumultuous civil rights period of the sixties to the present day Phillips might never have started on the journey of family discovery if it had not been for a chance meeting with Haley who had come to speak at the University of Michigan At that time Haley was in the midst of researching his book Roots and Phillips was completing his doctoral dissertation in urban secondary administration I spent half of the night talking to him about what to do he recalls He said Go and talk to the old folks in your family Get their stories Phillips painstaking tracked down the descendants of the plantation owners James Germany McDade II who owned his great grandfather and other relatives Phillips continues to meet and correspond with the McDades in Shreveport and East Texas He also underwent DNA testing which helped him track both his paternal ancestry to the Mbute people in the Central African Republic and his maternal ancestry to the Mende people in Sierra Leone West Africa

*Banksy* Will Ellsworth-Jones,2024-05-01 While hiding from the limelight Banksy has made himself into one of the world s best known living artists His pieces have fetched millions of dollars at prestigious auction houses He was nominated for an Academy Award for his film Exit Through the Gift Shop Once viewed as vandalism his work is now venerated fans have gone so far as to dismantle the walls that he has painted on for collection and sale But as famous as Banksy is he is also utterly

unknown he conceals his real name hides his face distorts his voice and reveals his identity to only a select few Who is this man that has captivated millions How did a graffiti artist from Bristol England find himself at the center of an artistic movement How has someone who goes to such great lengths to keep himself hidden achieved such great notoriety And is his anonymity a necessity to continue his vandalism or a marketing tool to make him ever more famous Now in the first ever full scale investigation of the artist reporter Will Ellsworth Jones pieces together the story of Banksy building up a picture of the man and the world in which he operates He talks to his friends and enemies those who knew him in his early unnoticed days and those who have watched him try to come to terms with his newfound fame and success And he explores the contradictions of a champion of renegade art going to greater and greater lengths to control his image and his work Banksy offers a revealing glimpse at an enigmatic figure and a riveting account of how a self professed vandal became an international icon and turned the art world upside down in the process      **Safety, Societal Problems and Citizens'**
