

# WHAT TOO LITTLE SLEEP DOES TO YOUR BODY

## Colds.

A study of 164 healthy people found that those who slept <5 hours per night were more likely to get a cold compared to those who slept 7+ hours, regardless of demographics and weight.

## Tummy troubles.

Not sleeping can make the symptoms of **Inflammatory Bowel Disease** and acid reflux worse and may put you more at risk of developing IBD and **inflammatory bowel syndrome**.

## Difficulty learning.

Sleep deprivation **interferes** with our ability to **remember and process** new information. Researchers recommend **pushing back** early work and school start times to help ensure we get enough sleep.

## Irritability and mood swings.

Researchers found that interruptions and disturbances tend to **bother us more** when we haven't slept.

## Headaches and migraines.

Research links **poor sleep quality** to migraines and sleep apnea to headaches.

## Depleted sex drive.

Getting enough sleep is important for promoting **healthy sexual desire and genital response**. It also appears to play a role in **how often** we engage in sexual activity with our partners.

## Poor vision.

Sleep deprivation is linked with **tunnel vision, double vision, and dimness**. The longer you're awake, the more **visual errors** you'll see and the more likely you are to **hallucinate**.

## Weight gain.

When we don't get enough shut-eye, researchers found, we also tend to **snack more** and pick **calorie-rich foods** over lighter ones—especially for kids.

## **Sleep Things That Happen In The Night Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Sleep Things That Happen In The Night has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sleep Things That Happen In The Night has opened up a world of possibilities. Downloading Sleep Things That Happen In The Night provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sleep Things That Happen In The Night has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sleep Things That Happen In The Night. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sleep Things That Happen In The Night. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sleep Things That Happen In The Night, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sleep Things That Happen In The Night has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
