Tarrants,2019-08-06 Riveting inspiring at times hard to believe but utterly true it gives some measure of hope in these rancorous times John Grisham As an ordinary high school student in the 1960s Tom Tarrants became deeply unsettled by the social upheaval of the era In response he turned for answers to extremist ideology and was soon utterly radicalized Before long he became involved in the reign of terror spread by Mississippi s dreaded White Knights of the Ku Klux Klan described by the FBI as the most violent right wing terrorist organization in America In 1969 while attempting to bomb the home of a Jewish leader in Meridian Mississippi Tom was ambushed by law enforcement and shot multiple times during a high speed chase Nearly dead from his wounds he was arrested and sentenced to thirty years in the Mississippi State Penitentiary at Parchman Farm Unrepentant Tom and two other inmates made a daring escape from Parchman yet were tracked down by an FBI SWAT team and apprehended in hail of bullets that killed one of the convicts Tom spent the next three years alone in a six foot by nine foot cell There he began a search for truth that led him to the Bible and a reading of the gospels resulting in his conversion to Jesus Christ and liberation from the grip of racial hatred and violence Astounded by the change in Tom many of the very people who worked to put him behind bars began advocating for his release After serving eight years of a 35 year sentence Tom left prison He attended college moved to Washington DC and became copastor of a racially mixed

church He went on to earn a doctorate and became the president of the C S Lewis Institute where he devoted himself to helping others become wholehearted followers of Jesus A dramatic story of radical transformation Consumed by Hate Redeemed by Love demonstrates that hope is not lost even in the most tumultuous of times even those similar to our own As a kid in Mississippi in the late 1960 s I remember the men of our church discussing the Klan s bombing campaign against the Jews The men did not disapprove Later I would use this fascinating chapter of civil rights history as the backdrop for my novel The Chamber Now one of the bombers Thomas Tarrants tells the real story in this remarkable memoir It is riveting inspiring at times hard to believe but utterly true and it gives some measure of hope in these rancorous times John Grisham Dramatic Simply astonishing Essential reading for these times If you want to understand how the evil of extremist thought works and how the gospel of God s grace can overcome it read this book Mark Batterson New York Times bestselling author of The Circle Maker lead pastor of National Community Church Amazing Gives hope for what God can do Dr John Perkins president emeritus John Perkins Foundation co founder emeritus Christian Community Development Association A riveting narrative Russell Moore president the Ethics Religious Liberty Commission of the Southern Baptist Convention This gripping and inspiring story is as timely as today s headlines Put on your seatbelt and prepare to enter into one of the most extraordinary true stories you ll ever encounter Lee Strobel best selling author of The Case for Christ and The Case for Grace Reveals how easily a political ideology can grow into a radical extreme life taking worldview all the while masquerading for some supposed form of a Christian faith A powerful story Eric C Redmond associate professor of Bible Moody Bible Institute Chicago The Savior Christopher Flory,2023-06-27 Sure to engross fans of Connelly Patterson and Coben Dave Edlund USA Today best selling author of the Peter Savage novels Paul Dodge is ready to return to his normal job as a Parole Agent in Virginia after a much needed and not very restful personal hiatus When a local street woman is found dead he s assigned to work the case despite his personal objections Working outside his normal expertise under a boss he isn t sure he can trust and with a new team Dodge tries to make the best of the bad situation The sooner the case is closed the sooner he can get back to his parole work rather than poking his nose into the life of a serial killer With the killer growing in confidence and an old flame back in town Dodge s personal and professional lives get tested and tangled When accusations fly and tensions rise time is running out for Dodge to find justice for the victims and stop a psychopath before the body count rises again The Savior is the third book in the Paul Dodge series however each book in this thrilling detective series can be read and enjoyed as a stand alone as well as in publication order Engineering News ,1906 **Engineering News and American Contract Journal** ,1917 Parental Incarceration Denise Johnston,Megan Sullivan,2016-03-10 Parental Incarceration makes available personal stories by adults who have had the childhood experience of parental incarceration These stories help readers better understand the complex circumstances that influence these children s health and development as well as their high risk for intergenerational crime and incarceration Denise Johnston examines her own children s experience of her

incarceration within the context of what the research and her 30 years of practice with prisoners and their children has taught her arguing that it is imperative to attempt to understand parental incarceration within a developmental framework Megan Sullivan a scholar in the Humanities examines the effects of her father s incarceration on her family and underscores the importance of the reentry process for families The number of arrested jailed and imprisoned persons in the United States has increased since 1960 most dramatically between 1985 and 2000 As the majority of these incarcerated persons are parents the number of minor children with an incarcerated parent has increased alongside peaking at an estimated 2.9 million in 2006 The impact of the experience of parental incarceration has garnered attention by researchers but to date attention has been focused on the period when parents are actually in jail or prison This work goes beyond that to examine the developmental impact of children s experiences that extend long beyond that timeframe A valuable resource for students in corrections human services social work counseling and related courses as well as practitioners program agency administrators policymakers advocates and others involved with families of the incarcerated this book is testimony that the consequences of mass incarceration reach far beyond just the offender
