

STEEL CHAIR TO THE HEAD

The Pleasure and Pain
of Professional Wrestling

EDITED BY NICHOLAS SAMMOND

Steel Chair To The Head The Pleasure And Pain Of Professional Wrestling

Lowery A. Woodall III

Steel Chair To The Head The Pleasure And Pain Of Professional Wrestling:

Steel Chair to the Head Nicholas Sammond, 2005-01-13 The People's collection of cultural studies essays on wrestling

Professional Wrestling and the Commercial Stage Eero Laine, 2019-11-14 Professional Wrestling and the Commercial Stage examines professional wrestling as a century old theatrical form that spans from its local places of performance to circulate as a popular global product Professional wrestling has all the trappings of sport but is at its core a theatrical event This book acknowledges that professional wrestling shares many theatrical elements such as plot character scenic design props and spectacle By assessing professional wrestling as a neglected but prototypical case study in the global business of theatre Laine argues that it is an exemplary form of globalizing commercial theatre He asks what theatre scholars might learn from pro wrestling and how pro wrestling might contribute to conversations beyond the ring by considering the laboring bodies of the wrestlers and analyzing wrestling's form and content Of interest to scholars and students of theatre and performance cultural studies and sports studies Professional Wrestling and the Commercial Stage delimits the edges of wrestling's theatrical frame critiques established understandings of corporate theatre and offers key wrestling concepts as models for future study in other fields

Performance and Professional Wrestling Broderick Chow, Eero Laine, Claire Warden, 2016-08-12 Performance and Professional Wrestling is the first edited volume to consider professional wrestling explicitly from the vantage point of theatre and performance studies Moving beyond simply noting its performative qualities or reading it via other performance genres this collection of essays offers a complete critical reassessment of the popular sport Topics such as the suspension of disbelief simulation silence and speech physical culture and the performance of pain within the squared circle are explored in relation to professional wrestling with work by both scholars and practitioners grouped into seven short sections Audience Circulation Lucha Gender Queerness Bodies Race A significant re-reading of wrestling as a performing art Performance and Professional Wrestling makes essential reading for scholars and students intrigued by this uniquely theatrical sport

Identity in Professional Wrestling Aaron D. Horton, 2018-03-16 Part sport part performance art professional wrestling's appeal crosses national racial and gender boundaries in large part by playing to national racial and gender stereotypes that resonate with audiences Scholars who study competitive sports tend to dismiss wrestling with its scripted outcomes as fake yet fail to recognize a key similarity both present athletic displays for maximized profit through live events television viewership and merchandise sales This collection of new essays contributes to the literature on pro wrestling with a broad exploration of identity in the sport Topics include cultural appropriation in the ring gender non-conformity national stereotypes and wrestling as transmission of cultural values

#WWE Dru Jeffries, 2019-12-01 The millions of fans who watch World Wrestling Entertainment WWE programs each year are well aware of their role in building the narrative of the sport WWE Professional Wrestling in the Digital Age explores the intersections between media technology and fandom in WWE's contemporary programming and business practices In the Reality Era of

WWE 2011 to the present wrestling narratives have increasingly drawn on real life personalities and events that stretch beyond the story world created and maintained by WWE At the same time the internet and fandom have a greater influence on the company than ever before By examining various sites of struggle and negotiation between WWE executives and in ring performers between the product and its fans and between the company and the rest of the wrestling industry the contributors to this volume highlight the role of various media platforms in shaping and disseminating WWE narratives Treating the company and its product not merely as sports entertainment but also as a brand an employer a company a content producer and an object of fandom WWE conceptualizes the evolution of professional wrestling s most successful company in the digital era Sports Plays Eero Laine, Broderick Chow, 2021-08-19 Sports Plays is a volume about sports in the theatre and what it means to stage sports The chapters in this volume examine sports plays through a range of critical and theoretical approaches that highlight central concerns and questions both for sports and for theatre The plays cut across boundaries and genres from Broadway style musicals to dramas to experimental and developmental work The chapters examine and trouble the conventions of staging sports as they open possibilities for considering larger social and cultural issues and debates This broad range of perspectives make the volume a compelling resource for students and scholars of sport theatre and performance studies whose interests span feminism sexuality politics and race *The Suffering Body in Sport* Kevin Young, 2019-07-24 This volume approaches the study of pain risk and injury in sport from a variety of social scientific perspectives Contributions focus on the manifestations of pain risk and injury within sport cultures and the degree to which the research is rapidly expanding to include new ways of thinking about risky and painful suffering in sport

Celebrities in American Elections Richard T. Longoria, 2022-09-02 Using a case study approach Celebrities in American Elections contends that celebrities have the talent fame and resources to succeed in electoral politics These factors account for the electoral victories of Ronald Reagan Clint Eastwood Fred Grandy Sonny Bono Jesse Ventura Arnold Schwarzenegger Al Franken and Donald Trump However the author argues that these items are insufficient without a favorable political environment as many celebrities have lost elections as have won them They lose because their persona does not match the politics of their time or they represent the minority party in a one party dominated district or state or they advocate for unpopular policies Among those that won nearly half were elected by a plurality not a majority of voters This does not suggest overwhelming public support for celebrity candidates despite their many advantages With a few exceptions celebrities that won tended to also win the fundraising battle while celebrities that lost tended to raise less than their opponent the normal laws of politics still apply The celebrity factor while helpful does not fully explain why celebrities win or lose elections **A Companion to Media Fandom and Fan Studies** Paul Booth, 2018-05-01 A Companion to Media Fandom and Fan Studies offers scholars and fans an accessible and engaging resource for understanding the rapidly expanding field of fan studies International in scope and written by a team that includes many major scholars this volume

features over thirty especially commissioned essays on a variety of topics which together provide an unparalleled overview of this fast growing field Separated into five sections Histories Genealogies Methodologies Fan Practices Fandom and Cultural Studies Digital Fandom and The Future of Fan Studies the book synthesizes literature surrounding important theories debates and issues within the field of fan studies It also traces and explains the social historical political commercial ethical and creative dimensions of fandom and fan studies Exploring both the historical and the contemporary fan situation the volume presents fandom and fan studies as models of 21st century production and consumption and identifies the emergent trends in this unique field of study Canadian Men and Masculinities Wayne Martino, Christopher John Greig, 2012

Canadian Men and Masculinities Historical and Contemporary Perspectives is a provocative new volume that examines men and masculinity across Canadian history and culture and sets it against the broader context of neoliberal globalization This edited collection adopts a multi perspective social inquiry and interdisciplinary approach and takes into careful consideration the intersections of the social and historical construction of gender with race social class sexuality bodily abilities and other social justice factors The chief aim of this book is to examine from historical and contemporary perspectives the production and performance of men boys and embodied masculinity within the Canadian context Within this framework Canadian Men and Masculinities explores a range of issues including modern fatherhood black male athleticism indigenous masculinities wrestling and body building This volume will be a valuable resource for general readers and professionals in sociology history education and social and gender studies **Jim Londos** Steven Johnson, 2024-12-19 The most famous active athlete in the world during the Great Depression was not Babe Ruth Sonja Henie or Babe Didrikson It was a determined Greek immigrant who sailed across the Atlantic Ocean as a 15 year old to escape a demanding father and start a life abroad Jim Londos slept in railcars and firehouses to make ends meet and quickly found refuge on the mat Combining an Old World work ethic with a flair for the dramatic Londos overcame skeptics and antagonists to become pro wrestling's greatest star an international celebrity who walked with presidents prime ministers and the common man He was responsible for keeping wrestling alive during the Depression and representing achievement to ethnic minorities underdogs and women all of whom he attracted in record numbers This complete biography of Jim Londos tells the story of the first great immigrant athlete a man who rescued the soiled sport of wrestling when it was down for the count and brought hope and inspiration to his countrymen and millions worldwide Focus On: 100 Most Popular WWE Hall of Fame Wikipedia contributors,

Grappling with Representation in the WWE Lowery A. Woodall III, 2022-10-03 In this book Lowery A Woodall III explores the ways that diverse populations are portrayed stereotyped and sometimes villainized in the WWE's colorful and dramatic programming Each chapter examines the surprisingly complex and multilayered representation of marginalized populations throughout the modern history of the WWE under the leadership of Vincent K McMahon Through weekly shows like Raw and SmackDown pay per view spectacles like WrestleMania and a vast library of wrestling related material on their streaming

platform Woodall argues that the WWE and McMahon have created calculated and carefully curated representations of diversity that are viewed by millions of fans worldwide What effects do those representations have on the men women and children who consume WWE content How are wrestlers and performers impacted by their on screen portrayals This book explores these questions and demonstrates that when representations are inaccurate or problematic more than just kayfabe is in danger of being broken Scholars of professional wrestling studies media studies and communication studies will find this book of particular interest

How Canadians Communicate V David Taras, Christopher Waddell, 2016-03-15 Fewer Canadians than ever are lacing up skates swimming lengths at the pool practicing their curve ball and experiencing the thrill of competition However despite a decline in active participation Canadians spend enormous amounts of time and money on sports as fans and followers of sporting events and sports culture Never has media coverage of sports been more exhaustive and never has it been more driven by commercial interests and the need to fuel consumerism on which corporate profits depend But the power plays now occurring in the arena of sports are by no means solely a matter of money At issue as well in the media capture of sports are the values that inform our daily lives the physical and emotional health of the population and the symbols so long central to a sense of Canadian identity Writing from a variety of perspectives the contributors to this collection set out to explore the impact of the media on our reception of and attitudes toward sports to unpack the meanings that sports have for us as citizens and consumers Some contributors probe the function of sports as spectacle the escalation of violence controversies over drug use and the media's coverage of tragic deaths while others shed light on the way in which the media serve to transform sports into a vehicle for the expression of identity and nationalism The goal is not to score points but to prompt critical discussion of why sports matter in Canadian life and culture and how they contribute to the construction of identity

Professional Wrestling Sharon Mazer, 2020-01-27 Professional wrestling is one of the most popular performance practices in the United States and around the world drawing millions of spectators to live events and televised broadcasts The displays of violence simulated and actual may be the obvious appeal but that is just the beginning Fans debate performance choices with as much energy as they argue about their favorite wrestlers The ongoing scenarios and presentations of manly and not so manly characters from the flamboyantly feminine to the hypermasculine simultaneously celebrate and critique parody and affirm the American dream and the masculine ideal Sharon Mazer looks at the world of professional wrestling from a fan's eye view high in the stands and from ringside in the wrestlers gym She investigates how performances are constructed and sold to spectators both on a local level and in the big leagues of the WWF E She shares a close up view of a group of wrestlers as they work out get their faces pushed to the mat as part of their initiation into the fraternity of the ring and dream of stardom In later chapters Mazer explores professional wrestling's carnivalesque presentation of masculinities ranging from the cute to the brute as well as the way in which the performances of women wrestlers often enter into the realm of pornographic Finally she explores the question of the real and the fake as

the fans themselves confront it First published in 1998 this new edition of Professional Wrestling Sport and Spectacle both preserves the original s snapshot of the wrestling scene of the 1980s and 1990s and features an up to date perspective on the current state of play Trumping the Media Michael Mario Albrecht,2022-08-11 The ascendancy of Donald J Trump to the office of president was not a fluke Changes in the media environment and changes in the political landscape converged and provided fertile ground for a demagogic populist to exploit existing structures for his personal and political gains A right wing ecosystem had developed that included cable television talk radio social media and imageboards The political rise of Trump occurred alongside a mainstreaming of far right politics and a skepticism towards long established institutions Trump was able to exploit the shifts in politics and the media environment for his political gain He deployed a post truth strategy that challenged established media and political institutions and their claims to be arbiters of truth and protectors of democracy This book explores the shifts in the media environment that made the political career of Donald Trump possible The author shows the ways that Trump was able to inhabit the new media and political landscape and take advantage of journalistic norms and practices that were susceptible to exploitation by a demagogue with no allegiance to the truth and no reverence towards the foundations of liberal democracy Understanding the ways in which Trump was able to emerge as a powerful political force is essential to those invested in challenging the momentum of the alt right and forwarding the project of democracy **The Palgrave Handbook of Sport, Politics and Harm** Stephen Wagg,Allyson M. Pollock,2022-01-01 This book looks historically at the harm that has been inflicted in the practice of sport and at some of the issues debates and controversies that have arisen as a result Written by experts in history sociology sport journalism and public health the book considers sport and injury in relation to matters of social class gender ethnicity and race sexuality political ideology and national identity health and wellbeing childhood animal rights and popular culture These matters are in turn variously related to a range of sports including ancient pre and early industrial sports American football boxing wrestling and other combat sports mountaineering horseracing cycling motor racing rugby football cricket association football baseball basketball Crossfit ice hockey Olympic sports Mixed Martial Arts and sport in an imagined dystopian future **American History through American Sports** Bob Batchelor,Danielle Sarver Coombs,2012-12-18 Filled with insightful analysis and compelling arguments this book considers the influence of sports on popular culture and spotlights the fascinating ways in which sports culture and American culture intersect This collection blends historical and popular culture perspectives in its analysis of the development of sports and sports figures throughout American history American History through American Sports From Colonial Lacrosse to Extreme Sports is unique in that it focuses on how each sport has transformed and influenced society at large demonstrating how sports and popular culture are intrinsically entwined and the ways they both reflect larger societal transformations The essays in the book are wide ranging covering topics of interest for sports fans who enjoy the NFL and NASCAR as well as those who like tennis and watching the Olympics Many topics feature information

about specific sports icons and favorite heroes Additionally many of the topics treatments prompt engagement by purposely challenging the reader to either agree or disagree with the author s analysis

Convergent Wrestling CarrieLynn Reinhard,Christopher Olson,2019-03-04 This book examines how the current era of convergence has affected and is reflected in the world of professional wrestling which combines several different genres including drama action comedy horror science fiction and even romance Professional wrestling s business practices exist at the intersection of bottom up fan centric strategies and strict top down corporate control Meanwhile the wrestlers themselves combine aspects of carnival hucksters actors actresses comedians superheroes martial artists or stuntmen and the narratives consist of everything from social critique to geopolitical allegories and from soap opera melodramas to stereotyped exploitation Bringing together the latest scholarship in the field Convergent Wrestling analyzes various texts business practices and fan activities to explore the commonalities that define professional wrestling and consider how it exists in today s new media ecology In addition the book considers the professional wrestling industry from several different angles from massive multinational conglomerate World Wrestling Entertainment WWE to local indie federations As such it will appeal to scholars with interests in popular culture media and cultural studies and fan practices

Sporting Rhetoric Barry Brummett,2009 Millions of people around the world are engaged in sports and games This volume studies the ways in which engagement is performed in popular culture We do not just watch football we perform by being a fan NBA players do not simply run up and down the court Instead on and off the court they perform certain roles many informed by hip hop culture Such performances are rhetorical they manage attitudes behaviors and predispositions influencing the distribution of power Competitive hot dog eaters bull riding and Mexican wrestlers are some of the other sports and games covered by the contributors The book is unique in bringing together the three themes of sports and games performance and the rhetoric of popular culture and is relevant for both scholarly use and classroom adoption in courses ranging from sport and society rhetoric composition persuasion and argument and popular culture
