DREAM TRAVEL **Nuclear Safety** ,1974 **When Winter Come** Frank Walker,2008-02-01 A sequel to the award
winning Buffalo Dance Frank X Walker s When Winter Come The Ascension of York is a dramatic reimagining of Lewis and
Clark s legendary exploration of the American West By focusing on the humanity and struggles of York Clark s slave When
Winter Come challenges conventional views of the journey s heroes and exposes the deeds both great and ghastly of the men
behind the myth Grounded in the history of the famous trip Walker s vibrant account allows York little more than a forgotten
footnote in traditional narratives to embody the full range of human ability knowledge emotion and experience He is a skillful
hunter who kills his prey with both grace and reverence and he thinks deeply about the proper place of humans in the
natural world York knows the seasons like a book and he can read moss sunsets the moon and a mare s foaling time with a
touch The Native peoples understand and honor York s innate bond with the earth Though his expertise is integral to the
journey s success York s masters do not reward him they know only the way of the lash The alternately heartbreaking and
uplifting poems in When Winter Come are told from multiple perspectives and rendered in vivid detail On the journey York
forges a spiritual connection and shares sensual delights with a Nez Perce woman and he aches when he is forced to leave
her and their unborn son Walker s poems capture the profound feelings of love and loss on each side of this ill fated meeting
of souls When the trek ends and York is sent back to his former home his wife and stepmother air their joys and grievances
As the perspectives of Lewis Clark Sacagawea and others in the party emerge Walker also gives voice to York s knife his
hunting shirt and the river waters that have borne the labors and travels of thousands before and after the Lewis and Clark
expedition Despite fleeting hints that escape is possible slavery continues to bind York and quell the joyful noise in his spirit
until his death Walker s poems however give York his voice after centuries of silence When Winter Come exalts the historical
persona of a slave and lifts the soul of a man York ascends out of his chains out of oblivion and into flight [Aerospace](#)
