## **Steelhead Country:**

**Steelhead Country** Steve Raymond, 2015-09-22 Steelhead Country is not just a collection of random fishing stories. It is a personal and lovingly crafted account of a life spent immersed in a tradition that stretches back generations. Acclaimed flyfisherman and author Steve Raymond paints a picture of the world of steelhead trout that is a realm of vast landscapes of cold mountain rivers flowing down through silent shadowed forests of ragged coastlines honeycombed with hidden harbors and secret bays where bright rivers mingle with the sea. Raymond traces not just the journey of steelhead along the icy gray rivers of the Pacific Northwest but also his own development as a flyfisherman recalling following in his father's footsteps and joining him on quiet waterways. Then steelhead were more a myth than reality, something he only knew from stories. He began to look anywhere he could for information on how to catch this unique elusive fish until finally in a moment of adrenalin-filled excitement he caught his first steelhead. Steelhead Country tells the story of a life in fishing in the same vein as Roderick Haig Brown's *A River Never Sleeps*. Through the joys and challenges of fly fishing for steelhead, Raymond describes and pays tribute to his connection with nature and a great fishing tradition. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home. *Steelhead Country* Steve Raymond, 1994-08-01 A personal account of fly fishing in the Pacific Northwest. [Backcasts](#) Samuel Snyder, Bryon Borgelt, Elizabeth Tobey, 2016-07-11 Many of us probably would be better fishermen if we did not spend so much time watching and waiting for the world to become perfect. Norman Maclean. Though Maclean writes of an age-old focus of all anglers, the day's catch, he may as well be speaking to another deeper accomplishment of the best fishermen and fisherwomen: the preservation of natural resources. Backcasts celebrates this centuries-old confluence of fly fishing and conservation. However religious, however patiently spiritual, the tying and casting of the fly may be no angler wishes to wade into rivers of industrial runoff or cast into waters devoid of fish or full of invasive species like the Asian carp. So it comes as no surprise that those who fish have long played an active foundational role in the preservation, management, and restoration of the world's coldwater fisheries. With sections covering the history of fly fishing, the sport's global evolution from the rivers of South Africa to Japan, the journeys of both native and nonnative trout, and the work of conservation organizations such as the Federation of Fly Fishers and Trout Unlimited, Backcasts casts wide. Highlighting the historical significance of outdoor recreation and sports to conservation in a collection important for fly anglers and scholars of fisheries, ecology, conservation history, and environmental ethics, Backcasts explores both the problems anglers and their organizations face and how they

might serve as models of conservation in the individual trout streams watersheds and landscapes through which these waters flow Hiking California's Wine Country Bubba Suess,2020-04-10 Hiking California s Wine Country covers 67 hikes in the area for hikers of all abilities Up to date trail information and miles and directions will be featured throughout as well as sidebars on local culture trivia and wildlife GPS coordinates are available for all trailheads Field & Stream ,1969-02 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations

fishing these variations form a selective opinionated chronicle of the trends developments and changes in fly fishing from the 1960s to the present Steve Raymond also discusses some of the pioneers of the sport and the fish that make it all possible Nervous Water is a book for everyone who loves fly fishing and all those who enjoy looking beneath the surface Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Rivers of the Heart Steve Raymond, 2015-06-16 Stories are what keep history alive and Rivers of the Heart is the perfect book to keep the history of fly fishing alive Steve Raymond shares some of the best and brightest moments from his nearly fifty years of fly fishing experiences a long fly fishing life that contains ecstasy agony and passion for trout salmon and saltwater gamefish in waters from Canada to the Caribbean northern Scotland to the South Pacific The heart warming stories and funny moments within will delight and charm you to no end Memorable fly fishing partners famous pioneer fly tyers and old fishing friends are only a few of the charming characters you ll meet How did fly patterns get their names What would the perfect river be like What would Dame Juliana Berners be doing if she were alive today Discover the answers to all of these questions and more in this warmly written memoir of the people places things realities and fantasies encountered by the author in his lifetime of fishing he now remembers as his rivers of the heart Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

*Coast Range* Nick Neely, 2017-11-14 Coast the edge of land or conversely the edge of sea Range a measure between limits or the scope or territory of a thing Coast Range the debut collection of essays from writer Nick Neely meticulously and thoughtfully dwells on these intersections and much more The book s title refers to the region in which these essays are set the California and Oregon coastal ranges In deeply moving prose equal parts exhilarating and pensive each essay explores an iconic organism a few geologic so that on the whole the collection becomes a curiosity cabinet that freshly embodies this Pacific Northwest landscape But the book also employs a playful range of forms Just as forest gives way to bluff and ocean here narrative journalism adjoins memoir and lyric essay These associative sensuous and sometimes saturnine pieces are further entwined by the theme of collecting itself beginning with a meditation on the impulse to gather beach agates a semiprecious stone Another essay follows the journey of

salmon from their collection at a hatchery through a casino kitchen to a tribal coming of age ceremony a third is a flitting exploration of hummingbirds

**Trout Quintet** Steve Raymond, 2016-03-01 This is a new book from the Pacific Northwest's finest angling writer There is an abundance of literature on the pleasure and wonder of fly fishing The themes are familiar and well traveled ruminations on aging and the passage of time musings on marriage and balancing the love of friends and families with that of fishing reflections on the need for companionship versus the quiet beauty and solitude of fly fishing Now Steve Raymond takes these well explored subjects and views them through the lens of fiction With flowing prose the five stories in Trout Quintet touch on some of the more salient topics that the flyfisherman faces from the problem of overfishing to the sometimes nonsensical rules that anglers must contend with From the story of a dying man who comes back to life as a rainbow trout to the tale of a young boy and his lucky hat Trout Quintet is a refreshing evocation of the sport that so many women and men love Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

**Six Fish Limit** Steve Raymond,2023-03-28 This collection of six fly fishing tales from the best fly fishing writer in the Pacific Northwest includes The Bonefisherman s Dilemma Freddie

Woodson planned to write a story about his trip to Sugar Cay Bonefish Resort sell it to a fishing magazine and use the money to help pay trip expenses But he didn't count on drinking too much rum falling asleep in a hot tub meeting a cute native girl or losing the only bonefish he managed to hook so there was no story and no money Now he's engaged in an increasingly acrimonious debate with his tax accountant Freddie maintains the expenses for his trip should be tax deductible even without income his accountant disagrees With the tax deadline rapidly approaching Freddie hatches a legally questionable but highly innovative way of deriving some income from the trip Don't try this on your tax return 2 Welcome to the Stub Mountain Fly Shop Vicki Brightman has inherited her father's financially struggling fly shop now her sole means of support Searching desperately for a way to restore the shop's financial health she eventually decides that what works on fish catching them on artificial flies also might work on fishermen With that in mind she concocts a longshot scheme that even she realizes has little chance of working but with nothing else to do she goes ahead anyway and the scheme succeeds beyond her wildest dreams That is as long as she doesn't dream about ethics 3 The Fishlexic World renowned geneticist Timothy Hardhorn dreams of having a son who will grow up to become his lifelong fly fishing partner so when his wife becomes pregnant he manipulates the genes in the embryo to assure just such an outcome When his son Rodney is born he soon surpasses his father's greatest expectations but as the boy grows older Timothy notices some things about him that aren't well quite normal Eventually he concludes that because of his genetic tinkering his son has a peculiar form of dyslexia that afflicts only male fly fishers He believes all the fish he catches are much bigger than they really are 4 Diary of an Unknown Angler Andrew Royster dealer in rare and classic angling books discovers an old diary containing the answer to one of fly fishing's greatest mysteries the lost identity of the young woman fishing companion of Theodore Gordon regarded by many as the patron saint of American fly fishing Was there something besides fishing going on between those two Royster can't wait to publish the answer hoping that by doing so he might obtain his own small slice of angling immortality Then he discovers that once history is made and literature is written it's very hard to change either 5 The Man in Black Waders novella Clint Steele the world's most famous fly fisher is about to go on trial He's being sued for plagiarism by Mickey Cutter obscure author of a single angling book who alleges Steele stole his words and used them in a book of his own For Steele the stakes couldn't be higher he could lose lots of money his reputation maybe even his livelihood When the jury returns its verdict Steele does something highly unexpected apparently upholding the jury's verdict 6 The First Words Ever Written about Fly Fishing I have heard of a Macedonian way of catching fish and it is this Those words attributed to the Roman scribe Claudius Aelianus are believed the first ever written about fly fishing But where did Aelianus hear about the Macedonian way of fishing Where else but at a meeting of his local fishing club OK so it probably didn't really happen that way but who knows Maybe it did
