Hollywood Reborn James Morrison,2010-04-27 Weary from the turbulent sixties America entered the 1970s hoping for calm Instead the war in Vietnam and its troubled aftermath persisted the Watergate scandal unfolded and continuing social unrest at home and abroad provided the backdrop for the new decade The scene was similar in Hollywood as it experienced greater upheaval than at any point since the coming of sound As the studio and star systems declined actors had more power than ever and because many had become fiercely politicized by the temper of the times the movies they made were often more challenging than before Thus just when it might have faded out Hollywood was reborn but what was the nature of this rebirth Hollywood Reborn examines this question with contributors focusing on many of the era s key figures noteworthy actors such as Jane Fonda Al Pacino Faye Dunaway and Warren Beatty and unexpected artists among them Donald Sutherland Shelley Winters and Divine Each essay offers new perspectives through the lens of an important star illuminating in the process some of the most fascinating and provocative films of the decade
