inspires the book's title explains what Salatin means when huge corporate farms confine pigs in cramped and dark pens inject them with antibiotics and feed them herbicide saturated food simply to increase profits they are not respecting them as a creation of God or allowing them to express even their most rudimentary uniqueness that special role that is part of His design Every living organism has a God given uniqueness to its life that must be honored and respected and too often that is not happening today Salatin shows us the long overlooked ethics and instructions in the Bible for how to eat how to shop how to think about how we farm and feed the world Through scripture and Biblical stories he shows us why it's more vital than ever to look to the good book rather than corporate America when feeding the country and your family Salatin makes a compelling case for Christian stewardship of the earth and how it relates to every action we take regarding our food He also opens our eyes to a common misconception many Christians may have about environmentalism it's not a bad thing and definitely not just the province of secular liberals it's really a very good thing part of heeding God's Word With warmth and with humor but with no less piercing criticism of the industrial food complex Salatin brings readers on a fascinating journey of farming food and faith Readers will not say grace over their plates the same way ever again **Razorhurst** Justine Larbalestier, 2015-03-03 Vivid and bloody and bold and fast I feel like Razorhurst is in my bones now 1 New York Times bestselling author Elizabeth Gilbert The notoriously bloody history of a mob run Sydney Australia neighborhood is fertile ground for this historical thriller with a paranormal twist two girls ability to see the many ghosts haunting Razorhurst Sydney's deadly Razorhurst neighborhood 1932 Gloriana Nelson and Mr Davidson two ruthless mob bosses have reached a fragile peace one maintained by razor men Kelpie orphaned and homeless is blessed and cursed with the ability to see Razorhurst's many ghosts They tell secrets that the living can't know about the cracks already forming in the mobs truce Kelpie meets Dymphna Campbell Gloriana's prize moll over the body of the latest of Dymphna's beaux to meet an untimely end a string that's earned her the nickname the Angel of Death Dymphna can see ghosts too and she knows that Gloriana's hold is crumbling one henchman at a time As loyalties shift and betrayal threatens the two girls at every turn Dymphna is determined to rise to the top with Kelpie at her side **The Christian and the Old Testament** Walter C.
