Stellar Short Novels Judy-Lynn Del Rey, 1976 **Gateways to Forever** Mike Ashley, 2007-04-01 This third volume in Mike Ashley's four volume study of the science fiction magazines focuses on the turbulent years of the 1970s when the United States emerged from the Vietnam War into an economic crisis. It saw the end of the Apollo moon programme and the start of the ecology movement. This proved to be one of the most complicated periods for the science fiction magazines. Not only were they struggling to survive within the economic climate they also had to cope with the death of the father of modern science fiction John W Campbell Jr while facing new and potentially threatening opposition. The market for science fiction diversified as never before with the growth in new anthologies the emergence of semi professional magazines the explosion of science fiction in college the start of role playing gaming magazines underground and adult comics and with the success of Star Wars media magazines. This volume explores how the traditional science fiction magazines coped with this from the death of Campbell to the start of the major popular science magazine Omni and the first dreams of the Internet.

The Book of Us Shane Peacock, 2022-10-01 One young man's journey towards understanding his impact on his girlfriend in the context of a culture complacent with the abuse of girls and women. It's the summer before grade twelve and sixteen year old Noah Greene is in the relationship of a lifetime with his brilliant and book smart girlfriend Miranda Owens. But when Miranda overhears his private conversation

with another girl what he says destroys everything they've built shattering Noah's world Determined to make amends Noah sets out to truly understand the harm his words have caused and maybe become worthy enough for Miranda in time for prom Along the way he's been turning his journey into a manuscript called The Book of Us and wants to give it to Miranda to prove to her how far he thinks he's come What did Noah say that upset Miranda so much What will she say when he finally asks her out again Has he been able to mend the harm he's caused or are some things beyond repair
