**My Thoughts** Ronald Oliver, 2018-11-09 In the Book of Habakkuk God answers a question asked of by the prophet by saying the following And the Lord answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 The reason that so many people both believers and nonbelievers are in the conditions they are in is because they have allowed themselves to lose the vision especially the vision of our coming of the Lord Jesus They have all owed themselves to be blinded by the things of this world The apostle Paul stated it like this In whom the God of this world hath blinded the minds of them which believe not lest the light of the glorious gospel of Christ who is the image of God should shine until them 2 Corinthians 4 4 We live in a society that is full of hate violence destruction wars and rumors of wars discrimination prejudice racism poverty atheism no reverence for God for God at all no fear of God Almighty The Bible lets us know The fool hath said in his heart There is no God They are corrupt they have done abominable works there is none that doeth good Psalm 14 1 The reason so many people

both believers and nonbelievers have lost the vision is because they are not seeking the after God they are not turning from their wicked ways This is the reason District Elder Ronald Gene Oliver put together this book *My Thoughts* not only to spread the gospel of Jesus Christ but to let people who have feelings of no hope that God is still alive and that he is still on the throne and in control regardless of all the negativity that exists in the world As has been stated before this book is not about fiction it is not a novel or a group of short stories It is an anthology i e a group of writings on various subjects having been preached taught and presented at different Bible classes church revivals seminars workshops conferences over a span of thirty plus years under the divine inspiration of God s Holy Spirit and impressed upon the heart of this author to put together in writing to touch the heart and soul whomever is the reader **My Thoughts on God** , *Addressing Problematic Sexual*

capable of brave acts What leads people to speak truth to power share bold new ideas or put their lives on the line Most of us chalk it up to personality presuming that our heroes are naturally fearless But what if courage isn't simply a matter of personality What if it's something that any of us can develop In *How to Be Bold* Ranjay Gulati offers a powerful playbook for becoming bolder and braver than we ever thought possible Rather than leaving brave deeds to mythological heroes and resigning ourselves to apathy or cowardice we can train ourselves to step up and act in the face of uncertainty The key Gulati argues is to adopt ways of thinking that allow us to neutralize or moderate our fears By shifting how we see ourselves and the world we can lower the odds that we'll freeze up in the moment while also sustaining courage over prolonged periods We also can inspire others around us to display what Gulati calls collective courage Gulati shares vivid accounts of extraordinary courageous behavior taking readers inside a nuclear reactor under threat of meltdown to the front lines of a war zone and into space with NASA astronauts Connecting these stories with more mundane examples such as the bravery shown by health care workers during the height of the COVID pandemic and by a whistleblower who took the bold step to expose their employer Gulati reveals that what all of these people have in common isn't fearlessness It's the ability to think in ways that help them manage their fears and make courageous action possible We all dream of being heroes and some of us actually live those dreams Whether you're a leader steering your organization through uncertainty an activist standing up for your beliefs or a young person simply looking to live your best most fulfilling life *How to Be Bold* gives you the science based insight and strategies you need to take more action do more good and leave an inspiring legacy
