The Uncovery George A. Wood, Brit Eaton, 2022-07-26 When it comes to Christ centered recovery we the church have work to do Our legalistic box checking one size fits all programs produce astonishingly high failure rates which means far too many people are left to fight addiction mental health problems and suicidal thoughts on their own This begs some critical questions of the church Do we really believe transformational recovery and healing is

possible Do we really have the right systems and structures to support struggling people Do we really carry a kingdom responsibility to restore people gently Do we really take time to ask God what more He would have us do in the recovery space This book is for anyone who can't offer a resounding yes and amen to each of those questions With hearts that beat for those struggling with addictions and mental health issues authors George A Wood and Brit Eaton present A critical reframing of the word recovery and an invitation to answer God's call for more spirit-led trauma-informed ministry Deeper exploration into the origins of addiction mental health problems and suicidal thoughts and the church's responsibility to bring God's healing Powerful supernatural testimonies and stories of hope healing and life restoration as a result of embracing The Uncovery Practical strategies to help Christ-centered recovery leaders bridge the gap between spiritual and scientific communities to better serve struggling people A loose and helpful framework for embracing The Uncovery message Inspiration for recovery leaders to love and lead in a more inclusive sacrificial and Christlike manner while maintaining healthy self-care The goal of The Uncovery is to help the church and the world see recovery through a grace-laced gospel lens Some say recovery is the civil rights movement of our generation because believe it or not recovery is for everyone And if that statement bothers you Recovery might be for you too Every single one of us has some trauma or issue from our past that may still be affecting our life today This book offers readers a not-so-subtle nudge to go deeper in the recovery space for a transformative encounter with Father God to heal from those wounds and lead the promised land life He has planned for us
