Hesselgrave, 1994-05-02 Scripture and Strategy The Use of the Bible in Postmodern Church and Mission Scripture should occupy a central place in the future strategy of churches and their mission But what does that mean practically Amid the many voices in the church who should we listen to What wisdom can we glean from those who ve gone before us In Scripture and Strategy David Hesselgrave serves the church by bringing together ten renowned church leaders and missions visionaries They advise us not to give in to a simplistic understanding and use of Scripture Collectively the contributors emphasize a critical idea that often gets overlooked In short the Bible should not only inform our message it should shape our methods Scripture and Strategy brings diverse issues into conversation It explores topics like contextualization church planting and spiritual warfare in light of biblical interpretation postmodernism and biblical authority This book presses us to look ahead to the future of missions by looking back to God s revelation in the past Step by Step Cliff Keays, 2010 **The Reference Catalogue of Current Literature** , 1906

agreement to satisfy the Law and still save us To this end He wrote the Bible a legally binding contract to offer an escape
