

# *TATTOO* **AFTER CARE**

## **STEP 1**

leave the bandage on the tattoo for 2h-10h. Tattoos will ooze, this is a normal part of the healing process. The bandage will keep airborne bacteria and any other contaminants invading your wound

## **STEP 2**

Make sure your hands have been washed thoroughly before you move the bandage.

## **STEP 3**

After removing the bandage, cleanse the tattooed area with water. Do not scrub the tattoo with a brush or towel (this should not be done until the tattoo has healed). The idea behind the washing is to eliminate any dead cells have been allowed to accumulate on the surface.

## **STEP 4**

Dry the tattooed area by gently patting the area with a clean, sterile towel.

## **STEP 5**

Let the tattoo dry completely (approximately 10 minutes)

## **STEP 6**

Use Polysporin to help heal fast. (You can get it at any pharmacy)

## **STEP 7**

Let the tattoo dry completely (approximately 10 minutes)

## **STEP 8**

Let the tattoo dry completely (approximately 10 minutes)

**AFTER A FEW DAYS YOU MAY NOTICE SOME PEELING AND POSSIBLY A LITTLE SCABBING. IT IS AT THIS POINT IN THE HEALING PROCESS THAT OUR TATTOO WILL BEGIN TO ITCH. RESIST THE URGE TO SATISFY YOUR DESIRE TO SCRATCH, RUB, OR PICK AT THE TATTOO.**

Evangelism in a Post Christian Culture Dr Alastair Ferrie,2008-08-29 Evangelism in a Post Christian Culture is the challenge facing the church today Alastair Ferrie brings more than thirty years experience of preaching the gospel and sharing his faith One of the greatest needs of the growing church is a training program for the whole church in evangelism Those engaged in ministry will find this work invaluable and those committed Christians in the pews will find this book a framework which will revolutionize their effectiveness in evangelism Many Christians will admit to not knowing where to begin This book explains and outlines an approach that can be used effectively in sharing the gospel The material will also be useful for preaching and for use in Bible discussion groups A companion volume to this work Step by Step Aftercare for New Christians is also published by iUniverse Credit for Cover Ray Ferrie The book begins with a discussion on worldview which explains the difficulty we often have in communicating the gospel with a world that has truly become post Christian A five fold foundational Christian worldview is put forward and contrasted with a Darwinian model so prevalent in the world today This is followed by several chapters outlining an approach to evangelism based on the seven signs of John s gospel These things are written that you might believe The book is rounded off with several chapters with the theme I believe because These are arguments that the author has presented in many home Bible studies to help people to see some reasons for believing The world is constantly presented with reasons for NOT believing and it is time for the church to step forward with some reasons for believing

[Why Can't Church Be More Like an AA Meeting?](#) Stephen R. Haynes,2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine
