Natural Creativity will interest craftspeople and artists of all ages and can be used to promote family projects. It teaches how to rediscover awareness, appreciation, and reverence for every little thing in life. It shows us ways to exercise natural creativity using nature's raw materials to make natural crafts, thereby integrating personal creativity and ingenuity with nature. In addition, the book raises awareness about America's early settlers with tales and information that heighten the appreciation of traditional American crafts. In addition, you can use Natural Creativity to guide you on a stimulating journey of creative exploration. Find out more about your natural surroundings as well as your own innate creativity by trying some of the simple and easy-to-follow exercises that are described at the end of each chapter. For more of a challenge, try out the more complicated projects that are scattered throughout the book. These activities make wonderful projects for the whole family to share.
