Stephen Dodson Ramseur Lees Gallant General:

West Virginia History, 1989 *The United Daughters of the Confederacy Magazine* United Daughters of the Confederacy, 1991 **The Writers Directory**, 2013 Becoming Confederates Gary W. Gallagher, 2013-05 In *Becoming Confederates* Gary W. Gallagher explores loyalty in the era of the Civil War focusing on Robert E. Lee, Stephen Dodson Ramseur, and Jubal A. Early, three prominent officers in the Army of Northern Virginia who became ardent Confederate nationalists. Loyalty was tested and proved in many ways leading up to and during the war. Looking at levels of allegiance to their native state, to the slaveholding South, to the United States, and to the Confederacy, Gallagher shows how these men represent responses to the mid-nineteenth century crisis. Lee traditionally has been presented as a reluctant convert to the Confederacy whose most powerful identification was with his home state of Virginia, an interpretation at odds with his far more complex range of loyalties. Ramseur, the youngest of the three, eagerly embraced a Confederate identity, highlighting generational differences in the equation of loyalty. Early combined elements of Lee's and Ramseur's reactions: a Unionist who grudgingly accepted Virginia's departure from the United States but later came to personify defiant Confederate nationalism. The paths of these men toward Confederate loyalty help delineate important contours of American history. Gallagher shows that Americans juggled multiple, often conflicting loyalties and that white southern identity was preoccupied with racial control transcending politics and class. Indeed, understanding these men's perspectives makes it difficult to argue that the Confederacy should not be deemed a nation. Perhaps most important, their experiences help us understand why Confederates waged a prodigiously bloody war and the manner in which they dealt with defeat.

General Stephen Dodson Ramseur Mrs. J. A. Yarbrough, 1926 **Lees Lieutenants 3 Volume Abridged** Douglas Southall Freeman, 2010-06-15 A towering landmark in Civil War literature long considered one of the great masterpieces of military history, now available in a one-volume abridgment. Lee's *Lieutenants* is the most colorful and popular of Douglas Southall Freeman's works. A sweeping narrative that presents a multiple biography against the flame-shot background of the American Civil War, it is the story of the great figures of the Army of Northern Virginia who fought under Robert E. Lee. Dr. Freeman describes the early rise and fall of General Beauregard, the developing friction between Jefferson Davis and Joseph E. Johnston, the emergence and failure of a number of military charlatans, and the triumphs of unlikely men at crucial times. He also describes the rise of the legendary Stonewall Jackson and traces his progress in the Shenandoah Valley Campaign and into Richmond amid the acclaim of the South. The Confederacy won resounding victories throughout the war but seldom easily or without tremendous casualties. Death was always on the heels of fame, but the men who survived among them, Jackson, Longstreet, and Ewell, developed as commanders and men. Lee's *Lieutenants* follows these men to the costly battle at Gettysburg, through the deepening twilight of the South's declining military might, and finally to the collapse of Lee's command and his formal surrender in 1865. To his unparalleled descriptions of men and operations, Dr. Freeman adds an insightful analysis of the

lessons learned and their bearing upon the future military development of the nation Accessible at last in a one volume edition abridged by noted Civil War historian Stephen W Sears Lee s Lieutenants is essential reading for all Civil War buffs students of war and admirers of the historian s art as practiced at its very highest level The Youngest Major General Stephen Dodson Ramseur Joseph Frederick Cline (Jr.),1968 **Arts & Humanities Citation Index** ,1984 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals **Sketches of Maj.-Gen. Stephen Dodson Ramseur** David Schenck,1892* **Sketches of Maj.-Gen. Stephen Dodson Ramseur** David Schenck,2019-02-27 **General Stephen D. Lee** Herman Hattaway,1988-10 A biographical portrait of an exceptional Confederate military figure
