Stephen Lives:

Stephen Lives! Anne Puryear, 1996 *In Black and White* Anant Singh, 2021-11-01 It all began with Charlie Chaplin flickering in black and white on a makeshift screen in their modest home in Springfield which later led to the neighbourhood children happily handing over their coins to 10 year old Anant Singh and his younger brother Sanjeev At age 13 deeply affected by the passing of his father Anant found solace and escape in the moving image to which his father had introduced him The combination of a deep and abiding passion for film and an entrepreneurial spirit were the sparks that lit the flame for Anant as he rewound 16mm reels in a film rental store in Durban first for R1 a day and then for R25 a week In South Africa in the 1970s there were not many career options for a Black person who dreamed big in any business let alone the film industry But before his twentieth birthday Anant was the owner of that store and in a business in which no person of colour had ventured Restrictive legislation was not the only problem all public facilities including cinemas were segregated and any voice raised in opposition to the state was swiftly silenced while censorship across all forms of media including films was strictly enforced By hiring out films classified for whites only to all races and uncensored movies to anyone who wanted to watch them Anant was arrested for breaking the laws he refused to recognise as legitimate He moved on to wider distribution first to cinemas across Africa and then to the international market to setting up Videovision Enterprises and capturing the home video market and finally to putting his heart and soul into producing award winning and important films This extraordinary memoir is a story of professional relationships and of friendships with mentors including Ahmed Kathrada Fatima and Ismail Meer and Nelson Mandela as well as with superstars such as Quincy Jones Sidney Poitier Whoopi Goldberg Amitabh Bachchan Denzel Washington and Idris Elba And it is a testament to determination courage and perseverance to speak up and speak out through the powerful medium of film Little People, BIG DREAMS: Treasury Maria Isabel Sanchez Vegara, Lisbeth Kaiser, 2021-10-05 From the best selling Little People BIG DREAMS series Treasury presents the full stories of 50 dreamers rewritten for an older audience **Hit Nos!!** Sue Ellen Randolph, **Hard Times (MAXNotes Literature Guides)** Oliver Conant, 2013-01-01 REA's MAXnotes for Charles Dickens Hard Times MAXnotes offer a fresh look at masterpieces of literature presented in a lively and interesting fashion Written by literary experts who currently teach the subject MAXnotes will enhance your understanding and enjoyment of the work MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought provoking ideas and questions MAXnotes cover the essentials of what one should know about each work including an overall summary character lists an explanation and discussion of the plot the work's historical context illustrations to convey the mood of the work and a biography of the author Each chapter is individually summarized and analyzed and has study questions and answers **Thomas Hardy** Michael Millgate, 2004 Michael Millgate one of the world's leading Hardy scholars adds 20 years worth of new research to his classic biography He presents new insights into Hardy's writing his private life and his two marriages **Summary of A**

Portrait of the Artist as a Young Man by James Joyce getAbstract AG,2020-02-18 Many an author has written about their coming of age but there is hardly anyone who approached this task as uncompromisingly as James Joyce in *A Portrait of the Artist as a Young Man* Joyce follows the development of his alter ego with painstaking precision from the state of naive childhood to self confident and independent artist It is no accident that the main character's name Dedalus is reminiscent of the Dedalus of Greek mythology who escapes from prison with his self made wings though for Stephen freedom from the confines of his Irish upbringing comes through visits to brothels philosophical debates and solitary walks along the beach Joyce's debut novel foreshadows what was to follow in its wake stylistically and intellectually demanding literature that would define the era of Modernism With *A Portrait of the Artist as a Young Man* Joyce created a masterpiece high art that still is full of life This summary of *A Portrait of the Artist as a Young Man* was produced by getAbstract the world's largest provider of book summaries getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there Find out more at getabstract.com

For the Gay Stage Drewey Wayne Gunn,2017-06-02 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London's West End This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U S and U K and from Ireland Canada Australia New Zealand and South Africa Also included are Puerto Rican Indian and Filipino plays written in English as well as translations from other languages Well over half of the works discussed here appear for the first time in such a study

Without Mercy Russell Ablow,2024-05-01 The New York Times bestselling psychologist and true crime author examines the twisted mind of a doctor driven to kill time and again Dr John Kappler was a well respected physician in dozens of California hospitals yet none of his patients ever imagined that his true calling was murder The horror began the day he secretly attempted to kill three patients including a pregnant

woman who suffered permanent brain damage at his hands Then in a driving rampage Kappler rammed another car stole it and used it as a lethal weapon Yet incredibly his fellow doctors bailed him out of jail and he was soon back on the job Desperate to satisfy his lust for killing Kappler plunged a patient into cardiac arrest Next he pulled the plug on an unconscious man Finally he exploded in a terrifying rage of violence and murder Pressing the accelerator of his car to the floor he cut down a promising young doctor and seconds later maimed a toddler s mom for life In Without Mercy Keith Ablow examines Kappler s many crimes his eventual murder trial and his unsuccessful insanity defense **Loss, Survive, Thrive** Meryl Hershey Beck, 2019-11-22 No one is prepared for the loss of a child No one It feels completely unnatural for children to predecease their parents Although it is not widely known each year there are over 135 000 under 40 year old deaths in the U S alone And according to one study 19% of parents outlive their children often carrying the weight of horrendous grief to their own graves Isolated and alone is how parents often describe the grief process Well meaning friends and family members usually rush to their side in the beginning Once the floral arrangements have wilted and the dinners from caring friends diminish there isn t really much that can be said to bring comfort to a suffering parent especially if those friends haven t experienced it themselves Unfortunately when these caring friends do bring up the loss quite often they say the wrong things Loss Survive Thrive offers a lifeline of hope Each chapter is an inspirational story written by a parent who also experienced the agony of losing a child reclaimed his her vitality and is now living a fulfilling life Every story is authentic and heartfelt designed to uplift and inspire The collective authors reach out through the pages to virtually hold hands with those who are suffering We the contributors have all been there We know their pain and we know about survival And now through our stories we offer comfort and support in helping them get through the toughest time of their lives Bereaved parents share an unspeakable bond And Loss Survive Thrive imparts insight from what s likely the only voices that grieving parents can hear others who have walked in their shoes This book is a giant step toward healing the grieving heart The Many Deaths of Judas Iscariot Aaron Maurice Saari, 2006-05-25 In this bold captivating and controversial book the author combines his own intensely moving personal accounts with incisive scriptural analysis and challenges the reader to reassess what they think they know about Judas Iscariot and suicide Drawing on the memory of his own brother s action in taking his own life Aaron Saari examines Judas Iscariot as the definitive figure of God s abhorrence for suicide and a powerful symbol of the cultural taboo originating from Christian doctrine Instead he argues this ancient condemnation of Judas death is unfounded Judas is instead a literary invention of the Markan community meant to undercut the authority of the Twelve entering the Christian story c 70 CE through the Gospel of Mark Written with passion and clarity and consistently relevant to today s moral issues this book is as much an ideal introduction to biblical studies for the general reader as it is essential reading for students scholars and anyone with an interest in Biblical studies ancient scripture and theology Biblical Illustrator, Volume 5 Exell, Joseph S., Would you like it if one of the greatest preachers could help you prepare your sermons How about
