enthusiasts again and again *Sondheim in Our Time and His* W. Anthony Sheppard, 2022-02-11 *Sondheim in Our Time and His* offers a wide ranging historical investigation of the landmark musical works and extraordinary career of Stephen Sondheim a career which has spanned much of the history of American musical theater *Sondheim in Our Time and His* William Anthony Sheppard, 2022 *Sondheim in Our Time and His* offers a wide ranging historical investigation of the landmark works and extraordinary career of Stephen Sondheim a career which has spanned much of the history of American musical theater Each author uncovers those aspects of biography collaborative process and contemporary context that impacted the creation and reception of Sondheim's musicals In addition several authors explore in detail how Sondheim's shows have been dramatically revised and adapted over time Multiple chapters invite the reader to rethink Sondheim's works from a distinctly contemporary critical perspective and to consider how these musicals are being reenvisioned today Through chapters focused on individual musicals and others that explore a specific topic as manifested throughout his entire career plus an afterword by Kristen Anderson Lopez by digging deep into the archives and focusing intently on his scores from interviews with performers directors and bookwriters and close study of live and recorded productions volume editor W Anthony Sheppard brings together Sondheim's past with the present thriving existence of his musicals *Stephen Sondheim and the Reinvention of the American Musical* Robert L. McLaughlin, 2016-08-11 From *West Side Story* in 1957 to *Road Show* in 2008 the musicals of Stephen Sondheim 1930 2021 and his collaborators have challenged the conventions of American musical theater and expanded the possibilities of what musical plays can do how they work and what they mean Sondheim's brilliant array of work including such musicals as *Company* *Follies* *Sweeney Todd* *Sunday in the Park with George* and *Into the Woods* established him as the preeminent composer lyricist of his if not all time *Stephen Sondheim and the Reinvention of the American Musical* places Sondheim's work in two contexts the exhaustion of the musical play and the postmodernism that by the 1960s deeply influenced all the American arts Sondheim's musicals are central to the transition from the Rodgers and Hammerstein style musical that had dominated Broadway stages for twenty years to a new postmodern musical This new style reclaimed many of the self aware performative techniques of the 1930s musical comedy to develop its themes of the breakdown of narrative knowledge and the fragmentation of identity In his most recent work Sondheim who was famously mentored by Oscar Hammerstein II stretches toward a twenty first century musical that seeks to break out of the self referring web of language *Stephen Sondheim and the Reinvention of the American Musical* offers close readings of all of Sondheim's musicals and finds in them critiques of the operation of power questioning of conventional systems of knowledge and explorations of contemporary identity **Stephen Sondheim - at a Glance** , 2021 Strengthen your students understanding of Stephen Sondheim with this short insightful guide written by our education experts *The ^AOxford Handbook of the Global Stage Musical* Robert Gordon, Olaf Jubin, 2023-11-14 In response to the rapid growth of musical theatre as a global phenomenon *The Oxford Handbook of the Global Stage Musical* offers new scholarly approaches to issues

arising from these new international markets The thirty three essays highlight major aspects of the genre such as the dominance of Western colonialism in its early production and dissemination racism and sexism both in representation and in the industry itself as well as current conflicts between global and local interests in postmodern cultures Featuring contributors from seventeen countries the essays offer informed insider perspectives that reflect the diversity of the subject and offer in depth examinations of specific cultural and economic systems **Stephen Sondheim** Joanne

Gordon,2014-04-23 Stephen Sondheim is an artist with many contradictory facets he is an avant garde composer and lyricist working in the populist art form an apparently dry and acerbic critic who captures all the ambivalent pain of passion an intellectual whose work contains some of the funniest bawdy lines on the Broadway stage He has chosen to confront an audience that is usually looking for escapist literature with the very issues it has fled to the theatre to avoid This collection of original essays takes particular pains to present Sondheim s diversity in a chronological plan that illustrates how each new work grew out of the previous one Some of the topics covered are the evolution of Sondheim s female characters who take us far beyond the usual sweet ingenues the Roman farce antecedents of A Funny Thing Happened on the Way to the Forum and the resemblances between Sondheim s chorus and the chorus in ancient Greek drama Sondheim and the concept musical and Sondheim s maturing philosophy All students of the modern theatre and the modern musical will want to read this book

The Musical William Everett,2011-06-02 The musical whether on stage or screen is undoubtedly one of the most recognizable musical genres yet one of the most perplexing What are its defining features How does it negotiate multiple socio cultural economic spaces Is it a popular tradition Is it a commercial enterprise Is it a sophisticated cultural product and signifier This research guide includes more than 1 400 annotated entries related to the genre as it appears on stage and screen It includes reference works monographs articles anthologies and websites related to the musical Separate sections are devoted to sub genres such as operetta and megamusical non English language musical genres in the U S traditions outside the U S individual shows creators performers and performance The second edition reflects the notable increase in musical theater scholarship since 2000 In addition to printed materials it includes multimedia and electronic resources

Stephen Sondheim Stephen Sondheim,2013 A concise biography into the life and times of composer and lyricist Stephen Sondheim **Reading Stephen Sondheim** Sandor Goodhart,2013-10-28 Stephen Sondheim is arguably the most important writer for the American musical stage today the equivalent in his field of Miller Albee O Neill and Williams Yet he has rarely been treated seriously within the academy Reading Stephen Sondheim A Collection of Critical Essays is an attempt to remedy that situation Bringing together scholars and critics from a wide variety of literary and theoretical perspectives this book undertakes to examine all of Sondheim s major productions and themes The Book of Broadway Eric Grode,2017-06 Whether you re coming to Broadway fresh faced or are an old hand you ll enjoy these 150 profiles of the great musicals to hit the stage including Hamilton **The Oxford Handbook of Sondheim Studies** Robert Gordon,2014-05-01 The Oxford

Handbook of Sondheim Studies offers a series of cutting edge essays on the most important and compelling topics in the growing field of Sondheim Studies Focusing on broad groups of issues relating to the music and the production of Sondheim works rather than on biographical questions about the composer himself the handbook represents a cross disciplinary introduction to comprehending Sondheim in musicological theatrical and socio cultural terms This collection of never before published essays addresses issues of artistic method and musico dramaturgical form while at the same time offering close readings of individual shows from a variety of analytical perspectives The handbook is arranged into six broad sections issues of intertextuality and authorship Sondheim s pioneering work in developing the non linear form of the concept musical the production history of Sondheim s work his writing for film and television his exploitation and deployment of a wide range of musical genres and how interpretation through key critical lenses including sociology history and feminist and queer theory establishes his position in a broader cultural context
