Contemporary Field Social Work Mark Doel, Steven M Shardlow, Steven Shardlow, Paul G. Johnson, 2010-06-29 This text bridges the gap by offering learning activities that can be worked in both settings The book is divided into four main parts that accounts for the major areas of social work practice Part I covers the foundations of practice including self awareness and knowing and learning about the community within one will practice The second part deals with direct practice and covers individual assessment and group work The third part focuses on agency practice and finally the last part covers special issues for consideration including multicultural practice law informed practice ethics specialist and comparative practice Social Work Practice Across Disability Juliet Rothman, 2018-03-13 This book will help prepare the reader to work across disabilities by providing knowledge and training grounded within the ecological framework in four principal areas The four principal areas reader will be trained in are the societal environment and disability disability and the individual experience essential skills for social work micro mezzo and macro practice with people with disabilities and the resource and support network for persons with disabilities The book is organized around four units each of which addresses one of the areas noted It is not the purpose of this book to enable the reader to gain expertise in any one disabling condition or impairment Rather the goal is to provide a broad base of knowledge and skills which will enable the reader to work effectively across a variety of disabling conditions Special educators social workers parents Social Work Field Education

and Supervision Across Asia Pacific Carolyn Noble, Mark Henrickson, 2011-06-27 Social work programs and schools are flourishing in every corner of the globe but especially in east and south east Asia **The Practicum Companion for Social Work** Marla Berg-Weger, Julie Birkenmaier, 2000 The ideal companion for the first field practicum experience this book guides students through their placement while reinforcing the link between social work theory and practice It includes detailed information on the field practicum experience from start to finish including establishing a professional identity working safely making the most of practicum supervision organizational issues micro mezzo and macro social work practice social work and the legal system and terminating effectively from the practicum To make the material more accessible the book follows the progress of four students Ben Cameron Corina and Lauren as they move through their own practicum experiences Their real life stories help spur discussion while helping students apply the knowledge skills and or issues presented in the text To further stimulate critical thinking and discussion the book provides discussion questions and practice applications in each unit Many of the applications were developed in conjunction with agency based field instructors

Engaging with Contemporary Culture Martyn Percy, 2016-04-29 Theology and the churches are often considered to be at the margins of contemporary culture frequently struggling for identity and attention In this important new book Martyn Percy argues that a rich form of practical theological engagement is needed if the churches are to comprehend their situation in the modern world thereby enabling them to engage more confidently with society Drawing on a range of perspectives in the religion culture debate and from case studies in the USA and Europe the book explores the myriad of ways in which culture is now shaping contemporary Christianity and how vital an appreciation of this dynamic is for the self understanding of churches and theology This book explores the crucial and continuing contribution that theology can make to public life in an era that is often perceived to be dominated by consumerism and secularity It will especially appeal to scholars of contemporary religion practical theologians and all those who are engaged in ministerial formation *A Field Guide for Social Workers* Shelagh Larkin, 2018-06-25 Integrating theory with practice *A Field Guide for Social Workers Applying Your Generalist Training* helps students understand and overcome the challenges of field education This comprehensive text provides the necessary tools to develop and demonstrate core competencies set forth by the Council on Social Work Education CSWE using author Shelagh Larkin s generalist field education approach grounded in generalist practice literature Integrative activities and reflection questions directly apply generalist training to field experience Students will be equipped to meet the goals of the field and realize their potential as generalist practitioners Social Work Education Through Open And Distance Learning Bishnu Mohan Dash, **Resources in Education** , 1998 **From the Front Lines** Juliet Cassuto Rothman, 2005 Using the NASW Code of Ethics as a framework this text outlines the elements of ethical decision making to provide students with a framework for recognizing defining and solving ethical dilemmas Real life comprehensive and interesting cases are drawn from the fields of child welfare family practice medical social work and social

justice among others Rothman stresses the importance of collecting solid information and then using one of three alternative frequently used theories and principles Gewirth's Ethical Principles Hierarchy Loewenberg and Dolgoff's Ethical Principles Screen and Beauchamp and Childress Bioethics Model for solving ethical dilemmas In response to student demand for a casebook that relates directly to situations they might encounter in the field this text includes 30 student contributed ethics cases Useful and practical examples of ethical problems information needed to achieve proper resolution and the students thought processes were edited to support and reflect the six Ethical Standards in the new NASW Code of Ethics *The Transformation of Social Work Education through Virtual Learning* R. Paul Maiden, 2019-09-12 Over the past few years numerous highly ranked Tier 1 universities across the United States have embraced the development of advanced online degrees a niche of secondary education long held by a small group of private for profit universities Rapid advances in online learning technology increasingly sophisticated and easy to use learning management systems and anytime anywhere access has dramatically increase the demand of individuals mostly full time employed working professionals This volume addresses the dramatic changes that are occurring in social work pedagogy as more schools develop online programs The University of Southern California Suzanne Dworak Peck School of Social Work launched their Virtual Academic Center with a cohort of 80 online students The program has now reached a steady state of 2 200 virtual students now representing two thirds of their MSW student population Additionally the school launched a doctorate of social work degree with a focus on leading and managing innovation leading public discourse and management of large complex systems This book essentially tells the USC story with the challenges faced in embracing this new technology teaching social work courses in an online environment as well as pedagogical enhancements made by faculty in converting traditional campus based courses to the virtual environment
