## **Stepping Stones Of The Steward A Faith Journey Through Jesus Parables:**

*Stepping Stones of the Steward* Ronald E. Vallet, 1994 Now thoroughly revised with significant changes in chapters dealing with faith and money and environmental issues Vallet's inspirational study teaches Christians how to gain a sense of purpose how to properly use resources talents and money and how to reach out with compassion for the welfare of others and for the planet

**Congregations at the Crossroads** Ronald E. Vallet, 2006-08-11 The most vital question confronting the church in North America at the turn of the century is whether it can in the face of the myriad distractions of modern society remember who it is what it is called to do and especially whose it is In this volume Ronald Vallet explores the biblical basis for stewardship with major emphasis on God's promises and commands to help congregations become the households of God that he intends them to be Vallet also discusses several church related issues that affect the life and practices of congregations today He deals with fantasies and fears about money in the congregation shows the central role that authentic worship plays in focusing congregations on God examines the proper roles of pastors and laity and considers the prevailing concepts and practices of modern culture that can entangle today's churches Vallet's work provides an insightful map for churches as they confront the confusing crossroads of life in our world

*The Steward Living in Covenant* Ronald E. Vallet, 2001 *The Steward Living in Covenant* discusses the theme of stewardship from a fruitful new perspective Ronald Vallet explores Old Testament stories from creation to Isaiah linking the life of the steward to the theme of covenant a first for books in this area Written as an Old Testament parallel to Vallet's acclaimed *Stepping Stones of the Steward* this book reclaims the Old Testament foundations of a fully biblical theology of stewardship Vallet looks especially at the promise and command aspects of God's covenant with his people as a vital dimension of what it means to be a genuine steward

**To Give or Not to Give** John Rowell, 2007-01-03 John Rowell sets out a program that will enable affluent churches in the West to give generously across cultures without fear of promoting dependent hierarchical relationships

*More Than Money* Patrick H. McNamara, 2000-05-01 *More than Money* is a wondrous journey to 11 congregations across the United States that have been transformed by living out stewardship that is more than fundraising Important factors emerge from the lively descriptions and records of dialogue between McNamara and the pastors and lay leaders he visited The pastor's leadership is a linchpin of stewardship endeavor they are willing to talk directly with their members about money The churches take seriously a biblical and theological vision of their mission and are willing to be counter cultural in reaching toward that vision In these churches membership is viewed as carrying a high level of meaning and responsibility

*WealthWatch* Michael S. Moore, 2011-05-12 The purpose of this book is to help postmodern Westerners understand what the Bible has to say about wealth and possessions basing itself on the presumption that a nobody can understand themselves apart from some recognition of their spiritual roots and b that these roots sink deeper into the pages of the Bible than most Westerners realize Focusing upon that part of the Bible most widely recognized to be its ideological core that which is called Torah by some

Pentateuch by others it interprets this great text against other great texts in its literary historical environment including a some epic poems from Mesopotamia b some Jewish texts from Syria Palestine and c some Nazarene parables from the Greek New Testament
