Self to Lose, Self to Find Marilyn Vancil, 2020-09-01 Discover the growth that s possible when we understand our authentic selves as God intended by exploring more deeply the Enneagram tool paired with profound scriptural insights This book is a gem It s one of the top five books I recommend on the Enneagram Ian Morgan Cron author of The Road Back to You An accessible biblical and practical roadmap for anyone who wants to live fully into their true authentic God given identity I highly recommend it Brenda Salter McNeil author of Becoming Brave The Enneagram a system of nine interconnected personality types has been developed over many years to offer opportunities for personal development and provide a foundation for understanding others Now a certified Enneagram coach shows how a scriptural perspective can lead us to a path of freedom In Self to Lose Self to Find Marilyn Vancil unpacks our human dilemma sets the scriptural foundation explores the nine Enneagram personalities and shows us practical ways to have a more meaningful life and healthier relationships At its best the Enneagram doesn t merely describe who we are but shows us why we do what we do It invites us to see the innate gifts and inclinations of our original design the person we were before trials and traumas began to shape us It also reveals the strategies and false narratives that keep us from becoming who we re truly meant to be Vancil offers a compelling biblical case for the Enneagram by drawing from John 12 24 which describes how we like seeds construct a protective coat that helps us survive in a world where we encounter challenges and insecurities But for us to truly live a fruitful life we must allow the protective coat to soften and fall away in order to grow This is what sets Vancil apart as both a seasoned Enneagram expert and a spiritual director Within a scriptural context she demonstrates how the Enneagram can be a vehicle for growth and transformation by laying out the realities of each Enneagram type affirming the inherent genius of each type showcasing the unhealthy tendencies of each type s false self and illuminating the undeniable path to freedom for each one Combining rich biblical wisdom with Enneagram wisdom and real life experiences this compelling resource is a must for anyone who longs for a happier freer life

Stepping Out S. T. Stone, 2015-07-29 Self deprecating and disarmingly humorous Stone shares the results of his personal study of the Bible digging into Scripture and frequently drawing homespun biblical applications from his own life in order to clarify some truths about faith Stone admits he didn't set out to write a spiritual autobiography but that's more or less what his book is and it's the book's greatest strength for both newcomers and lifelong Christians Kirkus Reviews Spiritual conversions are as varied as snowflakes But once the initial excitement fades away a new convert is faced with a dilemma Where do I go from here This book attempts to answer that question The first part of Stepping Out was inspired by the Old Testament quotation Can two walk together except they be agreed Amos 3:3 KJV It will show that God the Father intends for us to be like Christ God the Son enables us to be like Christ and God the Holy Spirit empowers us to be like Christ The second part of the book discusses seven things that all believers should hold fast to no matter where they are in their spiritual walk 1 Know that the Lord is God 2 Know that you are a sinner and that you are lost without Christ 3 Know that Christ has saved you and that you are a child of God 4 Know that you must come clean 5 Know that God will protect you 6 Know that Christ will come again 7 Know love
