Six Days In The Dark Ferhat Akbaş ,2025-09-18 This is the story of seven different lives intersecting within the same subway carriage Mert from Turkey Eleanor from England Maria from Russia Olivia from South America Beatriz from Spain Marco from Italy and Sophie from France One morning the ground quaked The earth cracked The city tilted The sky fell silent And along with hundreds of others seven strangers found themselves in the same darkness They clung only to each other This is not just a story of a disaster but of being human Seven people born in different lands raised speaking different languages having lived different lives But that morning their pasts were left behind Because there are moments when No language matters no nationality is recognized Only the human is seen And what remains together is examined It is the story of lives from all over the world touching in the shadows of Istanbul A narrative where colors beliefs and paths intertwine A place where borders become meaningless and only existence remains It is not the earthquake itself but the upheaval within the human being that is essential here And that upheaval does not separate people it unites them Because what holds us together is not only the desire to live but our power to remain good And good people while passing through time and pain silently find a place in each other s hearts They share hope in the midst of darkness they approach each other not with words but with the silent language of their hearts Because true closeness is born not from words but from hearts leaning silently against each other

Supreme Court , **Dark Horse** Gary Brothers,2011-05-25 Thought provoking and emotionally inspirational this poetry is truly a new age style Gary was born to middle class parents in the very quiet west end of Toronto Canada in 1950 His home bordered the Etobicoke ravine where he grew up playing hockey on its open air creek He eventually graduated high school two years early because of academic achievements He went on to marry and have two beautiful children and moved to a rural Ontario town to raise them He coached and played hockey for years until the children were grown His writing came forth naturally and has followed him to his early retirement as he built his dream home on a lake with one of his best friends It has been a rocky road at times but the writing that has emerged from it
