The Steps of Bonhoeffer: a Pictorial Album...The Life, Times, and Thought of a Hero of Our Time Presented in Photographs and Text ,1971 Dietrich Bonhoeffer

Elizabeth Raum,2003-09-03 Nazi Germany produced an unusual group of Christian martyrs among them the nun philosopher Edith Stein the mystical philosopher Simone Weil and the peasant conscientious objector Hans JSgerstatter but perhaps none so complex as the Lutheran theologian Dietrich Bonhoeffer Born into a large upper middle class professional family that was not particularly devout or observant his father was one of the leading psychiatrists in Germany Dietrich early in life decided he wanted to be a Christian theologian Yet his family background and connections insured that he wouldn t be one in the narrow mold of so many of his colleagues Opportunities for travel to Spain North Africa Mexico Cuba America twice and England often gave him a broad horizon of possibilities The greatest thing about America for him was his experiences in Harlem and his friendships with African Americans His great regret was that he missed an opportunity to travel to India to meet Gandhi He was one of the few German churchmen who spoke forthrightly against the persecution of Jews as Jews and not merely of Christians of Jewish descent How much of this was due to his beloved 90 year old grandmother Sophie who defied the Nazi ban on shopping in Jewish stores I buy the things I need where I like His family connections drew him into a dangerous double game His employment as a member of the Counterintelligence Office of the High Command of the Armed Forces enabled him to continue work as a pastor and seminary director It allowed him to travel abroad where he worked for a negotiated peace And it eventually drew him into the plot to kill Hitler an ethical stand which many German Christians of his generation couldn t understand or forgive He was executed on 9 April 1945 three weeks before Hitler committed suicide He was thirty nine years old The life of Dietrich Bonhoeffer has been told at great length and in magnificent detail by his younger colleague Eberhard Bethge It s a biography that will never be surpassed but which only the most devoted will have the perseverance to read Elizabeth Raum has retold the story concisely and readably for a whole new generation of readers

Pacifism, Just War, and Tyrannicide David M. Gides,2012-03-02 Dietrich Bonhoeffer s perplexing and controversial shift from admitted pacifism to tyrannicide has been the source of scholarly and popular inspiration and criticism How could an admitted Christian pacifist be involved in a plot to assassinate a political figure Is there a way to understand and explain this phenomenon comprehensive enough to encompass all relevant data One that takes into account the nuances of Bonhoeffer s theology and all of the elements of his complex historical and personal contexts This study attempts to offer an explanation by linking Bonhoeffer s political thinking and action with his

understanding of the church world relationship and by evaluating the changes in that thought action dyad as his life progressed What emerges is a portrait of a bold and visionary thinker and political agent whose church world theology while discontinuous is consistent enough to be authentic and yet flexible enough to meet the extraordinary challenges presented by Nazism and its intrusion into the churches Gides suggests that it is actually Bonhoeffer's malleable church world thinking that ultimately distinguishes him from his theological and ecclesial contemporaries and even from the mass of German church persons and citizenry it allowed him to confront evil by reaching beyond the constraints of traditional Lutheran thinking *The National Union Catalogs, 1963-1964* **Spiritual Care** Dietrich Bonhoeffer, Bonhoeffer says spiritual care is a function of the congregation and that it is an aspect of the broader more encompassing activity of proclamation In Spiritual Care we are confronted with the awesome truth that in speech God's presence is known and that speech is also our own in silence God's presence is known and that silence is also our own The text demands us to consider how the gospel message is brought to people in the midst of their personal lives and his message and counsel use the tools given within the traditional life of the church so that such grace becomes enacted enfolded and incarnate in the Christian community

Strange Glory Charles Marsh, 2015-04-28 Winner Christianity Today 2015 Book Award in History Biography Shortlisted for the PEN Jacqueline Bograd Weld Award for Biography In the decades since his execution by the Nazis in 1945 Dietrich Bonhoeffer the German pastor theologian and anti Hitler conspirator has become one of the most widely read and inspiring Christian thinkers of our time With unprecedented archival access and definitive scope Charles Marsh captures the life of this remarkable man who searched for the goodness in his religion against the backdrop of a steadily darkening Europe From his brilliant student days in Berlin to his transformative sojourn in America across Harlem to the Jim Crow South and finally once again to Germany where he was called to a ministry for the downtrodden we follow Bonhoeffer on his search for true fellowship and observe the development of his teachings on the shared life in Christ We witness his growing convictions and theological beliefs culminating in his vocal denunciation of Germany's treatment of the Jews that would put him on a crash course with Hitler Bringing to life for the first time this complex human being his substantial flaws inner torment the friendships and the faith that sustained and finally redeemed him *Strange Glory* is a momentous achievement

Bonhoeffer Eberhard Bethge, 1979 **Waiting for Gospel** Douglas John Hall, 2012-04-16 Christianity as faith centered in Jesus as the Christ came to be called got a foothold in the world and for a vital and vocal minority changed the world because it proclaimed a message that awakened men and women to possibilities for human life that they had either lost or never entertained That message the first Christian evangelists and Jesus himself according to the record called euangelion good news gospel For its first two or three hundred years Christianity was largely dependent for its existence upon the new zest for life that was awakened in persons who heard and were as they felt transformed by that gospel and at various and sundry points in subsequent history the Christian movement has found itself revitalized by the spirit of that same good news

in ways that spoke to the specifics of their times and places The lesson of history is clear the challenge to all serious Christians and Christian bodies today is not whether we can devise yet more novel and promotionally impressive means for the transmission of the Christian religion let alone this or that denomination it is whether we are able to hear and to proclaim gospel We do not need statisticians and sociologists to inform us that religion and specifically our religion as the dominant expression of the spiritual impulse of homo sapiens in our geographic context is in decline We do not need the sages of the new atheism to announce in learned tomes and on buses that God probably does not exist The sea of faith has been ebbing for a very long time from the Introduction **Choice** Richard K. Gardner,Phyllis Grumm,1976 Дитрих Бонхёффер.
