Reynolds,2021-09-28 Now an Apple TV documentary Lincoln s Dilemma One of the Wall Street Journal s Ten Best Books of the Year A Washington Post Notable Book A Christian Science Monitor and Kirkus Reviews Best Book of 2020 Winner of the Gilder Lehrman Abraham Lincoln Prize and the Abraham Lincoln Institute Book Award A marvelous cultural biography that captures Lincoln in all his historical fullness using popular culture in this way to fill out the context surrounding Lincoln is what makes Mr Reynolds s biography so different and so compelling Where did the sympathy and compassion expressed in Lincoln s Second Inaugural With malice toward none with charity for all come from This big wonderful book provides the richest cultural context to explain that and everything else about Lincoln Gordon Wood Wall Street Journal From one of the great historians of nineteenth century America a revelatory and enthralling new biography of Lincoln many years in the making that brings him to life within his turbulent age David S Reynolds author of the Bancroft Prize winning cultural biography of Walt Whitman and many other iconic works of nineteenth century American history understands the currents in which Abraham Lincoln swam as well as anyone alive His magisterial biography Abe is the product of full body immersion into the riotous tumult of American life in the decades before the Civil War It was a country growing up and being pulled apart at the same time with a democratic popular culture that reflected the country s contradictions Lincoln s lineage was considered auspicious by Emerson Whitman and others who prophesied that a new man from the West would emerge to balance North and South From New England Puritan stock on his father s side and Virginia Cavalier gentry on his mother s Lincoln was linked by blood to the central conflict of the age And an enduring theme of his life Reynolds shows was his genius for striking a balance between opposing forces Lacking formal schooling but with an unquenchable thirst for self improvement Lincoln had a talent for wrestling and bawdy jokes that made him popular with his peers even as his appetite for poetry and prodigious gifts for memorization set

him apart from them through his childhood his years as a lawyer and his entrance into politics No one can transcend the limitations of their time and Lincoln was no exception But what emerges from Reynolds s masterful reckoning is a man who at each stage in his life managed to arrive at a broader view of things than all but his most enlightened peers As a politician he moved too slowly for some and too swiftly for many but he always pushed toward justice while keeping the whole nation in mind Abe culminates of course in the Civil War the defining test of Lincoln and his beloved country Reynolds shows us the extraordinary range of cultural knowledge Lincoln drew from as he shaped a vision of true union transforming in Martin Luther King Jr s words the jangling discords of our nation into a beautiful symphony of brotherhood Abraham Lincoln did not come out of nowhere But if he was shaped by his times he also managed at his life s fateful hour to shape them to an extent few could have foreseen Ultimately this is the great drama that astonishes us still and that Abe brings to fresh and vivid life The measure of that life will always be part of our American education     **Junior Reviewers** ,1951     *When Sorry Is Not Enough* Millie Gray,2014-09-17 Four years on from discovering their true heritage Sally and Luke have overcome their animosity to forge a trusting brother sister relationship So when Luke returns home from his post as a detective in the Hong Kong police force he asks Sally for help to prove the innocence of his friend Irish locked up in prison for the murder of his wife Luke believes Irish was set up and wants Sally s help to prove it But Sally already has her hands full As well as tending her flourishing business empire she must also pick up the pieces when her family from her feckless sister Josie to her self centred daughter Margo runs into trouble Moreover she must put her own dreams on hold because the man she loves is not free to be with her Facing betrayal and humiliation at the hands of her so called loved ones can Sally bring herself to forgive those who have wronged her How can she help Luke And what can she do when sorry is not enough     Reflections of a Black Man Curtis Campbell,2006-09 Reflections of a Black Man is a story of a boy named Chris who grows up to be a respectable man Through his growth he encounters various obstacles that will either break him or make him a stronger person Chris learns that manhood and respectability is not a right that is given but it is something that he has to earn through sweat tears and hard work During his journeys through life to find himself Chris ends up in several life changing binds that only he can resolve In the end family prayer and lessons learned will ultimately see him through     Amateur Filmmaking Laura Rascaroli,Gwenda Young,Barry Monahan,2014-02-27 With the advent of digital filmmaking and critical recognition of the relevance of self expression first person narratives and personal practices of memorialization interest in the amateur moving image has never been stronger Bringing together key scholars in the field and revealing the rich variety of amateur filmmaking from home movies of Imperial India and film diaries of life in contemporary China to the work of leading auteurs such as Joseph Morder and P ter Forg cs Amateur Filmmaking highlights the importance of amateur cinema as a core object of critical interest across an array of disciplines With contributions on the role of the archive on YouTube and on the impact of new technologies on amateur filmmaking these essays offer the first comprehensive examination of this
