entertainment to millions of people the sitcom is a window into the culture of the day Many of these sitcoms tapped into the decade's sense of cynicism failure and alienation providing much needed laughter for the masses Shows like *Rising Damp* and *Fawlty Towers* were classic encapsulations of worn out run down Britain while the likes of *Dad's Army* looked back sentimentally at a romanticised English past For the first time the stories behind the making of every sitcom from the 1970s are told by the actors writers directors and producers who made them all happen This is nostalgia with a capital N an oral history the last word and an affectionate salute to the kind of comedy programme that just isn't made anymore **Steptoe & Son: The Complete First Series**, Creating Australian Television Drama Susan Lever, 2020-11-13 Television drama has been the dominant form of popular storytelling for more than sixty years shaping the imaginations of millions of people This book surveys the careers of the central creators of those stories for Australian television the writers who learnt how to work in a new medium adapting to its constraints and exploring its creative possibilities Informed by interviews with many writers it describes the establishment of Australian television drama production observing the way writers grasped the creative and business opportunities that television presented It examines the development of Australian versions of the major television genres the sitcom the police drama the historical series docudrama and social drama presenting a canon of significant Australian television drama productions that deserve to be remembered It offers an account of the emergence of work by Indigenous writers for television and it argues for the consideration of television drama alongside histories of Australian film and stage drama For years Susan Lever has been talking to Australia's best television writers about their work their craft and their industry Now it's all here in this book a toast to a vital part of Australian culture Geoffrey Atherden This is a wonderful book Meticulously researched and engagingly written it tells in fascinating detail from the writers' points of view the story of Australian scripted television from its beginnings in the 1950s to the present Better yet Susan Lever has allowed the writers themselves to speak about the work about their visions and processes their joys and frustrations I am delighted to see television drama docudrama and comedy acknowledged so generously for their role in Australian culture Sue Smith Brilliantly researched lucid comprehensive the big picture on writers for the small screen in Australia Ian David

Catalog of Copyright Entries Library of Congress. Copyright Office, 1977 American Remakes of British Television Carlen Lavigne, Heather Marcovitch, 2011-03-31 Ever since Norman Lear remade the BBC series *Till Death Us Do Part* into *All in the Family* American remakes of British television shows have become part of the American cultural fabric Indeed some of the programs currently said to exemplify American tastes and attitudes from reality programs like *American Idol* and *What Not to Wear* to the mock documentary approach of *The Office* are adaptations of successful British shows Carlen Lavigne and Heather Marcovitch's *American Remakes of British Television Transformations and Mistranslations* is a multidisciplinary collection of essays that focuses on questions raised when a foreign show is adapted for the American market What does it mean to remake a television program What does the process of Americanization entail What might the success or failure of a

remade series tell us about the differences between American and British producers and audiences This volume examines British to American television remakes from 1971 to the present The American remakes in this volume do not share a common genre format or even level of critical or popular acclaim What these programs do have in common however is the sense that something in the original has been significantly changed in order to make the program appealing or accessible to American audiences The contributors display a multitude of perspectives in their essays British to American television remakes as a whole are explained in terms of the market forces and international trade that make these productions financially desirable Sanford and Son is examined in terms of race and class issues Essays on Life on Mars and Doctor Who stress television's role in shaping collective cultural memories An essay on Queer as Folk explores the romance genre and also talks about differences in national sexual politics An examination of The Office discusses how the American remake actually endorses the bureaucracy that the British original satirized

Something Completely Different Jeffrey S. Miller, 2000-01-01 Between Emma Peel and the Ministry of Silly Walks British television had a significant impact on American popular culture in the 1960s and 1970s In Something Completely Different Jeffrey Miller offers the first comprehensive study of British programming on American television discussing why the American networks imported such series as The Avengers and Monty Python's Flying Circus how American audiences received these uniquely British shows and how the shows' success reshaped American television Miller's lively analysis covers three genres: spy shows, costume dramas, and sketch comedies In addition to his close readings of the series themselves Miller considers the networks' packaging of the programs for American viewers and the influences that led to their acceptance including the American television industry's search for new advertising revenue and the creation of PBS

Psychodelia and Other Colours Rob Chapman, 2015-09-01 In Psychodelia and Other Colours acclaimed author Rob Chapman explores in crystalline detail the history, precedents, and cultural impact of LSD from the earliest experiments in painting with light and immersive environments to the thriving avant-garde scene that existed in San Francisco even before the Grateful Dead and the Fillmore Auditorium In the UK he documents an entirely different history and one that has never been told before It has its roots in fairy tales and fairgrounds, the music hall and the dead of Flanders fields in the Festival of Britain and that peculiarly British strand of surrealism that culminated in the Magical Mystery Tour, Sgt. Pepper's Surferdelica and the Soft Machine light shows and love-ins the mind-expanding effects of acid were to redefine popular culture as we know it Psychodelia and Other Colours documents these utopian reverberations and the dark side of their moon in a perfect portrait
