## **Steve Roper And Wahoo :**

**Steve Roper and Wahoo** Allen Saunders, Elmer Woggon, John Saunders, 1987      **Big Chief Wahoo** Eastern Color, 2017-07 You can enjoy again or for the first time The comic reprints from ecomicspace.com are reproduced from actual classic comics and sometimes reflect the imperfection of books that are decades old These books are constantly updated with the best version available Characters and story Wahoo was a short Native American in a ten gallon hat who was played for laughs but showed courage loyalty and common sense It was whites who were often the targets of the jokes Wahoo Paleface full of prunes and of vigorous defenses of Native Americans e.g. December 16 1941 Wahoo was rich due to the discovery of oil on his land back in Teepee Town spelled both ways in the strip and headed to New York City to find his girlfriend Minnie Hacha who had gone away to college and was now a beautiful singer in a nightclub On the way he was joined by Gusto who liked Wahoo's medicine so much that he bottled it up for sale as Ka Zowie Kure All Gusto continued as a support character through August 1939 and then was dropped For more on Wahoo see Elmer Woggon article for a picture of Wahoo Gusto and Minnie see Woggon's biography card at the National Cartoonists Society The strip initially revolved around humorous tales such as stories about people trying to cheat Wahoo out of his money or fish out of water tales of Wahoo in New York or Hollywood But from the beginning it was a continuity strip and had already moved into serious adventure by 1940 when a dashing young photojournalist named Steve Roper was introduced Sundays continued to do gags until rejoining the main plot line in 1944 By World War II Roper was the lead in war oriented adventures and the strip was retitled Chief Wahoo and Steve Roper in 1944 then Steve Roper and Wahoo in 1946 and in 1947 simply Steve Roper as Wahoo and Minnie were written out last seen on February 26 and November 19 1947 respectively As a very different kind of strip now its artwork lost its earlier cartoonishness ghosted by artists like Woggon's brother Bill Woggon Don Dean and from December 1945 to July 1954 Pete Hoffman But Woggon remained the strip's letterer and researcher until 1977 shortly before his death in 1978      **World War II and the Postwar Years in America** William H. Young, Nancy K. Young, 2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history describing the everyday activities of Americans as they dealt first with war and then a difficult transition to peace and prosperity The two volume World War II and the Postwar Years in America A Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions this encyclopedia drills down to the popular culture of the 1940s bringing the details of the lives of ordinary men women and children alive The work covers a broad range of everyday activities throughout the 1940s including movies radio programming music the birth of commercial television advertising art bestsellers and other equally intriguing topics The decade was divided almost evenly between war 1940 1945 and peace 1946 1950 and the articles point up the continuities and differences between these two periods Filled
