Rowley, 2013-04-01 Every year more than thirty five million people from all over the world visit Las Vegas only two million call the city home Everyday Las Vegas takes a close look at the lives of those who live in a place the rest of the world considers exotic even decadent Using broad research including interviews with more than one hundred Las Vegans Rex Rowley who grew up in Las Vegas examines everyday life in a place that markets itself as an escape from mundane reality Rowley considers such topics as why people move to Las Vegas the nature of their work and personal lives the impact of growth and rapid change and interaction with the overwhelmingly touristic side of the city He also considers the benefits and perils of living in a nonstop twenty four hour city rich in entertainment options and easy access to gambling drugs and other addictions His examination includes the previously unstudied role of neighborhood casinos patronized by locals rather than tourists and the impact that a very mobile population has on schools churches and community life Rowley considers the very different ways people perceive a place as

insiders or outsiders a dichotomy that arises when tourism is a mainstay of the local economy His work offers insights into what Las Vegas can teach us about other cities and American culture in general It also contributes to our understanding of how people relate to places and how the personality of a place influences the lives of people who live there The Story That Wouldn't Die Christina Estes,2025-08-19 Emmy Award winning reporter Christina Estes uses her twenty year career for inspiration for her mysteries In *The Story That Wouldn't Die* Jolene Garcia refuses to stop investigating but someone is determined to kill the story and maybe her Phoenix Arizona TV reporter Jolene Garcia is fresh off winning her first Emmy and committed to covering stories that matter to her community But Jolene's managers want stories that grab immediate attention and generate clicks not ones that take time to develop When a beloved small business owner dies in a car crash Jolene isn't convinced it was an accident He'd been raising questions about who keeps getting lucrative deals at city hall questions that powerful people don't want answered The deeper Jolene digs the more suspicious things she uncovers Exposing greed ambition and deception could become the biggest story of Jolene's career Her bosses tell her to drop it But there's a story here and Jolene's going to find it *Living a Dog's Life* Cindy Adams,2007-03-06 The swell of dog love that met Cindy Adams everywhere she went after the publication of *The Gift of Jazzy* made it clear that Jazzy's fans were primed for the next installment And since in Cindy's own words Yorkies are like peanuts You can't stop at just one her decision to bring Juicy into the family gave her ample ammo to do just that But it wasn't long until her beloved Jazzy who had become her closest family member and helped her cope with her husband's death passed away unexpectedly Cindy was devastated Jazzy's paw prints had been indelibly imprinted on her heart and nothing and nobody would ever replace him Cindy was certain she would never love again But as her relationship with Juicy grew and the loving single minded pooch claimed her rightful place in the center of Cindy's lap she realized that yet again a wise four legged companion had shown her that Life is good Life goes on With her signature wit smarts and taste for celebrity dish Cindy Adams shares the life lessons she learned from both her saviors Juicy and Jazzy What If YOU Are the Answer?
