Stevie Smith F Spalding:

Stevie Smith Frances Spalding,2002 This updated edition of the classic biography questions the accepted perception of Stevie Smith as a recluse Stevie Smith R. Huk,2004-12-10 In this first book length study of Stevie Smith Romana Huk reassesses the work of this major twentieth century woman writer as emerging not only from the practices of female literary modernism but also from within the tumultuous cultural context of mid century Europe Huk considers both the poems and the novels in the light of their cultural and literary context Amongst the work treated here is Smith s rarely discussed trilogy of novels *Novel on Yellow Paper* *Over the Frontier* and *The Holiday* Stevie Smith ,1990 **In Two Minds** Kate Bassett,2014-10-01 *In Two Minds* is the first comprehensive biography of Jonathan Miller the story of one of post war Britain s most intriguing polymaths Descended from immigrants who fled Tsarist anti Semitism to become shopkeepers in Ireland and London s East End Miller was born into an intellectual milieu between Bloomsbury and Harley Street the son of a novelist and a leading child psychiatrist Miller trained as a doctor but then forged a career as a stellar comedian and as a world renowned theatre and opera director He is a controversial humorist public intellectual and TV personality As a star in the groundbreaking satirical revue *Beyond the Fringe* he shot to fame alongside Peter Cook Dudley Moore and Alan Bennett His expertise and interests encompass many areas from medicine he wrote and presented the hugely acclaimed BBC documentary series *The Body in Question* to the history of art Mozart atheism and the nature of laughter Jonathan Miller is one of the most multi talented Britons of his generation celebrated for his dazzling intelligence and anti establishmentarian wit Drawing on in depth interviews this is an entertaining and illuminating portrait of a fascinatingly complex man *A Historical Dictionary of British Women* Cathy Hartley,2013-04-15 This reference book containing the biographies of more than 1 100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2 000 years of British life Most of the lives included are those of women whose work took them in some way before the public and who therefore played a direct and important role in broadening the horizons of women Also included are women who influenced events in a more indirect way the wives of kings and politicians mistresses ladies in waiting and society hostesses Originally published as *The Europa Biographical Dictionary of British Women* this newly re worked edition includes key figures who have died in the last 20 years such as The Queen Mother Baroness Ryder of Warsaw Elizabeth Jennings and Christina Foyle **Stevie Smith and the Aphorism** Noreen Masud,2023-01-23 Explores the literature of Stevie Smith with particular emphasis on the importance of the aphorism a short witty saying which expresses a general truth It argues that the aphorism offers Smith a means of managing emotional statements in her work enabling her to make and make light of sincere or dramatic communications *Reading London's Suburbs* G. Pope,2015-12-17 A study of London suburban set writing exploring the links between place and fiction This book charts a picture of evolving themes and concerns around the legibility and meaning of habitat and home for the individual and the serious challenges that suburbia sets for literature

Political and Social Issues in British Women's Fiction, 1928-1968 E. Maslen, 2001-02-20 In *Political and Social Issues in British Women's Fiction 1928-1968* Elizabeth Maslen reassesses fiction written by women between the granting of universal franchise and the advent of new wave feminism Through close readings of a wide range of novels Maslen analyses how writers chose to represent such issues as pacifism and the threat of fascism war race and class and gender exploring in the process how the writers' priorities affect their decisions on how to write **Stevie Smith and Authorship** William May, 2010-08-12 This book is a full length study of the British novelist poet and illustrator Stevie Smith 1902-1971 It draws on extensive archival material to offer new insights into her work challenging conventional readings of her as an eccentric It reveals the careful control with which she managed her public persona reassesses her allusive poetry in the light of her own conflicted response to written texts and traces her simultaneous preoccupation with and fear of her reading public William May considers the influence of artists such as George Grosz and Aubrey Beardsley on her apparently artless illustrations and explores her use of fiction and book reviews as a way of generating contexts for her poetry offering readers a fascinating in depth study that not only radically alters our understanding of Smith and her work but provides new perspectives on British twentieth century poetry and its reception **Rhythms of Feeling in Edward Lear, T. S. Eliot, and Stevie Smith** Jasmine Jagger, 2022 Rich with unpublished material and detailed insight *Rhythms of Feeling* offers a new reading of three of the most celebrated poets Edward Lear T. S. Eliot and Stevie Smith Tracing exciting lines of interplay affinity and influence between these writers for the first time the book shifts the terms of critical debate on Lear Eliot and Smith and subtly reorients the traditional account of the genealogies of Modernism Going beyond a biographically framed close reading or a more general analysis framed by affect theory the volume traces these poets' affective rhythms fits tears nerves to consider the way that poetics the mental and physical process of writing and reading and the ebbs and flows of their emotional weather might be in dialogue Attentive acute and often forensic the book broadens its reach to contemporary writers and medical accounts of creativity and cognition Alongside deep critical study this volume seeks to bring emotional intelligence to criticism finding ways of speaking lucidly and humanely about emotional and physical states that defy lucidity and stretch our sense of the human Provided by publisher Lesbian Lives Nicky Hallet, 1999 Examining cultural representations of lesbianism Hallet offers a fascinating exploration of identity sexuality and gender **Poets**, 1998 *Alan Turing's Manchester* Jonathan Swinton, 2022-05-26 Alan Turing is a patron saint of Manchester remembered as the Mancunian who won the war invented the computer and was all but put to death for being gay Each myth is related to a historical story This is not a book about the first of those stories of Turing at Bletchley Park But it is about the second two which each unfolded here in Manchester of Turing's involvement in the world's first computer and of his refusal to be cowed about his sexuality Manchester can be proud of Turing but can we be proud of the city he encountered Am I a Snob? Sean Latham, 2018-08-06 Is there a great divide between highbrow and mass cultures Are modernist novels for by and about snobs

What might Lord Peter Wimsey Mrs Dalloway and Stephen Dedalus have to say to one another Sean Latham's appealingly written book *Am I a Snob* traces the evolution of the figure of the snob through the works of William Makepeace Thackeray Oscar Wilde Virginia Woolf James Joyce and Dorothy Sayers Each of these writers played a distinctive role in the transformation of the literary snob from a vulgar social climber into a master of taste In the process some novelists and their works became emblems of sophistication treated as if they were somehow apart from or above the fiction of the popular marketplace while others found a popular audience Latham argues that both coterie writers like Joyce and popular novelists like Sayers struggled desperately to combat their own pretensions By portraying snobs in their novels they attempted to critique and even transform the cultural and economic institutions that they felt isolated them from the broad readership they desired Latham regards the snobbery that emerged from and still clings to modernism not as an unfortunate by product of aesthetic innovation but as an ongoing problem of cultural production Drawing on the tools and insights of literary sociology and cultural studies he traces the nineteenth century origins of the snob then explores the ways in which modernist authors developed their own snobbery as a means of coming to critical consciousness regarding the connections among social economic and cultural capital The result Latham asserts is a modernism directly engaged with the cultural marketplace yet deeply conflicted about the terms of its success

Modern British Women Writers Vicki K. Janik, Del Ivan Janik, 2002-11-30 The 20th century witnessed several major cultural movements including modernism anti modernism and postmodernism These and other means of understanding and perceiving the world shaped the literature of that era and with the rise of feminism resulted in a particularly rich body of literature by women writers This reference includes alphabetically arranged entries on 58 British women writers of the 20th century Some of these writers were born in England while others such as Katherine Mansfield and Doris Lessing came from countries of the former Empire or Commonwealth The volume also includes entries for women of color such as Kamala Markandaya and Buchi Emecheta Each entry is written by an expert contributor and includes an overview of the writer's background an analysis of her works an assessment of her achievements and lists of primary and secondary sources The volume closes with a selected general bibliography

Rosamond Lehmann Selina Hastings, 2012-02-29 The life of Rosamond Lehmann was as romantic and harrowing as that of any of her fictional heroines Her first novel the shocking *Dusty Answer* became wildly successful launching her career as a novelist and just as her novels depicted the tempestuous lives of her heroines Rosamond's personal life would be full of heartbreaking affairs and lost loves Escaping from a disastrous early marriage Rosamond moved right into the heart of Bloomsbury society with Wogan Philipps Later on she would embark on the most important love affair of her life with the poet Cecil Day Lewis nine years later he abandoned her for a young actress a betrayal from which she would never recover Selina Hastings masterfully creates a portrait of a woman whose dramatic life work and relationships criss crossed the cultural literary and political landscape of England in the middle of the twentieth century The Publishers Weekly, 1988

Roaring Boys Judith Cook, 2006-04-20 With the help of anecdotes this book aims to recreate the lives and times of the playwrights and actors such as Shakespeare Christopher Marlowe and Jonson as well as the world in which they lived from 1578 when Burbage built the first purpose built theatre to 1620 when the great age came to its end **On Sympathy**

Sophie Ratcliffe, 2008-05-15 What happens when we engage with fictional characters How do our imaginative engagements bear on our actions in the wider world Moving between the literary and the philosophical Sophie Ratcliffe considers the ways in which readers feel when they read and how they understand ideas of feeling *On Sympathy* uses dramatic monologues based on *The Tempest* as its focus and broaches questions about fictional belief morality and the dynamics between readers writers and fictional characters The book challenges conventionally accepted ideas of literary identification and sympathy and asks why the idea of sympathy has been seen as so important to liberal humanist theories of literary value Individual chapters on Robert Browning W H Auden and Samuel Beckett who all drew on Shakespeare's late play offer new readings of some major works while the book's epilogue tackles questions of contemporary sympathy Ranging from the nineteenth century to the present day this important new study sets out to clarify and challenge current assumptions about reading and sympathetic belief shedding new light on the idea and ideal of sympathy the workings of affect and allusion and the ethics of reading
