Stewards Of The Story The Task Of Preaching:

Stewards of the Story James Earl Massey, 2006-01-01 In this insightful study James Earl Massey offers an expanded version of the Twelfth Annual William E Conger Jr Lectures on Biblical Preaching that he delivered at Beeson Divinity School in February 2004 Through a unique collection of informative lectures and illustrative sermons the highly esteemed teacher and preacher considers four dimensions of the preacher as steward of the gospel story Pastors will warmly welcome this book as it provides them with both practical guidance and insight about their identity as preachers **Preaching from**

Inside the Story Jeffrey W. Frymire, 2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle s foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching Crossover Preaching Jared E.

approach to stewardship reorients both individuals and congregations toward their true purpose as stewards who have been baptized into Christ Stewardship will help pastors to teach and preach stewardship as a call to repentance and new life

Dem Dry Bones Luke A. Powery, 2012-12-01 In an age when the so called prosperity gospel holds sway in many Christian communities or the good news of Christ is reduced to feel good bromides it would seem that death has little place in contemporary preaching Embracing the vision of the valley of dry bones in Ezekiel 37 as a metaphor for preaching in the Spirit acclaimed homiletician Luke Powery asserts that death is the context for all preaching In fact the Spirit leads preachers to the context of death each Sunday in order to proclaim a word of life that ultimately breathes hope into people s lives Yet many preachers avoid death because they are at a loss of what to say about it and do not realize its vital connection to the substance of Christian hope As a result the church is too often left with sermons that are fundamentally devoid of hope Dem Dry Bones aims to remedy some of the theological and homiletical shortcomings in contemporary preaching by looking closely at the African American spirituals tradition Through this study Powery demonstrates how to preach in the Spirit so that proclaiming death becomes an avenue toward hope In short no death no hope

Questions Preachers Ask Scott Black Johnston, Ted A. Smith, Leonora Tubbs Tisdale, 2016-10-01 How do we preach in a way that affirms Christian theology while also honoring the insights of other faith traditions How do we preach about and help create genuine Christian community in a social networking culture Questions Preachers Ask examines many questions that are on the minds of preachers today questions that focus on how to preach the gospel in a culture where biblical knowledge cannot be presumed and where the Bible is often viewed as untrustworthy Well known preachers scholars and authors including Barbara Brown Taylor Gail O Day Anna Carter Florence Richard Lischer and Thomas Lynch provide the answers This book compiled to honor writer preacher teacher and scholar Thomas G Long at the end of his teaching career addresses practical questions such as How do we proclaim the good news to young adults who are on the margins of church or have left it and How do we preach to faith communities that are highly diverse Perfect for preachers at any stage of their ministry these essays offer hope and guidance for handling the difficult task of preaching in today s congregations

Can Words Express Our Wonder? Rosalind Brown, 2009 Can Words Express Our Wonder is written to help preachers recognize and put to use the rich array of gifts and resources they have been given for the exercise of this ministry whether week by week with a local congregation as an occasional or supply preacher or at critical times in people s lives at pastoral services

Reverberating Word Michael Denham, 2018-06-12 Like sounds of beautiful music worship can renew us for God s glory and our good by the invigorating power of God s reverberating Word It is God s story that redeems all our stories We want to tell it again and again as best we can clearly conveying its message meaning richness claim and call Through its every facet and component worship that is biblically expositional can heighten how we proclaim God s story faithfully and creatively pointing to the One who alone offers us true identity security and destiny If you seek me you will find me if you search with all your heart declares the Lord

Willimon,2006 One of today s greatest preacher theologians engages Karl Barth one of the 20th century s greatest teacher theologians on the meaning and practice of preaching **Stewards of the Gospel** Ronald E. Vallet,2011-07-22 The word stewardship comes across as stale and mildly distasteful to many in the church today as a term limited in its scope to euphemistic conversations about financial giving Yet as Ronald Vallet points out when the apostle Paul refers to stewards of the mysteries of God 1 Cor 4 1 he s talking about something much deeper and richer than fund raising In Stewards of the Gospel Vallet recovers a more adequate understanding of Christian stewardship in light of both the New Testament and the realities facing today s church as it deals with challenges to justice to the environment and even to faith itself He then applies his reinvigorated concept of stewardship in practical ways to congregations to their pastors and leaders and to the seminaries and denominational structures that mold and support those leaders Enhancing Vallet s broad gospel oriented vision of stewardship are thoughtful responses from six seasoned theological educators Daniel Aleshire David L Bartlett Bruce C Birch Terry Parsons Eugene F Roop and L E Ted Sivers **Kairos Preaching** David Schnasa Jacobsen,Robert Allen Kelly, Although lectionary and worship allow us to deepen our appreciation for the Bible and the themes and emphases of the Christian calendar they sometimes fail to allow preachers to speak the gospel directly to the situations that occupy their congregations This book is designed to help pastors and seminarians discover resources they already have to unpack situations and understand them theologically in light of their task of preaching the gospel
