Johnson,1996-04-03 For parents who have been knocked to the floor by bad news and plastered to the ceiling by unwelcome surprises here s a book to prop you up scrape you down and believe it or not help you laugh again Bad news is bad enough But bad news about your children carries a triple whammy of pain worry and where did we go wrong An accident an illness an unwholesome lifestyle a devastating decision the truth about these awful events can turn your life upside down isolate you from family and friends drain you of hope and overpower you with stress If that s your experience right now this book can be a lifesaver Crammed with practical guidance and sanity saving laughter it s a gift of hope to you from the queen of encouragement Barbara Johnson and other men and women who are out there on the dance floor of life doing the lost parent shuffle Drawing on her personal experience her years of ministering to parents in pain and the letters she has received from hundreds of hurting and healing parents Barbara Johnson shares what you can expect in the days ahead and how to cope what to do with your shock pain and guilt how to find grace for your ongoing stress how to love your kids without trying to fix em how to find comfort and encouragement in scripture friendship and the knowledge that you re not alone how to locate a support group or start one of your own how to pull together with your spouse instead of letting your pain pull you apart She salts each chapter with wry observations uplifting letters sunny day lifters cartoons and just plain funny one liners to life your spirits and bring you comfort Whether you re stuck on the ceiling groping through the tunnel smoldering in the fire or down for the count this book can keep you moving and even keep you laughing through your tears as you travel the rocky path from Why me Lord to Thank you Lord Paintamers Helen M. Dearman,2011-10 Pain medicine is a relatively new field of medicine Although easing pain has been an imperative in medical practice from the beginning of medical care we know very little about how to effectively treat pain The last three decades has been close to an explosion of knowledge of the mechanisms chemistry and biology of pain but with a slow uptake in translating that knowledge to medical care There have been some important advances in how to care for pain but the public and most medical practitioners are still unaware This state of affairs makes it very clear why this important anthology needs to be read One of the important things we have recently learned about pain is that it is complex There are many different kinds of pain and there are many different responses to the types of treatments PainTamers collects the thoughts and perspectives of several people living with pain and several medical experts who practice different types of pain medicine Pain is complex as complex as the subject matter Taken together the patient stories and the perspectives of the multiple medical practitioners PainTamers creates a complex weave that mirrors the challenge of understanding pain You hear from doctors scientists psychologists rehabilitation specialists massage therapists acupuncturists and many patients and collectively you begin to appreciate the challenges of living with pain and of helping people manage pain Will Rowe CEO American Pain Society **Understanding Evangelical Media** Quentin J Sch Robert Herbert Woods Jr,Robert Herbert Woods,Schultze Quentin J.,2010-05-07 As long as there has been a church there has been Christian communication people of the book bearing the good news from one place to another
