The Mirror Test Jeffrey W. Hayzlett, 2010-05-05 Hayzlett's big booming approach is direct and to the point but done so with a smile on his face as The Mirror Test is chock full of inspirational business stories and insights from his own career Jeff Hayzlett is a big boisterous guy who has the guts to get in your face and tell you exactly why your business isn't doing well In short he asks the questions that most business managers are afraid to ask And as Jeff points out if you aren't willing to look at what's working and what isn't and then take the necessary steps to fix them well you and your colleagues and employees are in for a tough ride Known for his outspoken appearances on numerous TV reality shows Hayzlett has built his career on having the ability to get his people to look up and pay attention to the problems at hand The Mirror Test will teach readers through entertaining and timely anecdotes how to thoughtfully yet aggressively evaluate deconstruct and then reconstruct one's business In his unique confrontational manner Hayzlett will coach small business owners and managers on topics such as Give your business the mirror test is your company really breathing Here's how you and your company must adapt or die The bottom line of your business really is your bottom line You have to focus on it *Sing a Battle Song* Bill
