## Still Daddys Girl:

DADDY'S GIRL(friend) Kim Sin,2019-05-16 A book is both a window and a mirror DADDY S GIRL friend bridges the chasm between the private and public personas of Kim Sin with an exquisite balance of fact and feeling experience and innocence heart breaking confession and matter of fact clarity The reader is changed by viewing the world of a child trying to make sense of a world where senseless suffering is the norm Take this journey with Kim Sin See through this sacred window and look at your own reflected image Become more human yet more transcendent through this powerful yet accessible reading We await future revelations of her skill and insights Michele McIver      **Daddy's Girl** Valerie Walkerdine,1998 Reflecting on her own working class roots and taking us into the homes and the confidence of working class girls today Valerie Walkerdine raises troubling questions about television and parental control about Freud s seduction theory and the manipulation of little girls and their thoughts and feelings about themselves and their place in their world      **Daddy's Girl** Mary Faye Rush-Linder,2010-07-29 Daddy s Girl relives the history and livelihood of a southern family These are times of comedy sorrow and hard times along the way During the growing up years of a small town girl she recalls and shares her memories These are times spent and remembered of family and school days and everyday life These stories carry you into episodes of comical happenings and times you might wish you could have shared along with her It was a time that black and white united to help share and cared for the needs at hand There are stories of comedy that will bring a smile to your face maybe even laughter as the story unfolds Reading the heartfelt pages chapter after chapter of a little girl as she bears her soul to all as she is growing up in the south with her family Her love of family grandfather and especially her father this story explains why she throughout her life that she truly was Daddy s Girl The story begins with her birth and continues as she sees all and misses nothing happening around her until adulthood The stories one after another revolve around a comical and mischievous brother as he keeps trouble and excitement going He is much so a huge part of the creation of this true story lived and remembered for all to enjoy      **Daddy's Girl** Charlotte Vale-Allen,2009-04 On Writing Daddy s GirlAfter I had been through many versions of the manuscript written over almost a decade I decided that for this book to have validity it would be necessary not only to show the past but also to give a picture of the present illustrating how the events of my childhood affected me at the time as well as later in life as an adult and a parent Given that I wrote the book in the first place as a document that I hoped would be useful to others who d suffered abuse and also to professionals I felt it was very important to present detailed portraits of the child I was and the woman I grew to be in large measure as a result of trying to cope with the long term effects of the abuse As well I thought it was vital to illustrate how fallout from the abuse can be felt down through the generations if one fails to exercise awareness and caution So the book weaves back and forth between past and present the present being 1979 when the final version was completed I also had to decide at the very start whether I was going to dole out snippets of truth or be completely truthful and address the issue as fully as I was able There seemed no

point to writing an autobiographical account of incest if I was going to be anything less than completely truthful It was not difficult to tell the truth nor was the writing of the book a cathartic experience as many have imagined it to be The fact is that I had long since confronted my personal demons and had managed to relegate the past to the past something exceedingly difficult for many victims of any all forms of abuse to do A few years ago in correcting the page proofs of a new British edition of the book I reread DADDY S GIRL and was gratified by what I d written Often with my novels I am not at all happy when I reread them I think that as an author I have little if any objectivity about my work once it s completed and so am not necessarily a good judge of it But I am proud of DADDY S GIRL Since its publication in 1980 it has been of help to a lot of people And ultimately it s my way of returning some measure of the kindness and attention people showed me when I was working my way along the rough roadway toward my future *Daddy's Girl* Kari St John,2003-02-09 A story of walking away And second chances A story of losing faith And finding grace A story of hope of healing of destiny Kyra Kyra had it all Beauty brains and a wonderfully planned future But one night ruined everything she dreamed her life would become Seven years later Kyra supermodel is considered one of the most glamorous women in the world But now her past is back to haunt her Photographs land in the wrong hands and now she is being stalked by the one person that can destroy all that she has become Rich powerful Mike Sanderson walks back into her life and offers her a proposition she dare not refuse Mike Mike has lived the life that most men only dream about Kyra had taken him once to the heights of heaven and the depths of hell And for seven years he has fostered a hatred for everything he believed she was Now he has found that she has once more stolen from him and this time he s coming to take back what he s lost *Daddy s Girl* **Daddy's Girl** Cheri Lane,2011-09-21 This is a memoir of incest and as such the contents of this book constitute a work of nonfiction Big blue eyes Tiny little figure Stand back boys til I get a little bigger I remember the words and the singsong manner in which they were repeated to me time and again by my uncle Then he would smile at me and play got your nose as he swiped his thumb and fingers across my nose I would laugh thinking what a fun game we were playing *Daddy's Girls* Suzanne Gold,2000-11-17 Daddys Girls is a rich yet simple family tale of love madness and spirit told in the three first person points of view of its three women Overlapping vignettes create a vivid patchwork of lifes defining moments to reveal dark forces lurking beneath the familys typical middle class veneer as they struggle to love one another The story is fiction with a dash of magical realism but the inspiration is autobiographical Daddys Girls recently received a glowing review from Terry Mathews of Bookbrowser com She calls it A book that will speak to you on many levels that can alter your perception of the world broaden your horizons and urge you to think outside the box The best book Ive read since Cunninghams THE HOURS And Ruth Williams author of Younger Than That Now says Daddys Girls is a luxuriant narrative telling the stories of three complex women two sisters and their mother and how their lives are impacted by the mental illness of one A fascinating and obviously well informed look at heartbreaking realities This is a book written from the heart **Daddy's Girls** Danielle Steel,2021-05-25 NEW YORK TIMES

**BESTSELLER** In Danielle Steel's riveting novel three women raised by their father on a sprawling California ranch now confront difficult truths about their past Decades ago after the death of his wife Texas ranch hand JT Tucker took his three small daughters to California to start a new life With almost no money a will of iron and hard work he eventually built the biggest ranch in California But when he dies suddenly at the age of sixty four the ranch is inherited by his three daughters each of them finding it impossible to believe that this larger than life figure is gone from their lives JT's relationship with each daughter was entirely different Caroline the youngest and most reserved was overlooked by her father for her entire life and fled to become a wife mother and writer in Marin County Gemma his declared favorite sought out Hollywood glamour and success and became a major television star Kate the eldest stayed at home with her father to do his bidding as a ranch hand without thanks or praise forsaking marriage and a family of her own for the love of him Now upon JT's death the paper trail he leaves behind begins to reveal much more than the three sisters ever guessed about who he really was It will turn their world upside down and each of them must grapple with a new reality strengthening their relationships with one another and discovering who they are now as grown women in spite of him Set against the magnificent backdrop of the West and the drama of a family in turmoil Daddy's Girls is the story of three remarkable women and their unique bond to each other the daughters of a complex many faceted domineering father who left his mark on each of them **Daddy's Girl** Kimmi
