## Still My Aching Heart:

Love Away Rashid Ali Ghazipuri, 2023-04-18 *Love Away* is a poetic journey through the heartaches and soul searching that come with love. It is a raw and emotional exploration of the highs and lows that one experiences when their heart is truly invested in another. With every page, readers will be taken on a voyage of self-discovery as the protagonist grapples with their deepest desires and darkest fears. From the pain of loss to the ecstasy of new beginnings, *Love Away* will leave no emotion unexplored. This book is a testament to the power of the human spirit and its ability to endure even the most heart-wrenching of experiences. It is a reminder that even in the depths of our suffering, there is always a light to guide us towards a better tomorrow. Through vivid imagery and beautifully crafted prose, *Love Away* will transport readers into a world of love, passion, and introspection. It is a journey that will leave a lasting impact on anyone who has ever loved and lost, and a beacon of hope for those still searching for their soulmate. **The Ulster Magazine and Monthly Review of Science and Literature..**

Lauria, 2025-03-06 *A Blooming Compendium* is more than just a collection of poetry, short stories, and philosophical dialogues. *A Blooming Compendium* represents nearly seven years of work that began with a heartbroken high school student deciding to write his first short story, only for him to begin writing poetry and another short story in college, and by the time he had become a young man, his love for writing had bloomed and had become something that the student never would've thought would happen. It represents a lost heartbroken boy finding his way through the thick woods, that is life, and coming out the other end, a man not shaped in the way the world wanted him to be, but reshaped into the man he wanted to be. With over forty-two works of poetry, nine short stories, and five philosophical dialogues, *A Blooming Compendium* truly has something that everyone could enjoy. Whether you love history, romance, horror, suspense, or philosophy, this work has it all, and it's eager to draw the reader into its many pages. Classics in Translation, Volume II Paul L.
