**The grounds of biblical belief** William Lance (author of The grounds of biblical belief.),1904 **Narrative**

**Practice and Cultural Change** Steven Grant Carlisle,2020-07-28 This book presents a unique approach to person centered anthropology providing a new form of practice theory that incorporates and explains sources of cultural change Built around the learning and use of autobiographical narrative forms it draws from and expands on phenomenological psychological and moral anthropological traditions The author draws on extensive original fieldwork in Thailand to explore questions including how Buddhism has dealt with the appearance of global capitalism and why some Thais continue to pursue nirvana oriented Buddhist practices when karma oriented reward systems seem to be more satisfying as a whole Where previous person centered ethnographies have explored the ways in which social forces cause individuals to conform to cultural norms this work advances the analysis by focusing on how ideas are transmitted from individuals to into wider society This book will provide fresh insights of particular interest to psychological phenomenological and narrative anthropologists as well as to researchers working in the fields of religious and Asian studies

**Ancient Monuments and Modern Identities** Sofia

Voutsaki,Paul Cartledge,2017-04-28 Ancient Monuments and Modern Identities sets out to examine the role of archaeology in the creation of ethnic national and social identities in 19th and 20th century Greece The essays included in this volume examine the development of interpretative and methodological principles guiding the recovery protection and interpretation of material remains and their presentation to the public The role of archaeology is examined alongside prevailing perceptions of the past and is thereby situated in its political and ideological context The book is organized chronologically and follows the changing attitudes to the past during the formation expansion and consolidation of the Modern Greek State The aim of this volume is to examine the premises of the archaeological discipline and to apply reflection and critique to contemporary archaeological theory and practice The past however is not a domain exclusive to archaeologists The contributors to this volume include prehistoric and classical archaeologists but also modern historians museum specialists architectural historians anthropologists and legal scholars who have all been invited to discuss the impact of the material traces of the past on the Modern Greek social imaginary

**Working Creatively with Obstacles to Client Change in Rational Emotive Behaviour Therapy** Windy Dryden,2024-10-01 Productive therapeutic change is facilitated when the therapist and client have a good therapeutic relationship share views on salient therapeutic matters agree on goals to enhance client well being and understand what they each have to do to achieve the goals of therapy This book will address the obstacles to client change that both client and therapist bring to Rational Emotive Behaviour Therapy REBT Addressing these obstacles to client

change head on the book enables both the client and practitioner to move beyond problems in the consulting room and build a more productive relationship resulting in more effective sessions and assisting in the resolution of underlying problems for which the client has sought help This updated second edition will move beyond the language of resistance in the first edition to instead reposition the term through the lens of barriers to change A further emphasis will be placed on online therapy and barriers such as clients not attending as many sessions as a therapist might expect or recommend This book is essential reading for any practitioner hoping to use REBT more effectively in their day to day practice

**A Bigger Prize** Denis Gray,2013-07 When trainer Frank Black Machine Whaley of View Point Texas dies of a heart attack in 1946 Elegant Raines an eighteen year old black prizefighter must find a new trainer Raines calls on Leemore Pee Pot Manners a boxing trainer who lives in Longwood West Virginia Any honest man would say Pee Pot knows more about boxing than anyone alive whether that man is black or white Raines s goal is to become the heavyweight champion of the world Under Pee Pot s tutelage Raines wins not only the middleweight championship but the light heavyweight championship marking him as one of the greatest fighters of his time During his quest for the title Raines falls in love with Gem Loving a pastor s daughter whose father Pastor Embry O Loving maintains a dim view of fighters Gem

must fight for Raines in ways her father will condemn A Bigger Prize tells a fictional story of the boxing world in the 1940s and what the sport meant to both blacks and whites of the time It considers the question of whether Elegant Raines s bigger prize is the world s heavyweight championship or something outside the ring more violent than boxing and its reward

**Edward Said** Adel Iskandar,Adel Iskander,Hakem Rustom,2010 This indispensable volume a comprehensive and wide ranging resource on Edward Said s life and work spans his broad legacy both within and beyond the academy The book brings together contributions from 31 luminaries to engage Said s provocative ideas     *Science, Religion, and Mormon Cosmology* Erich Robert Paul,1992 Merrill who urged a unique vision of reality that shaped a Mormon eschatology He shows how authorities eventually retreated from the perception of reality as true and adopted a scientifically less secure position in order to protect their theology an eventuality which ultimately resulted in a reactionary response to science within Mormonism

**Postmodern Music, Postmodern Listening** Jonathan D. Kramer,2016-08-11 Kramer was one of the most visionary musical thinkers of the second half of the 20th century In his *The Time of Music* he approached the idea of the many different ways that time itself is articulated musically This book has become influential among composers theorists and aestheticians Now in his almost completed text written before his untimely death in 2004 he examines the concept of postmodernism in music Kramer created a series of markers by which we can identify postmodern works He suggests that the postmodern project actually creates a radically different relationship between the composer and listener Written with wit precision and at times playfully subverting traditional tropes to make a very serious point about this difference Postmodern Music Postmodern Listening leads us to a strongly grounded intellectual basis for stylistic description and an intuitive sensibility of what postmodernism in music entails Postmodern Music Postmodern Listening is an examination of how musical postmodernism is not just a style or movement but a fundamental shift in the relationship between composer and listener The result is a multifaceted and provocative look at a critical turning point in music history one whose implications we are only just beginning to understand

**Omnitempus / the Quenar Affair** Ernest Velon,2013-09-24 Who would have guessed in the twentieth year of His Glorys reign the peace of an entire Galactic Dominion would be shattered Like a pane of silicon glass clear and unblemished broken by a sudden malevolent blow To those happy prosperous people of faraway Playsaria who are enjoying the fruits and blessings of the famed Pax Amaziana that shattering unveiled a sudden monstrous design Without notice seething tentacles unraveled from a central pit causing the strangulation of so many fine comrades A sickening malignancy striking at the very heart of what people cherish as decent swept down like a wave of churning death Planetary systems nameless and innocent teeming with the bounty of their fathers efforts are torn apart like a piece of meat in a pair of ravenous jaws Desperate populations wallowing in the ruins of their worst nightmares witnessed horrors surged up from the abysmal depths of chaos engulfing all Only a sane mind would recoil in anguish crying out for justice in the emptiness     *He Leadeth Me* William Beckford,2013-04 In this gripping and yet captivating account of a compelling true life

story William Beckford entralls his audience with a story that will live with you forever He will transport you into his life and travel with him from his innocent childhood the discovery of his nonexistent relationship with his siblings through his depression and attempted suicide The emotional abuse and neglect cycle started when he was a child and continued through his teenage years The pages turn on their own as this compelling story exposes a tale of a black sheep the mindset of the victim the actions of the people he thought would love him the most the betrayal of family and friends and the walk towards conversion healing and restoration Your nights will be short as you stay awake reading each page as quickly as possible so you may know what happened next Intense does not begin to describe He Leadeth Me William s true story reads like a best selling thriller but it s not fiction His story begins as a childhood nightmare and ends with God s miraculous and victorious deliverance and restoration At the heart of this book are real issues that we all face learning to grow through pain making decisions that will help us move forward overcoming adversity and trust in the power of God for healing Centered on the people that were close to him he brings his own cast alive with crisp dialogue and action oftentimes breathtaking with brutal honesty At an early age he learned how to cope with adversity and loneliness He found love in other people s homes Never has a story been told of how a child had to fend off forces of evil and powers of the dark world With no hope of escape from the flood of witchcraft and sorcery he learned to trust God even at an early age
