Still More Seasonings for Sermons Phillip H. Barnhart,1986 **Seasonings for Sermons** Phillip H. Barnhart,1980-09
Exposition Doctrinal and Philological of Christ's Sermon on the Mount ... Friedrich August Gottgetreu Tholuck,1860

Formerly Collected Together by Himselfe, and Published in One Volume in His Life Time. Hereunto are Annexed of the Same
Authors. 1. The Preachers Plea. 2. An Answer to a Popish Rime. 3. Meditations Touching Death. 4. The Doctrine of the

Samuel HIERON,1620 **Commentary on the Sermon on the mount, tr. by R.L. Brown** Friedrich August G.
Tholuck,1860 *Parables and Rhetoric in the Sermon on the Mount* Ernst Baasland,2015-07-27 Parable research has to a
large degree ignored the Sermon on the Mount SM and for its part research into the SM has likewise left the parables by the
wayside However the use of parabolic language in more than one third of the SM influences its interpretation and indeed
opens up a new approach to it In the current volume Ernst Baasland focuses on this important factor whilst also taking the
rhetoric of Jesus teaching into consideration The author maintains that rhetorical features have a great bearing on the
interpretation of the text with the overall structure illuminating the entire composition of the sermon Fresh insights into its
oration therefore serve to challenge the source problem in a new way The religious and philosophical settings of this most
well known of Christ s preachings are clarified by its parables and rhetoric and the sermon s Jewish background has often
been investigated While the author continues with that particular task he simultaneously affords more emphasis to the
parallels in Greek Hellenistic literature The combining of all these factors leads to a clearer comprehension of the Sermon on
the Mount s philosophy of life and provides a better understanding of this classical text Commentary on the Sermon on
the Mount Friedrich August G. Tholuck,2022-07-21 Reprint of the original first published in 1860 **Sermons, tr. by R.**
Robinson (H. Hunter) Jacques Saurin,1800 **The Senses of Preaching** ,1988-01-01 Written in conversational style The
Senses of Preaching is a thought provoking book using anecdotes to take a careful look at the relationship between preachers
and congregations Thomas Long provides insight into faith and life as well as preaching and homiletics He offers preachers a
better understanding of the whole concept of their craft and complements it with sermon starter ideas This compact volume
shows preachers how to develop and implement a preaching experience that encourages the hearing of the gospel *The*
Homiletic Review ,1903 Metropolitan Pulpit and Homiletic Monthly ,1921 The Christian Union ,1885 *The*

SANDERSON (Bishop of Lincoln.),1632 **Farewell Sermons of Some of the Most Eminent of the Nonconformist**
Ministers London ministers,1816 Most of the sermons contained in this collection were delivered on the twenty fourth of

August in the year 1662 On that day the act requiring a perfect conformity to the book of Common Prayer and to the rites and ceremonies of the church took place the effect of which enactment was the silencing of nearly two thousand five hundred ministers the death of three thousand nonconformists and the ruin of sixty thousand families Such was the result of the restoration of Charles the Second of infamous memory Preface Outlook Alfred Emanuel Smith, Francis Walton, 1872

Luther Hartmann Grisar, 2020-12-17 Luther is a six volume biography of Martin Luther German professor of theology and the Church reformer famous for his Ninety five Theses of 1517 and recognized as a seminal figure in the Protestant Reformation The aim of the work was to present accurate historical and psychological portrait of Luther s personality which is still a mystery from many points of view While presenting Luther s psychological picture the author chooses to do so in Luther s own words analyzing his writings and letters Analyzing Luther s writings he opts not to write about Luther s teachings and the history of dogma but reaches deeper in his endeavor to supply an exact portrayal of Luther as a whole which should emphasize various aspects of his mind and character Farewell Sermons of Some of the Most Eminent of the Nonconformist Ministers, Delivered at the Period of Their Ejectment ... in ... 1662. To which is Prefixed a Historical and Biographical Preface Nonconformist Ministers, 1816
