Teaching English To Students From China:

Teaching English to Students from China Gek Ling Lee, 2003 This text provides teachers of English to Chinese students with information on the linguistic cultural and pedagogical backgrounds of these students It analyses the importance of this background and offers information on successful classroom teaching methods and student learning strategies

A Manual for Teaching English in China Bill Burkett, 2009-05 Come with us now to the first day of class to teach English in China Both students and teacher s hearts pound with anticipation as students file into the room chatting and pretending not to notice the foreign teacher standing behind his desk But they can t help glancing at him anyway for a first look Laughter mingles with the sound of books and chairs clanking together A buzzer sounds in the hall and Bill Burkett affectionately known in China by his students as Mr Bill begins A Manual for Teaching English in China takes us from the first day s buzzer through the first weeks months and semesters of teaching English in China sharing numerous stories laughs interesting facts and many effective ways of teaching ESL A Manual for Teaching English in China is packed with Bill Burkett s practical ideas methods and teaching techniques that can actually be used to teach ESL anywhere Bill Burkett recently returned from a seven year stint of teaching English in the universities and training schools of Henan China An internationally renowned public speaker Burkett has lived in 46 nations in the last 43 years He developed a strong interest in linguistics which was fueled by his close association with interpreters In Chinese classrooms where he taught English he conducted active research experimenting and taking student polls He concentrated on eliminating speech impediments and strong accents His education experiences and research shaped his philosophy of teaching English as a Second Language and formed the basis of his first ESL book A Manual for Teaching English in China Following the manual is Secrets to Better English which reveals a proven method of teaching ESL without accent Although Burkett s doctorate is in philosophy his love is making a difference in his students lives by teaching diction and the skills of speech

Teaching English to Chinese ESL Students Poh Foong Kwah, Michael Vallance, 2005

An Island of English Danling Fu, 2003 Newly arrived Chinese immigrant students face the hardest imaginable situation in the classroom most often this is the only place where they can listen to and practice English having little if any opportunity to do so at home The burden is then on the teacher to further these students English education and at the same time create a classroom environment that appreciates and respects their culture and language Danling Fu has experienced these difficulties firsthand as a teacher as a student and as a parent In An Island of English she brings together her extensive research in New York s Chinatown where she worked as a literacy consultant at the Dr Sun Yat Sen Middle School her personal story as an immigrant and the stories of her son as an immigrant student She extends her findings to other immigrant populations and applies her keen research talents to devise practical recommendations for educators and policymakers

The Little Red Book: Teaching ESL in China Frank Black, Susan Black, 2008-06-02 Communism in the classroom structure in Chinese classrooms Who s Who in the Chinese

Classroom students on duty Teaching Group Work students learn to develop second language **The Little Red Book**
 Frank Black,Susan Black,2009-05-15 Susan and Frank Black provide you with their discovery about teaching English as a second language in China mainly that communism is alive and well structured in the classroom and that s a good thing Classroom structure is something that anyone planning to teach in China and everyone who is already doing it should know about Even the best designed lesson plan will not play if your students are not recognized for who they are duty driven study driven citizens of their Motherland Another critical fact revealed is contained in the chapter Who s Who in the Chinese Classroom You will learn the truth about the classroom Monitor and about his or her duty to serve you the Foreign Expert There are many students ready to assist you in the classroom and this book reveals who they are and how they can be of help to you The chapter on Teaching Group Work in China lays out a first of its kind real life lesson plan for both skeptics and adventurous types All the characters in this book are real and any resemblance to real persons living or dead is not coincidental You will meet Midnight Runners who sneak off into the night and Chinese English teachers who wish they could You ll meet students who have a profound feeling of duty to their teachers and other students who don t You will discover what some students believe about learning English as a second language and how their motives can help you facilitate a great class The Little Red Book Teaching ESL in China is your official guide **Teaching and Researching Chinese EFL/ESL Learners in Higher Education** Zhongshe Lu,Meihua Liu,Wenxia Zhang,2021-06-21 China has attached great importance to teaching students to become proficient users of English Yet despite a plethora of studies and practice on Chinese ESL EFL English as a second foreign language learners the large student population its complicated composition and the complex nature of second and foreign language learning have rendered it difficult to offer a panoramic view on ESL EFL teaching and learning of Chinese learners This book provides a new and up to date perspective on the teaching and learning of Chinese ESL EFL learners The book collects 15 case studies falling into two parts Curriculum Development and Teaching Practice and Skills Based Research The collected studies deploy qualitative quantitative or mixed methods to explore patterns features developments and causes and effects of a variety of issues in the sphere of ESL EFL teaching and learning Moreover the cases offer insights that are relevant beyond the mainland Chinese context such as Hong Kong Macau Britain and Australia Students and scholars of TESOL and applied linguistics will be interested in this title **Teaching English in East Asia** Clay H. Williams,2017-03-23 This book investigates the current EFL market in East Asia focusing on K 12 university and cram school English education in Japan China and Korea It explores prevailing educational practices by both Asian learners and teachers of English contrasting them with Western practices and illuminating why Western pedagogical methods have often encountered tremendous resistance from teachers administrators parents and students in the East Asian classroom context After establishing this cultural contrast of pedagogical norms the book presents a series of practical means for adapting Western teaching practices and philosophies to better suit the learning styles of East Asian

students and the cultural context and practical realities of the East Asian classroom offering both Western teachers working in East Asia and native East Asian teachers realistic plans for turning theory into successful practice These plans are divided by subsections focusing on the linguistic subskills being taught listening speaking reading and writing Each section includes two contrasting lesson plans to demonstrate how the educational theories and practices promoted by the author can often be implemented by making relatively simple changes to existing practices that incorporate a fuller understanding of how to actively assist students in developing new learning styles and behaviors *Forum* ,1987

Teaching English Language Learners in Secondary Subject Matter Classes Yu Ren Dong,2019-08-01 This book is for secondary subject matter teachers and administrators who work with English language learners ELLs in subject matter classes It is also for college professors who prepare pre service teachers to work with those students The book brings together insights from linguistic socio cultural educational cognitive developmental perspectives of what it means for ELLs to learn both English and subject matter knowledge in English as a second language It delineates unique challenges that ELLs experience offers ELLs learning stories and suggests concrete strategies with classroom teaching examples across academic disciplines The 2nd edition broadens the scope of the 1st edition in several aspects Specifically it includes two chapters about secondary ELLs previous educational experiences in their home countries a chapter on subject matter lesson planning with ELLs in mind with teacher collaborative strategies and more principle based and field tested effective instructional and assessment strategies for working with ELLs
