Mahaprabhu appeared in Bengal India in 1486 and He lived for only 48 years yet He began a revolution in spiritual consciousness that has profoundly affected the lives of millions Renowned as a great saint even in His youth Lord Caitanya left His family and friends at the age of 24 to teach the forgotten essence of the ancient Vedic wisdom throughout India Although He Himself was a fully renounced mystic He taught how one can act in spiritual consciousness even within one s home occupation and social affairs Thus His teachings although timeless bear specific relevance for today s world He taught a practical process that anyone can perform to directly feel the ecstasy of pure love of God This book tells about the extraordinary life of this great saint and explains the essence of His teachings Read more **Teachings of Lord Chaitanya**

A. C. Bhaktivedanta (Swami Prabhupada.),1968 **Teachings of Lord Chaitanya** S. Prabhupada Bhaktivedanta,2012-05-01 There is no difference between the teachings of Lord Chaitanya presented here and the teachings of Lord Krishna in the Bhagavad Gita **The Saint of Bengal** Japananda Das Acbsp,Sri Japananda Das Acbsp,2017-08-13 The saint of Bengal There is no difference between the teachings of Lord Caitanya presented here and the teachings of Lord Krsna in the Bhagavad gita The teachings of Lord Caitanya are practical demonstrations of Lord Krsna s teachings Lord Krsna s ultimate instruction in the Bhagavad gita is that everyone should surrender unto Him Lord Krsna The Lord demands that one surrender unto Him by following these six guidelines but the unintelligent so called scholars of the world misunderstand these demands and urge the general mass of people to reject them At the conclusion of the Ninth Chapter of the Bhagavad gita Lord Krsna directly says Engage your mind always in thinking of Me become My devotee offer obeisances to Me and worship Me Being completely absorbed in Me surely you will come to Me Bg 9 34 Yoga practice is essentially meant for controlling the senses The central controlling factor of all the senses is the mind therefore one first has to practice controlling the mind by engaging it in Krsna consciousness The gross activities of the mind are expressed through the external senses either for the acquiring of knowledge or for the functioning of the senses in accordance with the will The subtle activities of the mind are thinking feeling and willing Depending on one s consciousness the individual is either

polluted or clear If one's mind is fixed on Krsna His name quality form pastimes entourage and paraphernalia all one's activities both subtle and gross become favorable In this way Lord Caitanya teaches the science of Krsna consciousness That science is absolute Dry mental speculators try to restrain themselves from material attachment but it is generally found that the mind is too strong to be controlled and that it drags them down to sensual activities A person in Krsna consciousness does not run this risk One has to engage one's mind and senses in Krsna conscious activities and Lord Caitanya teaches one how to do this in practice Everyone has to suffer or enjoy the fruits of his activity no one can check the laws of material nature that govern such things As long as one is engaged in fruitive activity one is sure to be baffled in the attempt to attain the ultimate goal of life I sincerely hope that by understanding the teachings of Lord Caitanya human society will experience a new light of spiritual life which will open the field of activity for the pure soul om tat sat A C Bhaktivedanta Swami March 14 1968 The Birthday of Lord Caitanya Sri Sri Radha Krsna Temple New York N Y
