Teaching Reading In The Middle Grades Understanding And Supporting Literacy Development:

Teaching Reading in the Middle Grades James A. Rycik, Judith L. Irvin, 2005 Unlike any other text *Teaching Reading in the Middle Grades* provides a balanced readable analysis of recent documents developed by professional organizations researchers and government agencies including the National Council of Teachers of English the International Reading Association and the National Reading Panel With its careful balance of the different dimensions presented in current research outlining that the teacher not only the method is a crucial factor in student achievement this text helps students grasp the scope and complexity of student achievement in Literacy

Taking Action on Adolescent Literacy Judith L. Irvin, Julie Meltzer, 2007 Learn the 5 steps that school leaders can take to improve student literacy in all content areas with targeted interventions for students who are struggling the most

Teaching the Canon in 21st Century Classrooms Michael Macaluso, Kati Macaluso, 2018-11-01 The canon as much an ideology as it is a body of texts perceived to be intrinsic to the high school English classroom has come under scrutiny for maintaining status quo narratives about whiteness masculinity heterosexuality ability and even those associated with American ideals of self reliance the good life and the self made man Teaching practices around these texts may also reinforce harmful practices and ways of thinking including those connected to notions of culture literary merit and methods of reading teaching and learning *Teaching the Canon in 21st Century Classrooms* offers innovative critical ways of reading thinking about and teaching canonical texts in 21st century classrooms Responding to the increasingly pluralized digitized global 21st century English classroom chapter authors make explicit the ideologies of a canonical text of focus while also elaborating a pedagogical approach that de centers the canon bridges past and present applies critical theory and celebrates the rich identities of 21st century readers In using this book teachers will be especially poised to take on the canon in their classroom and thus to open up their curricula to ideas values concerns and narratives beyond those embedded in the canonical texts

Literature for Young Adults Joan L. Knickerbocker, James A. Rycik, 2019-08-28 Now in its second edition this book explores a great variety of genres and formats of young adult literature while placing special emphasis on contemporary works with nontraditional themes protagonists and literary conventions that are well suited to young adult readers It looks at the ways in which contemporary readers can access literature and share the works they re reading and it shows teachers the resources that are available especially online for choosing and using good literature in the classroom and for recommending books for their students personal reading In addition to traditional genre chapters this book includes chapters on literary nonfiction poetry short stories and drama and film Graphic novels diversity issues and uses of technology are also included throughout the text The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their peers and others when communicating about books This book is an essential resource for preservice educators to help young adults understand and appreciate the excellent literature that is available to them New to the second edition New popular authors

books and movies with a greater focus on diversity of literature Updated coverage of new trends such as metafiction a renewed focus on nonfiction and retellings of canonical works Increased attention to graphic novels and multimodal texts throughout the book eResources with downloadable materials including book lists awards lists and Focus Questions
