Teaching And Learning In The Effective School:

Teaching and Learning in the Effective School Alma Harris, 2019-05-23 First published in 1999 this volume attempts to draw the literature on school effectiveness and teacher effectiveness together in one volume Its central tenet is that classroom effectiveness is central to school effectiveness and that there is much to be gained from integrating the literature on effective schooling and effective teaching Issues discussed include departments classroom communication and teacher expectation motivation and feedback

What Effective Schools Do Lawrence W. Lezotte, Kathleen McKee Snyder, 2011 What Effective Schools Do is designed as guide to assist educators with activities for implementing a continuous school improvement system through application of the seven correlates of effective schools 1 High expectations for success 2 Strong instructional leadership 3 A clear and focused mission 4 Opportunity to learn time on task 5 Frequent monitoring of student progress 6 Safe and orderly environment 7 Positive home school relations The ten chapters provide a comprehensive description of practices that enable educators to build and sustain a school culture that accommodates the learning expectations and needs of all students The correlates of effective schools represent the knowledge educators need to successfully teach all children Taken together the correlates are more than just theory they are what effective schools do

H.R. 747, the Effective Schools Development in Education Act of 1985 United States. Congress. House. Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education, 1986

Successful School Leadership: Linking With Learning And Achievement Day, Christopher, Sammons, Pam, Leithwood, Ken, 2011-05-01 This book examines the nature of successful school leadership what is it what does it look like in practice and what are the consequences for schools and pupils As well as providing a contemporary overview of international research and thinking about successful school leadership it identifies similar and distinguishing features of successful leadership in different sectors between heads of different experience and between schools in different socio economic circumstances It introduces the notions of layered leadership and progressive trust as key features of successful leadership Additionally it discusses issues of sustainability and resilience in successful school leadership Finally it considers how successful school leadership connects to pupil success exploring the leadership strategies used by successful heads in a range of primary and secondary schools whose pupil attainment results had improved over a three year period during their headship
