Teaching The Way Jesus The Early Church And Today:

Teaching the Way Joseph A. Grassi, 1982 **Principles and Practices of Christian Education** Robert W. Pazmiño, 2002-04-29 Principles and Practices of Christian Education shows teachers how they can use two important principles that stand behind all evangelical practices to make their education program stand out from all the others in its nurture of students First evangelical Christian education recognizes the need for conversion personal and corporate transformation that reconnects people to their Creator Second evangelical Christian education strives for connection making contact with people as unique individuals who live in a particular society and who need to know more about scripture In this book Christian education students learn that the work for which they prepare is a partnership with God to transform people Their central task is worship but through it and other activities they lead others to faith commitment and transformation of communities Finding Christ in the Old Testament: Searching Out How the Early Church Supported the Doctrines of Christ from only the Old Testament William Waddell, PhD., ThD., 2014-10-13 So the modern believer may be encouraged to search out Jesus not only in the New Testament but also in the Old The early church even though they had only the Old Testament did not lack in Scriptural backing when they preached and taught about Jesus The modern church should be as well armed having both the Old and New Testament at its disposal 32 Ways to Become a Great Sunday School Teacher Delia Halverson, 1997-07-01 A self directed teacher training resource offering four courses of study for both experienced teachers and beginners For many churches teacher training is a once a year event or even a budget casualty 32 Ways to Become a Great Sunday School Teacher uses self study sessions to help teachers design individualized programs that assist them in learning how to teach New teachers will learn the basics of teaching how faith develops the ages and stages of learning veterans will find ways to enrich their prayer lives and incorporate different teaching styles in a lesson A sampler of topics How to Study a Bible Passage Multiple Intelligence Learning Death Illness Other Crises Using Questions in Teaching The Gospels Prayer in the Classroom The Sacraments Symbols of Christianity Recovering the Unity of the Bible Walter C. Kaiser, Jr., 2009 In this new book Walt Kaiser makes the case for the unity of the Bible The theological unity of the Bible celebrates the diversity of the Bible but does so with the conviction that even though that unity can be tested historically ethically and otherwise it has not detracted from the central case for the theological harmony that is found in the text This has been the general conclusion of two millennia of Judo Christian exegesis Bible School 1 Semester 2 Shofar Christian Church, 2020-06-01 The Bible teaches us that there is nothing more important than becoming like Jesus The life of Jesus not only shows the full picture of who God is but He also shows us what it means to be human He is the quintessential man In Him we see what a perfect relationship with God looks like what our moral outlook should be and what constitutes a good and worthy life Through the ages the church has confirmed that the Bible is both the standard and the guide that instructs confronts and inspires us in the process of following Jesus The way we see understand and experience God ourselves and the
